A GREAT FARMER'S MAXIMS.—The successful life of Mr. Jacob Strawn, the prince of American farmers, is attributed to the close observance of the following maxims, originated by himself.

When you wake up do not roll over but roll out. It will give you time to ditch all your sloughs, break them, harrow them, and sow timothy and red clover.

Make your fencing high and strong, so that it will keep cattle and pigs out. If you have brush, make your lots secure, and keep your hogs from your corn; for if the corn is kept, they will eat it better than if it was not.

Be sure to get your hands abed by 8 o'clock—They will rise early by force of circumstances. Pay a hand if he is a poor hand, all you promise him; if he is a good hand pay him a little more; it will encourage him to do still better.

Always feed your hands as well as you do yourself, for the laboring men are the bone and sinew of the land, and ought to be well treated.

I am satisfied that getting up early, industry and regular habits are the best medicine ever prescribed for health.

When rainy, bad weather comes, so that you can't work out of doors, split and haul your wood.

Make your racks, fix your fence or a gate that is off its hinges, or weather-board your barn where the wind has blown the siding off, or patch the roof of your barn or house.

Study your interests closely, and do not spend any time in electing Presidents, Senators, and other small officers, or talking of hard times when spending your time in whittling store boxes, etc.

Take your time and make calculations. Don't do things in a hurry, but do them at the right time, and keep your mind as well as your body employed.

"The Lowell Advertiser!" said the clerk, restraining his feelings; "I don't know such a paper."

DR. PIERCE'S ALTERNATIVE MEDICAL DISCOVERY

The originator of this wonderful medicine claims to have discovered and combined in his own mind the most powerful medicinal properties than was ever before combined in one medicine. The evidence of this fact is found in the variety of most obstinate diseases which it has been found to conquer. In the cure of Rheumatism, Severe Coughs, and the early stages of Consumption, it has astonished the medical faculty, and hundreds of the best physicians pronounce it the greatest medical discovery of the age. Whilst it cures the severest Coughs, it strengthens the system and purifies the blood. By its great and thorough blood purifying properties it cures all Humors from the most virulent to a common Blotch Pimple or Eruption, Neuralgic Diseases, Mineral poisons, Syphilis and Venereal Diseases, and their effects are eradicated and vigorous health and a sound constitution established. Erysipelas, Salt Rheum, Scald Head, Fever Sores, Sore or Rough Skin, in short all the numerous diseases caused by bad blood, are conquered by this powerful, purifying and invigorating medicine. For "Liver Complaint," Bilious Disorders and Habitual Constipation, it has produced hundreds of perfect and permanent cures where other medicine had failed.

The proprietor offers \$100 reward for a medicine that will equal it in the cure of the diseases for which it is recommended. Beware of counterfeits and worthless imitations. See that my Government Stamp, which is a positive guarantee of genuineness, is upon the outside wrapper. This medicine is sold by Druggists at one dollar per bottle. Prepared by R. PIERCE, M.
