Watermelons, apples and all kinds of fruits sweet potatoes and vegetables at G. B. Stiles.

"Hiyu-Ictas," in the tinware line at T. B. Newman's.

Rev. J. James will hold Meeting in the M. E. Church, Sabbath, 11 a. m. and evening.

The contract for building the bridge across Luckiamute at Loughery's was let last Monday to G. B. Riggs, for $700.

Fires are raging in the mountains to such an extent as to render the air through the valley very smoky and disagreeable.

The First Quarterly Meeting for the Dallas Circuit M. E. Church will be held in this place on the 2d and 3d September, L. T. Woodward, P. E., officiating. All are invited to attend.

Mr. G. W. Riggs, who has just returned from Goose Lake, informs us that there are about five hundred settlers around that valley. The crickets have been so plenty that scarcely anything else is raised.

F. Pilot Jones, Jeweler and watchmaker from McMinnville has been in town several days engaged in keeping people in time. Mr. J. is a good workman, and will hereafter spend a portion of his time in our town.

Bolter, Wortly & Co., are constantly receiving new goods of the latest styles and best quality. All persons desiring great bargains can procure them by calling at the Ellendale store, two door south of the Post Office. Brooms 25 cents, and everything else in proportion.

We call attention to the advertisement of Dr. Pilkington, to be found in another column. The references which the Dr. gives are quite numerous, and the patronage he asks, will no doubt, be gratefully accepted, and promptly and skillfully attended to.

Mrs. J. H. Kincaid is doing some excellent work in the Photographic line. The public are invited to call and examine her work, and see for themselves. Rembrandts, Photographs, Ferrotypes, and all styles of pictures taken on short notice, and satisfaction guaranteed.

In another column will be found the card of Dr. Charles Wilson, Oculist, who comes well recommended as a skillful operator in his line of business. One thing speaks volumes in his favor, all examinations are free, and no money is exacted unless patients are benefited. Persons living at a distance can communicate with him at Salem, with the assurauce that they will receive prompt attention.

Our Foreman is in the highest glee. His family, consisting of a wife and three children, has just arrived from the East. Mrs. S. expresses herself well pleased with the country; and as for Mr. S., while he has more "forms to press," and will have a double use for his "coin," yet we trust he will not lose his powers of "composition," but will always be ready for the "case."

We learn from Mr. R. Booten, that Messrs. Davis, Woods and Clark, parties who went from here to Pitt River last spring, with stock, could find no location in that part to suit them, and Mr. Davis located on Link river. Messrs. Woods and Clark, the last heard from were in Goose Lake country, talking of going to Eastern Oregon. We would not be much surprised to hear any time they were on their way back to Webfoot.

Concert. Mr. and Mrs. McGibeney favored the citizens of Dallas with one of their musical entertainments last Friday night. They fully sustained the reputation, they have long enjoyed of being up with the times in their profession. The programme was interspersed with pieces well calculated to rouse the mirthful propensities, and others to please the taste of the most fastidious. Amused, entertained and instructed, the audience were reluctant to leave when the exercises were over, but clustered round the platform to extend congratulations, and press upon the Prof. and his Lady an unanimous invitation to again visit Dallas at their earliest convenience, which they promised to do.

S. C. Stiles has removed his harness and saddlery shop to Stiles' new building up stairs, where he is ready to furnish everything in his line.

W. H. Catterlin hereby informs the public that he would like to secure a place for one of his daughters, aged 11 years, in a good family having no small children, and living in or close to some town where she could have advantages for schooling.

Lincoln. During a short visit to the town of Lincoln, we were pleased to notice the evidence of thrift and enterprise which everywhere abounded. Abrams & Co. are doing a good business in the mercantile line. A large sawmill is in full blast, a gristmill is being built, and will soon be ready for business. Large amounts of grain are being stored there, and the prospects for the future are fine.

Real Enterprise.—Wm. Davidson, Esq. Estate Agent, of Portland, has placed the *Christian Advocate* under obligation to him for a copy of the list of premiums for the Oregon State Fair, to be held at Salem, October next. Mr. Davidson exhibits a real enterprise, worthy of all commendation, by circulating far and near, whatever of public documents he believes will do good, and accommodate the people of this growing State. Jay Cooke & Co. acknowledge through a letter to Mr. Davidson, their obligations for his valuble maps, and promise in return to do all they can to develop Portland and Oregon and Washington Territory.

Inventions and improvements seem to be the order of the day. Among the many improvements in agricultural implements the Traveling Thresher of the Robbins Bros., of this county, seems to bid fair to take a front rank. The old "thrashing time," which was a dread to all the farmers' wives is one of the ills of life that have been, or soon will be, entirely done away with, and the harvest will be accompanied with no more extra labor to the housewife than seed time. With this machine, five men are all that are needed to take the grain standing in the field and put it into sacks. We saw the machine running on Thursday last, and can testify to the fact that it works as speedily, and does its work as well as any of the stationary machines. With eight horses attached, it runs by the side of, and thrashes the grain from, a header with a ten foot sickle. Eighteen acres a day has been cut and thrashed. We are firmly of opinion, that ere long this machine will supercede all others of this nature.

**Forty Years' Experience** have tested the virtues of *Dr. Wistar's Balsam of Wild Cherry*, and the result is that it is the best remedy extant for pulmonary and lung diseases, embracing a whole range from a slight cold to a settled consumption. Were it not for its merits, it would long since have "died, and made no sign." 213-w.

Unfortunate wretches undergoing the cruel death, called "breaking at the wheel," finally receive a pitying blow upon the stomach, which ends their pain. Every portion of the body is in close sympathy with the stomach, and when that is wrong nothing is right. Headache pains in the back and loins, palpitation of the heart, nervousness, and many other troubles, arise from a deranged condition of the stomach, which is the hardest worker in the world. Dr. Walker's California Vinegar Bitters will surely and speedily correct all disorders of the stomach, liver, kidneys, and all other vital organs.

**PIMPLES, BLOTCHES,**

and roughness of the skin generally arise from depraved or vitiated humors. Bristol Sarsaparilla is the best of all known purifiers of the blood and humors. This unfailing detergent neutralizes the poison, and occasional doses of Bristol's Sugar coated Pills, taken at same time, purge out the unhealthy secretions, insuring a smooth white soft skin.

PAIN KILLER
PERRY DAVIS & SON'S
1840 1870

## CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarihœ, which always precedes an attack of the Cholera, take a teaspoonful of Pain Killer in sugar and water, (not if convenient,) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhœ or cramps continue repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as a remedy, has no equal. In cases of Cholera, Summer Complaints, Dyspepsia, Dysentery, Asthma it cures in one night by taking it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache don't fail to try it. In short, it is a Pain Killer.

Directions accompany each bottle,

The Pain Killer is sold by all dealers in Medicines.

Prices, 25 cents, 50 cents and per bottle

**Debility and Emaciation**

Both result from the lack of ability to convert the food into nutriment. How necessary, then, for those suffering from these alarming symptoms to immediately resort to a remedy that will strengthen the stomach and digestive organs. For, as soon as this desirable object has been accomplished the health improves, and the patient resumes his usual personal appearance. Hostetter's Stomach Bitters have attained a world-wide popularity in such cases, and have been proven the best and safest means of removing constipation, toning the stomach, giving energy to the liver, and relieving the every symptom of nervousness and depression of spirits. Its cheering and beneficial effects are highly spoken of by thousands, who owe to it their restoration of health. No restorative in the annals of medicines has attained the same popularity in the short space of time it has been before the public, or won the high endorsements accorded to this excellent tonic. Many other preparations purporting to be correctives and restoratives, have been introduced and have perished one by one, while the popularity of Hostetter's Stomach Bitters continues to increase, and is now recognized as a standard household medicine. The success which attends the use of the Bitters evinces at once its virtues in all cases of debility and of the stomach. Certificates, almost without number, have been published, attesting its truly miraculous power in removing those painful and fearful diseases. And at this time it seems idle to do more than call attention to the great remedy of the age in order to awaken public attention to excellence. It is the only preparation of the kind that is reliable in all cases, and it is therefore worthy of the consideration of the afflicted.

Dr. WALKER'S CALIFORNIA

## VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

**WHAT ARE THEY?**

**FOR FEMALE COMPLAINTS,** whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. ☞ Send for a circular.

They are a Gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

THEY ARE NOT A VILE

**FANCY DRINK,**

Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

**For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder,** these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

**DYSPEPSIA OR INDIGESTION.**

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They Invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

**FOR SKIN DISEASES,** Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

**PIN, TAPE and other WORMS,** lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
