Thanks.—For a fine bouquet from Mrs. M. M. Dodson.

The Good Templars will have a public meeting at the M. E. Church to-night. Good speakers will be present from abroad. A full attendance is requested.

Mr. Lewis has made arrangements to run a daily stage from Dallas to the Fair Grounds the coming week.

Messrs. Hobart & Co. have on hand a large stock of collars, got up in prime order; also a large lot of saddles and harness.

Polk County Lodge No. 8 I. O. G. T. will meet at Eola on the 14th inst. at 10 a. m.
By order of the County W. C. T.,
J. D. LEE, Secretary.

Wheat is going to the river in large quantities. We have been informed that ninety teams have unloaded in one day at the two warehouses at Lincoln. At a fair estimate these teams would have 5,000 bushels.

The Dallas Literary Society held its first meeting on Thursday evening. The attendance was not large, but the exercises were interesting. Several pieces were read. The music was good, and taken altogether was a very promising commencement.

We acknowledge the receipt of a complimentary ticket to attend the State Fair next week. We understand from parties who have been on the grounds that extensive improvements have been made, and that a larger crowd is expected this year than has ever assembled there before.

A Breach of Etiquette. A little emigrant made its advent into a family not many miles from town a few nights since. A little three year old member of the family caught sight of it before it was dressed, and running to her father exclaimed: "Oh papa, that's the first baby that ever came to this house without its clothes on."

Specimen Book. We have received from G. Bruce's Son & Co. a fine Specimen Book, showing the different styles of types and ornamental blocks, rules, cuts, &c. made at their foundry No. 13 Chambers Street, New York, together with price. This is a valuable book for printers, and should be in every publisher's office. Address George Bruce's Son & Co. No. 13 Chambers Street, New York.

Arrested and under Bonds. Mr. M. M. Ellis, a resident of this county, and a man who is regarded as a good citizen and a promising business man, has been arrested in his business career and sent to Portland for new goods, to supply the increasing demand at his store. He is now after the goods, and has given bonds for his return in a few days. He then promises us a fine "add," and the public, valuable goods at low rates. Give him a call at Laclede (Cluff's old stand).

One night last week some unknown party entered the house of Matthew Nealey, living on the Luckiamute. A young man of the family, hearing a noise in the pantry, got up to see what it was, supposing it to be a cat. As he opened a door leading into the pantry, a man fled through a back door, and ran to the brush but a few rods distant. By the light of the moon, he appeared to have shackles on, as something glistened in the moonlight, and rattled like chains. Schultz again.

County Court Proceedings.

J. H. MYER, JUDGE:

L. Ground, plaintiff *vs.* T. Marand and others defendants. Action for replevin; argued on demurrer—continued.

Ben. Hayden plaintiff, *vs.* James Scott defendant. Civil action—continued.

Crone & Wolf plaintiffs, *vs.* Mehala Wood defendant. Civil action—judgment for defendant.

William Clingan. Application for license to retail liquors for twelve months. 62 petition. 54 remonstrate—Application granted.

In the case of Daniel's estate, O. F. Daniels appointed administratrix.

County Warrants canceled, $1,657 44.

Whole amount of accounts allowed $551 10.

Ex-Senator Williams paid our town a visit on Thursday last, and favored us with a call. He expresses himself well pleased with the evidence of improvement on every hand, feels no doubt of the brilliant future in store for Oregon and of the success of the Republican party in the next campaign, both State and National. Perhaps no man in the State has done more for the development of the interests of Oregon than Mr. Williams; and he can now look around with pleasure upon the result of his labors.

Whittlings.—Several drunken parties have been making things disagreeable part of the time during the week.—Bolter, Wortley & Co. are opening a lot of nice clothing.—Mr. Wadhams, from Portland, Gen. Palmer, Indian Agent at Siletz, Ex-Senator Williams and other visitors have been in town during the week.—A fine lot of new goods may be found at Lee's.—Rev. G. W. Branson and family, with several other persons, left for Walla Walla last Tuesday.—Stiles is still on hand to furnish everything needed from "Headquarters."—Reuben Pigg and James Cooper with their families are in the valley from Willow Creek on a visit.—Several families, former residents of Oregon, passed through town on Wednesday bound for California. Good bye friends; we'll look for you back soon.—The family of Robert De Shields arrived here one day last week. They migrated east of the mountains about two years ago, but liking Webfoot better than that country, have returned. Mr. D. will be here soon, and we understand calculates to locate in Polk County. Sensible man; we want more just like him.

OVERLAND STORE.

Goods at New York Prices.

Dry goods, Fancy and Staple, Clothing, Boots and Shoes, Furnishing Goods, etc, at lower Prices than they have been offered in Oregon.

Owing to our superior facilities, having connection with leading Eastern Houses, we are enabled to offer all of our carefully selected stock at rates much lower than the prices now current in Oregon, Buying as we do from Manufacturers and leading Importing Houses directly, it is obvious that we can sell our goods at more desirable rates than if we were to buy them in the ordinary way.

As the expenses, such as commissions, profits made by jobbers, dealers and brokers, are avoided by us, our customers, instead of having to purchase goods that may have passed through half a dozen hands, thereby increasing the price of the goods, (all of which in the end comes out of the *consumer*) can safely rely on buying their goods of us at a moderate advance on the manufacturers' and importers' prices. We shall sell our goods on the one price system, and shall at any time be pleased to show our goods and give any information in regard to prices.

IMPORTANT TO FARMERS.

Being immediately connected with the well know wholesale Produce and Commission House of Cohn, Martin & Co., of San Francisco, the most extensive on the Pacific Coast, we are prepared to buy for *cash* on delivery, and to make advances on all description of country produce. We will in all cases pay for produce the current San Francisco prices, less, however, the actual cost of shipment. We shall establish what has been notoriously wanting in Salem—a good reliable market and we will invariably on delivery of the produce pay cash.

We will buy *Butter, Cheese, Eggs, Geese, Hens, Ducks, Turkeys, Hides Calfskin, Sheepskin, Tallow, Furs, Home made Socks, Grain, Wool, etc.*, FOR CASH! FOR CASH! FOR CASH! Consignments of all kinds solicited for our San Francisco house, on which liberal cash advances will be made.

N. B—Grand Re-opening of the Overland Store Sept. 1st, 1871.

EXPLANATORY.—The *Bulletin* takes us to task for a seeming discrepancy in our Market Reports. As regards the price of wheat, we would say for the benefit of the *Bulletin* and others who may not understand our position, that Dallas is an inland town, and our market reports, which are published weekly, are the prices of the various commodities in our market. When we speak through our local columns of the prices current, we refer to prices paid at various points along the Willamette River, where produce is purchased for shipment. This we hope will be satisfactory, as it must be plain to everyone that wheat, or any other commodity bought for shipment, cannot demand the same price a few miles back from the place of shipment as it would at the shipping point.

BUTLER'S DEFEAT.

Ben. Butler has been defeated by his opponent Washburn for the honors of Gov. of Masachussets. He acquiesces in the verdict, and declares his intention to support the ticket. It is stated that he can secure a congressional nomination and re-election at any time he desires from the Lowell district. This, if he choose to accept it, may strengthen him for the next campaign.

IN LUCK.—The editor of the New York *Times* has been presented with $50,000 by the Union League, in recognition of his services in investigating the Tammany frauds.

Russia's whiskey tax amounted to $109,157,000 last year.

Telegraphic Summary.

NEW YORK, October 2.—An evening paper announces that Judge C. Barrett applied this afternoon to Judge Bixby, of the Fifty-seventh street. Police Court for a warrant of arrest for Mayor Hall alleged gross misdemeanor in converting public funds; or permitting the same to be diverted from their legitimate use by signing warrants for the payment of millions for work which had never been done, the said money having been paid to Ingersoll, Garvey, Miller, Smith, Ballard and others The principal affidavit is made under the law charging such crimes under special section of the act of the Legislature which deprives the guilty one of office and forever prevents his holding office of any kind. It was sworn to by W. S. Copeland, formerly assistant book-keeper in Controller's office. It charges that the vouchers on which said warrants were issued, were fraudulent and so known by the Mayor.

Small-pox is raging in Brooklyn. The yellow flag has been placed in front of each building where the disease exists and general attention has been called to the necessity for cleanliness and proper means to prevent further spread of the disease.

Chicago, October 2.—President Grant held a reception at the Tremont House to-day. A large number of citizens paid their respects. He left for Washington this evening.

Hartford, October 3.—In the town elections yesterday, the Republicans elected nearly their entire ticket here and at New Haven.

Chicago, October 3.—The *Time's* Washington says it seems indisputable that Secretary Fish has decided on an early retirement from the Cabinet. He retires of his own wish and the change has no political bearings. In fact there will be an entire reorganization of the State Department. Mr. Davis, Assistant Secretary, goes the Geneva Conference, and the law officer has just retired to take a position under the Japanese Government.

The report is that Andrew D. White of New York is to succeed Fish.

Wm. Seward arrived to-day from Europe. His friends gave him a reception in the Bay. He left immediately for Peckskil.

MARRIED.

FUQUA—SUVER.—On Sunday, Sept. 17, 1871, at the residence of the bride's father, by B. F. Smith, J. P., Mr. William Fuqua to Miss Caroline Suver, all of Polk County, Ogn.

A Nation of Dyspeptics.—That's what Americans are. We live fast—dissipate in everything except righteousness, and fill early graves we drink without regard to consequences, all kinds of poisoned alcoholic spirits, swallow, without mastication, pork, grease and and every conceivable carbonaceous, soul-dwarfing, life-destroying, system-clogging, indigestable food. DR. WALKER'S CALIFORNIA VINEGAR BITTERS cannot stop that in a radical manner, but it will remove the evil effects, and the recovering patient, with fresh, pure, vitalized electrical blood flowing through his arteries and veins, will have a clearer head and a cooler judgment, which coupled with experience, will cause him to abstain in the future. Good, nutritous, digestible diet, which the most delicate stomach may take, can be found in cracked wheat, corn bread, tomatoes, raw or soft boiled eggs, apples, boiled rice, plain rice pudding; corn starch; rare beef; mutton and poultry. With Vinegar Bitters and moderation in eating and drinking, there is no incurable disease of dyspepsia.

FROM BRAZILL.

A young and lovely daughter of a Brazilian nobleman in Rio de Janerio, acknowleoging recipt of a case of MURRAY & LANMAN'S FLORIDA WATER, says: "This perfume is not new to me. I have long used it at the toilet and in the bath and have always found it not only the most agreeable, but also the most lasting and refreshing of Floral Waters."

☞ As there are worthless counterfeits buyers should always ask for the Florida Water prepared by Lanman & Kemp, N. Y.

A MEDICINE

for our mothers, wives and sisters. A highly respectable lady of Stockton, Cal., says: "My strength was exhausted, stomach enfeebled, and fast settling into dyspepsia, afflicted with intense pain, inability to walk, lowness of spirits, and no enjoyment in life. I used Bristol's Sarsaparilla as directed in the almanac, and experienced a complete cure."

CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarrhœa, which always precedes an attack of the Cholera, take a teaspoonful of Pain Killer in sugar and water, (hot if convenient,) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhœa or cramps continue repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as a remedy, has no equal. In cases of Cholera, Summer Complaints, Dyspepsia, Dysentery, Asthma it cures in one night by taking it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache don't fail to try it. In short, it is a PAIN KILLER.

Directions accompany each bottle.

The Pain Killer is sold by all dealers in Medicines.

Prices, 25 cents, 50 cents and $1 per bottle

Trust what Time has Sanctioned.

The maxim that the voice of the people is the voice of the divinity, may in some cases be open to doubt, but the testimony of honest and enlightened witnesses extending through a series of years, and all to the same purport is worthy of credence, admits of no question. Upon such testimony the reputation of Hostetter's Stomach Bitters as an antidote and cure for many ailments is based. During the 20 years that it has been before the world, innumerable preparations intended to compete with it, have gone up like rockets, come down the extinguished sticks Meanwhile the progress of that incomparable tonic has been swift and steady—always upward and onward like the eagle's flight. Its introduction produced a revolution in therapeutics, and it proved to be one of those salutary revolutions that can not go backwards. To-day Hostetter's Bitters is one the most popular remedies in christendom, and commands a larger sale than any other medical preparation, domestic or imported, on this side of the Atlantic. As a cure for dyspepsia, bilious disorders, nervous affections, general debility, and as a preventive of epidemic fevers, it takes precedence of every other remedy. This fact should teach the ambitious country dealers who endeavor to foist their local abortions on the public in its stead, how futile their small attempts to cajole the community must necessarily be. When the game fish have failed there is no chance for the suckers.

The Great Medical Discovery!

Dr. WALKER'S CALIFORNIA

VINEGAR BITTERS,

Hundreds of Thousands

Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or the turn of life, these Tonic Bitters have no equal. ☞ Send for a circular.

They are a Gentle Purgative as well as a Tonic, possessing the peculiar merit of acting as powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

THEY ARE NOT A VILE

FANCY DRINK,

Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these **Bitters** have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the **Digestive Organs.**

DYSPEPSIA OR INDIGESTION.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
