Dr. J. P. van Den Bergh, From Prussia, the Great Worm Exterminator!

[Office Chemeketa Hotel, Salem, Oregon—Rooms 9 & 22.]

Late of San Francisco, Cal. would inform the sick generally, that about forty years' extensive practice of medicine and surgery in Europe and the United States, has by close observation and great experiments, come to the conclusion that there are more acute and chronic diseases caused by worms, hydatids, animalcules or other species of entozoa. The public generally, or the profession at large, are not aware of the number of patients who are treated by eminent physicians for this, that, or such a complaint without any relief. If the disease has been understood, a few doses of Dr. V.'s Soregiva Worm Remedy would have immediately cured the complaint, and have saved a great many lives. Dr. V. has collected a large variety of California roots and herbs, which, by analyzing, close observation and extensive experiments, he can conscientiously say that he has discovered new remedies for successful cure for the following diseases:

Dyspepsia, Chronic affections of the Liver and Kidneys, first and second stages of Consumption, White Swelling of the Spleen, torrhoea or local weakness, Nervous Debility, Epileptic Fits, Rheumatism, Neuralgia, Diarrhoea, Incontinence of Urine, Gravel, Fluor Albus, Diabetes, Dropsy, and all those diseases which are known under the name of Venereal, such as Syphilis, in all its forms, Gonorrhoea, Gleet, Stricture, False Passages, Inflammation of the Bladder and Prostate Glands, Excoriations, Pustules, Piles, Phlegms, Blisters, and all Cutaneous Eruptions of the skin. Cancers, Tumors cured with or without operation. In recent Venereal Diseases, the Dr. effects a Cure in 3 to 6 days or no charge.

For the Eye, Ear and Throat, Dr. V. possesses new and invaluable remedies. Dr. V. would advise those ladies troubled with irregularities of the Uterus to try his new remedies and get cured.

Dr. van Den Bergh's Infallible Worm Syrup for children, Price \$1. Warranted to expel the worms, or the money refunded.

Dr. J. P. van Den Bergh's Hair Tonic—a sure cure to destroy all animalcules of the Hair Follicles, prevent falling out, and promoting the growth of the Hair. Price \$1.50, Warranted.

By consulting and undergoing a simple examination, the afflicted can learn if their disease is caused by Worms, Phlegms, or any of the above. Dr. van Den Bergh can tell them from what disease they are suffering.

Consultations and examinations FREE of charge in all cases. Dr. van Den Bergh guarantees, in all cases, to expel the worms, and cure all diseases he undertakes, or no charge.

Card from Judge Frier, of Polk County. Dr. J. P. van Den Bergh—Dear Sir: I take pleasure in thanking you publicly for the restoration of my health after nineteen years of great suffering mentally and bodily. I doctored a great deal; was afflicted with almost every imaginable pain and despair of seeing a well day again. When I came to see you at Salem, you said you would remove the cause of nineteen years' suffering in five hours. I could hardly believe it, but after taking of the five tablets you gave me, about 900 worms passed from me, and, fourteen days afterwards, I feel like another man, and am able to follow my business without pain or inconvenience. A. H. FRIER.

Refined, Polk Co. Oct. 10th, 1871. 1,500 Worms Expelled. After 7 years of suffering, pain and debility, and doctoring for many complaints, now proved that I had not been taking different kinds of medicine from many eminent physicians; I gave up in despair, thinking it was no use to do my poor stomach any longer, and that I was nothing but a poor man. But hearing of the astonishing cures of Dr. J. P. van Den Bergh has performed in so short a time, effecting cures in a few hours, and my friends advising me to make one more effort, I consulted Dr. van Den Bergh, and he told me my miseries were caused by worms, and he would expel them in about five hours. After taking five small powders, 1,500 worms passed away from me, and I am happy to say I am better than I have been for a good while. P. R. EVES. Subscribed and sworn to before me this 18th day of September, 1871. J. J. MURPHY, J. P.

REMARKABLE! Eight Hundred Worms Expelled! I think it a public benefit to make the following statement, that I have been afflicted for two years with constant pains in the stomach, and in fact, pains all over my body; no appetite, and let me say what I want, it was not put me to distress. No medicine would relieve me and I grew worse and worse until now I am a mere skeleton. Nobody could tell me what was the matter with me, until I consulted Dr. J. P. van Den Bergh, in Salem, Oregon, and he told me I was afflicted with worms, and they were the cause of all my misery and pain. I took the Doctor's medicine, and he expelled 800 worms from me. They are the largest worms, with long tails, and measure from one to one and one-half inches in length. Only took six little powders, and they brought the worms in four hours time. All those afflicted wishing to see me can find me at Sam Roder's stable, Salem Oregon. V. CRAIG.

Subscribed and sworn to before me this 7th day of Sept. 1871. J. J. MURPHY, J. P. Said worms can be seen at Dr. J. P. van Den Bergh's office, Chemeketa Hotel, Salem.

A CARD. Dr. J. P. van Den Bergh—Dear Sir: I deem it my duty to make the following statement: For the last three years I have been suffering with constant gnawing pain and a quivering sensation in my stomach, also pain in my chest and heart, my food would not digest and I was so nervous that with difficulty I could follow my occupation, which has been here in Salem for the past ten years, as a practical dentist. In fact from the constant pain and misery I had wasted away to a mere skeleton. I had been doctoring a great deal without any benefit, and believing there was no help for me but to linger on until death would relieve all my suffering. Some of my friends thought I had worms, and had better see Dr. van Den Bergh. He told me at once that the worms were the cause of all my troubles, so he gave me 5 small and tasteless powders, and in 4 hours about 700 worms, from one inch to one and one half inches long, came away from me that day, and the following night some more came, and now I am happy to say I feel like another man again, and am gaining strength from day to day. H. SMITH, M. D. Salem, Oregon, Sept. 25th, 1871.

Another Great Slaughter! We think it our duty to make the following statement in hopes it may do some good to sick children: Our child had been sick for some time. Thinking all the time our little one was troubled with worms we tried many doctors and a great many remedies without any relief. Some neighbors told us we should go and try Dr. van Den Bergh, the worm doctor in Salem. We did so and he gave us one bottle of his celebrated Worm Syrup, and after giving the medicine to our great astonishment about 800 worms passed away from our dear child, and now, thank heaven she is well again. I. D. GRIZZLE. Salem, Oregon, Oct. 2d, 1871.

Keep the Blood pure and the health of the system will follow.
