The aristocrats and a great portion of the middle class of England entertain a deadly hostility toward Republican institutions.

A man, more aged than sedate, sold some New Yorkers the other day by saying that he would give a thousand dollars for the privilege of hearing a certain opera, and when he was offered tickets without number, he explained that he was stone deaf.

Facts and Fancies.

Ruff work—Making lace collars. How to get a long well—Dig it deep. Labor in vein—Working in a coal mine.

Autumn hues—Cutting wood for winter. Half and half measures—Pewter pots. Saturn is the celestial "Boss" of the ring.

Fee simple—Money given to a quack doctor. Protested bills—Posters on forbidden walls.

Railroad sleepers—The night patrons of palace cars. What nation produces the most marriages?—Fascination.

Hint to mothers—Treat your baby kindly but not cordially. People do not die often in healthy Scotch villages—Only once.

It is very strange that neat spirits should lead anyone into untidy habits. A noted batchelor has fallen into the meshes of a net—It is a brunette.

Evergreens—Merchants who expect to make money without advertising. Is a duelist a paradox because his first consideration is for his second?

Does a cow's tail resemble a swan's breast?—Yes; for they both grow down. It is a noteworthy fact that upon kicking the bucket most people get a little pale.

All the fires in all the cooking stoves in the country are as nothing compared with the fire now raging in the California Coast range. Mr. Seward's refusal of the king of Siam's present was a polite intimation that he was abroad merely to see the elephant, not to accept one.

Dr. J. P. van Den Bergh,

From Prussia, the Great Worm Exterminator! [Office Chemeketa Hotel, Salem, Oregon—Rooms 9 & 22.]

Late of San Francisco, Cal. would inform the sick generally, that about forty years' extensive practice of medicine and surgery in Europe and the United States of which twenty-one have been in California, has been by close observation and great experiments, come to the conclusion that there are more acute and chronic diseases caused by worms, haydroids, animalcules or other species of entozoa.

The public generally, or the profession at large, are not aware of the number of patients who are treated by eminent physicians for this, that, or such a complaint without any relief. It is a disease that there are more acute and chronic diseases caused by worms, haydroids, animalcules or other species of entozoa.

Dr. V.'s Sovereign Worm Remedy would have immediately cured the complaint, and have saved a great many lives. Dr. V. has collected a large variety of California roots and herbs, which, by analyzing, close observation and extensive experiments, he can conscientiously say that he has discovered new remedies for successful cure for the following diseases:

Dyspepsia, Chronic affections of the Liver and Kidneys, first and second stages of Consumption, White Swelling, Palsy, Spematorrhoea or local weakness, Nervous Debility, Epileptic Fits, Rheumatism, Neuralgia, Diarrhoea, Incontinence of Urine, Gravel, Flatulency, Diabetes, Dropsy, and all those diseases which are known under the name of Venereal, such as Syphilis, in all its forms, Gonorrhoea, Gleet, Strictures, False Passages, Inflammation of the Bladder and Prostate Glands, Excoriations, Pustules, Piles, Pimples, Blisters, and all Cutaneous Eruptions of the skin.

Dr. V. would advise those ladies troubled with irregularities of the Uterus to try his new remedies, and get cured. Dr. V. has collected a large variety of California roots and herbs, which, by analyzing, close observation and extensive experiments, he can conscientiously say that he has discovered new remedies for successful cure for the following diseases:

Card from Judge Frier, of Polk County. Dr. J. P. van Den Bergh—Dear Sir: I take pleasure in thanking you publicly for the restoration of my health after nineteen years of great suffering mentally and bodily.

After 7 years of suffering, pain and debility, and doctoring for many complaints, now proved that I did not have, and taking different kinds of medicine, from the most eminent physicians, I gave up in despair, thinking it was no use, and my poor stomach any longer, and that I must waste and waste away until there was nothing left of poor me. But hearing of the astonishing cures of Dr. J. P. van Den Bergh has performed in so short a time, effecting cures in a few hours, and my friends all wishing me to make one more effort, I consulted Dr. van Den Bergh, and he told me my miseries were caused by worms and he would expel them in about five hours.

The evidence of this fact is found in the variety of most obstinate diseases which it has been found to conquer. In the cure of Bronchitis, Severe Coughs, and the early stages of Consumption, it has astonished the medical faculty, and hundreds of the best physicians pronounce it the greatest medical discovery of the age.

While it cures the severest Coughs, it strengthens the system and purifies the blood. By its great and thorough blood purifying properties it cures all Humors from the worst Scrofula to a common Blotch, Pimple or Eruption, Mercurial Diseases, Mineral poisons, Syphilis and Venereal Diseases, and their effects are eradicated and vigorous health and a sound constitution established. Erysipelas, Salt Rheum, Scald Head, Fever Sores, Sorely or Rough Skin, in short all the numerous diseases caused by bad blood, are conquered by this powerful, purifying and invigorating medicine.

For Liver Complaints, Bilious Disorders and Habitual Constipation, it has produced hundreds of perfect and permanent cures where other medicine had failed.
