The Oregon Republican.

DALLAS, SATURDAY, JAN 20.

FOR THE OREGON REPUBLICAN.

Tribute.—To My Friend Albert O. Yates. On the loss of His Betrothed.

BY N. D. C********.

Betrothed to thy loved one,
Betrothed, till thy pride,
Affection, unerring won
The loved to thy side.

Returned as answered prayer;
Increasing it tenfold;
Affection exchanging where
Love readeth love's soul.

Unbound are the heart's thrills,
In weal or in woe,
Affection, unbinding, will
Unloose at life's flow.

The promise is honored,
But Death sadly parts;
Affection, avenging hoards
The treasures of heart.

Betrothal's bright record,
Somehow preclude grief;
Affection, recording words
On happy life's-book leaf.

Be patient, *you* that weep;
The tomb is a sign;
Affection, triumphant greets,
Exultant on high,

Sunday Reading.

Well begun, half done.

He that lives to learn may learn to live.

Fair dealing is the bond and cement of society.

Pleasure is precarious, but virtue is immortal.

A quiet conscience sleeps during thunder.

An hour in the morning is worth two in the afternoon.

The virtue that parleys is near a surrender.

Use your wit as a buckler rather than a sword.

Nothing begets confidence sooner than punctuality.

Seek to become wiser, that you may become better.

All things are soon prepared in a well-ordered house.

However little we may have to do, let us do that little well.

Evil men speak as they wish, rather than what they know.

He that would enjoy the fruits must not gather the flower.

The best way to condemn bad traits, is to practice good ones.

Love is a weapon that will conquer men when all others fail.

A life of full and constant employment is the only happy one.

A passionate man scourgeth himself with his own scorpions.

Never open the door to a little vice, lest a great one should enter.

The reproaches of a friend should be strictly just and not too frequent.

The world is a workshop; none but the wise know how to use its tools.

It is easier to suppress the first desire than to satisfy all that follow it.

Early religion lays the foundation of happiness both in time and eternity.

No one can pursue solid learning and frivolous pleasure at the same time.

Praise not the vain child if you desire his spiritual well being or progress.

The rose its thorns, the diamond its flaws, and the best man his failings.

Those are never likely to come to good who are undutiful to their parents.

Few boys are born with talents that excel, but all are capable of living well.

Act uprightly and fearlessly, as you would defy the devil and all his works

There is no joy like that which springs from a kind act or a pleasant word.

The rude make enemies of their fellow-men; the deceptive make angels weep.

Say a kind word to the self distrustful, if you would help him on his way upward.

No tyrant ever held long sway over a virtuous, law-loving, God-fearing people.

There cannot be a greater treachery than first to raise a confidence, and then betray it.

Whoever hates his brother or sister, is a murderer; for he will be one if he have a chance,

The chance sayings of a child actually teach, though indirectly, because they suggest much.

Which has the most power to make a home miserable, the passionate, the peevish or the sullen man?

The ideas which grow up within us from suggestion, do us more good than those more directly communicated to our minds.

In the still night the air is filled with sounds for the wakeful ear that is resolved that there is something to be seen.

Grieve if you find you have let pass an opportunity of doing the smallest kindness; it might have been the occasion of doing much good.

Young persons have need of a strong rein; they are sometimes hard to be ruled, easy to be drawn aside, and apt to be deceived.

Facts and Fancies.

Clerical loans—Lent sermons.

Cheap brilliants are "dime uns."

Popular diet in Utah—Spare rib.

Unredeemable bonds—Vagabonds.

Stump speech—Uttering a challenge.

The "new cut"—The Suez Canal.

Corn exchange—The chiropodist's fee.

A mental morsel—A bit of one's mind.

The father of the cereals—"pop" corn.

The forests are in danger when the wood chops.

How old is a ship when she is at her anchorage?

The only persons who really enjoy bad health are the doctors.

Why is a sweet scent like a blind alley? Because it is a nose treat (no street.)

Can an "unvarnished tale" in any way be regarded as a polished production?

"A backward spring" is produced by presenting a red hot poker to a man's nose.

Rumor iz a vagrant without a home, and lives upon what it kan pick up.—*Billings*.

Laws, like sausages, ceases to inspire respect in proportion as we know how they are made.

Sum folks, as they gro older, gro wiser; but most folks simply gro stubborner.—*Josh Billings*.

Consistency—asking a bleesing before meat, and abusing the victuals through the entire meal.

An Indiana man has just shot himself after three weeks of marriage. He could not stand grief.

As every rib serves as a brace, we do not see how there are so many bachelors in the world.

"Scrambled hair is the latest fashion." It has long been a concomitant of boardinghouse omelettes,

"What is home without a mother?" as the young lady said when she sent the old lady to chop wood.

"Why is the earth like a blackboard?" Because the children of men multiply upon the face of it.

Stars are clearly the best astronomers, because they have studded the heavens since the creation.

Altho the world is chunk full of liars, thare is but a few men who don't prefer to listen tew the truth.

An innocent writer informs us that mankind embraces woman. He would be a funny kind of man who did not.

"Darling it's bed time. All the little chickens have gone to bed." "Yes, mamma, so has the old hen."

A Mr. Pikkleton was recently married at the Walnut street church, in Philadelphia, to a Miss Julia Sardine.

When a woman tries to catch a rich man, it is evident that she cares less about husbanding him than his cash.

The meanest man in Kentucky is the one who recently sold at auction the personal effects of his deceased wife.

People of Wyoming don't know whether to call their female judge a justicess of the peace or a justice of the peacess.

Nature has never been called unmodest, yet no sooner does Old Winter walk through her forests than she shows her naked limbs.

Whenever you see a vain person continually talking about himself, you may make up your mind that he has not much to talk about.

Fame is of great service in introducing a man into society, for as soon as he is known to Fame every one is desirous of making his acquaintance.

Nature's sun rises in the morning and goes to rest at nightfall. Many of the rising sons of the present day get up at noon and retire at daybreak.

It has been said that there is no one so happy as a maiden in her teens. We have seen many old soldiers who were fully as happy in their canteens.

Many fops wear officers' uniforms with the intention of pleasing the fair sex. They seem to think that if they can only look like soldiers the ladies will deem them killing creatures.

THE SCOLDS VOCABULARY.—The copiousness of the English language perhaps was never more apparent than in the following character, by a lady of her husband:

"He is" she says "an abhorred, barbarous, capricious, detestable, envious, hard-hearted, illiberal, ill-natured, jealous, keen, loathsome, malevolent, nauseous, obstinate, passionate, quarrelsome, vexatious, abominable, bitter, captious, disagreeable, execrable, fierce, gross, hasty, malicious, nefarious, obstreperous peevish, restless, savage, tart, unpleasant, violent, warpish, worrying, acrimonious, blustering, careless, discontented, fretful, growling, hateful, inattentive, malignant, noisy, odious, perverse, rigid, severe, teasing, unsuitable, boisterous, angry, choleric, disgusting, offensive, sneaking, awkward, boorish, brutal, crabbed, churlish, outrageous, stupid, sulky, sullen, treacherous, tyrannical, virulent, yelping dog in a manger."

The originator of this wonderful medicine claims to have discovered and *combined in harmony* more of *Nature's most sovereign medical properties* than was ever before combined in one medicine. The evidence of this fact is found in the variety of most obstinate diseases which it has been found to conquer. In the cure of *Bronchitis, Severe Coughs*, and the early stages of *Consumption*, it has astonished the medical faculty, and hundreds of the best physicians pronounce it *the greatest medical discovery of the age*. While it cures the severest Coughs, it strengthens the system and purifies the blood. By its *great* and *thorough blood purifying properties* it *cures all Humors* from the worst *scrofula* to a common *Blotch Pimple or Eruption*. Mercurial Diseases, Mineral poisons, Syphilitic and Venerial Diseases, and their effects are eradicated and vigorous *health* and a *sound constitution* established. *Erysipelas, Salt Rheum, Scald Head, Fever Sores, Scaly or Rough Skin*, in short all the numerous diseases caused by *bad blood*, are conquered by this powerful, purifying and invigorating medicine. For "*Liver Complaint*," *Bilious Disorders* and *Habitual Constipation*, it has produced hundreds of perfect and permanent cures where other medicine had failed.

The proprietor offers $100 reward for a medicine that will equal it in the cure of the diseases for which it is recommended. Beware of *counfeits* and *worthless imitation*. See that my Government Stamp, which is a *positive guarantee of genuineness*, is upon the outside wrapper. This medicine is *Sold by Druggists at one dollar per bottle*. Prepared by R. V. PIERCE M. D., sole Proprietor, at his chemical Laboratory, 133 Seneca street, Buffalo, N. Y. June 3d, 13-3m.

The standard remedy for **Coughs, Influenza, Sore Throat, Whooping Cough, Croup, Liver Complaint, Bronchitis, Bleeding of the Lungs, and every affection of the Throat, Lungs and Chest, including Consumption.**

Wistar's Balsam does not dry up a Cough, but loosens it, cleanses the Lungs, allays irritation, thus removing the cause of the complaint. None genuine unless signed I. BUTTS. Prepared by SETH W. FOWLE & SON, Boston. Sold by REDDINGTON, HOSTETTER & CO., San Francisco, and by dealers generally. 16-1y

Dr. J. P. P. van Den Bergh,

From Prussia, the Great

Worm Exterminator!

[Office Chemeketa Hotel, Salem, Oregon—Rooms 9 & 22.]

Late of San Francisco, Cal. would inform the sick generally, that about forty years' extensive practice of medicine and surgery in Europe and the United States of which twenty-one have been in California, has by close observation and great experiments, come to the conclusion that there are more acute and chronic diseases caused by worms, haydadids, animalculæ or other species of entrozoa. The public genarally, or the profession at large, are not aware of the number of patients who are treated by eminent physicians for this, that, or such a complaint without any relief. If the disease has been understood, a few doses of Dr. V's *Sovereign Worm Remedy* would have immediately cured the complaint, and have saved a great many lives. Dr. V. has collected a large variety of California roots and herbs, which, by analyzing, close observation and extensive experiments, he can conscientiously say that he has discovered new remedies for successful cure for the following diseases:

☞ Dyspepsia, Chronic affections of the Liver and Kidneys, first and second stages of Consumption, White Swelling, Palsy, Spermatorrhœa or local weakness, Nervous Debility, Epileptic Fits, Rheumatism, Neuralgia, Diarrhœa, Incontinence of Urine, Gravel, Flour Albus, Diabetes, Dropsy, and all those diseases which are known under the name of Venereal, such as Syphilis, in all its forms, Gonorrhœa, Gleet, Strictures, False Passages, Inflammation of the Bladder and Prostrate Glands, Excoriations, Pustules, Piles, Pimples, Blotches, and all Cutaneous Eruptions of the skin. Cancers Tumors cured with or without operation. In recent Venereal Diseases, the Dr. effects a Cure in 3 to 6 days or no charge.

For the Eye, Ear and Throat, Dr. V. possesses new and invaluable remedies.

Dr. V. would advise those ladies troubled with irregularities of the Uterus to try his new remedies and get cured.

Dr. van Den Bergh's Infalliable Worm Syrup for children. Price, $1 Warranted to expel the worms, or the money refunded.

Dr. J. P. P. van Den Bergh's Hair Tonic—a sure cure to destroy all animalculæ of the Hair Follicles, prevent falling out, and promoting the Growth of the Hair. Price $1 50, Warranted.

By consulting and undergoing a simple examination, the afflicted can learn if their disease is caused by Worms or not; at all events Dr. van Den Bergh can tell them from what disease they are suffering.

Consultations and examinations FREE of charges in all cases. Dr. van Den Bergh guarantees, in all cases, to expel the worm, and Cure all diseases he undertakes, or no charge.

Card from Judge Frier, of Polk County.

DR. J. P. P. VAN DAN BERGH—*Dear Sir:* I take pleasure in thanking you publicly for the restoration of my health after nineteen years of great suffering mentally and bodily. I doctored a great deal; was afflicted with almost every imaginable pain and despaired of seeing a well day again. When I came to see you at Salem, you said you would remove the cause of nineteen years' suffering in five hours. I could hardly believe it, but after taking the five tasteless powders you gave me, about 900 worms passed from me, and now, fourteen days afterwards, I feel like another man, and am able to follow my business without pain or inconvenience. A. H. FRIER.

Bethel, Polk Co. Oct. 10th, 1871.

1,500 Worms Expelled.

After 7 years of suffering, pain and debility and doctoring for many complaints, now proved that I did not have, and taking different kinds of medicine from many eminent physicians, I gave up in despair, thinking it was no use to drench my poor stomach any longer, and that I must waste and waste away until there was nothing left of poor me. But hearing of the astonishing cures of Dr. J. P. P. van Den Bergh has performed in so short a time, effecting cures in a few hours, and my friends advising me to make one more effort, I consulted Dr. van Den Bergh, and he told me my miseries were caused by worms and he would expel them in about five hours. After taking five small powders, 1,500 worms passed away from me, and I am happy to say I am better than I have been for a good while. P. R. EVES.

Subscribed and sworn to before me this 18th day of September, 1871.

J. J. MURPHY, J. P.

REMARKABLE!

Eight Hundred Worms Expelled!

I think it a public benefit to make the following statement, that I have been afflicted for two years with constant pains in the stomach, and in fact, pains all over my body; no appetite, and let me eat what I would it always put me in distress. No medicine would relieve me and I grew worse and worse until now I am a mere skeleton. Nobody could tell me what was the matter with me, until I consulted Dr. J. P. P. Van Den Bergh, in Salem, Oregon, and he told me I was afflicted with worms, and they were the cause of all my misery and pains. I took the Doctor's medicine, and he expelled 800 worms from me. They are like Leaches, with long tails, and measure from one to one and one-half inches in length. I only took six little powders, and they brought the worms in four hours time. All those afflicted wishing to see me can find me at Sam Renlet's stable, Salem Oregon.

V. CRAIG.

Subscribed and sworn to before me this 7th day of Sept. 1871. J. J. MURPHY, J. P.

Said worms can be seen at Dr. J. P. P. Van Den Bergh's office, Chemeketa Hotel, Salem.

A CARD.

DR. J. P. P. VAN DEN BERGH—*Dear Sir:* I deem it my duty to make the following statement: For the last three years I have been suffering with constant gnawing pain and a quivering sensation in my stomach, also pain in my chest and heart, my food would not digest and I was so nervous that with difficulty I could follow my occupation, which has been here in Salem for the past ten years, as a practical dentist. In fact from the constant pain and misery I had wasted away to a mere skeleton. I had been doctoring a great deal without any benefit, and believing there was no help for me but to linger on until death would relieve all my suffering. Some of my friends thought I had worms and had better see Dr. Van Den Bergh. He told me at once that worms were the cause of all my troubles, so he gave me 5 small and tasteless powders and in 4 hours about 700 worms, from one inch to one and one half inches long, came away from me that day, and the following night some more came, and now I am happy to say I feel like another man again, and am gaining strength from day to day. H. SMITH, M. D.

Salem, Oregon, Sept. 23d, 1871.

Another Great Slaughter!

We think it our duty to make the follrwing statement in hopes it may do some good to sick children: Our child had been sick for some time. Thinking all the time our little one was troubled with worms we tried many doctors and a great many remedies without any relief. Some neighbors told us we should go and try Dr. Van Den Bergh, the worm doctor in Salem. We did so and he gave us one botttle of his celebrated Worm Syrup, and after giving the medicine, to our great astonishment about 800 worms passed away from our dear child, and now, thank heaven she is well again.

Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
