The Oregon Republican.

DALLAS, SATURDAY, MAR. 16.

A CHURCH-GOING BELLE.

A dainty little bonnet,
The sweetest marabout,
A sea of tawny wavelets,
O'er forehead white as snow:
A brace of sparkling sapphires,
Two cheeks of rosy dye,
A pair of lips of ruby,
And a fascinating sigh.
Think'st thou she goes to worship?
Ah! it's difficult to tell,
But it's plain both saints and sinners
Worship that Sabbath belle.

A tightly-fitting boddice,
Costume all brocaded,
Short petticoat with flounces,
In endless colors braided.
Enameled shoes and buckles,
Such as the Frenchmen vend,
With, lofty taper heel-taps,
To give a grecian bend.
Think'st thou it's for God's glory,
She dresses out so well?
Or does she want some saint or sinner
To love the Sabbah belle?

Sunday Reading.

The body of a sensualist is the coffin of a dead soul.

To speak to the purpose, one must speak with a purpose.

Dishonesty is the forsaking of permanent for temporary advantages.

Worship your heroes from afar; contact withers them.

Zene asked the oracle how he should live, and was told to inquire of the dead.

The more a man denies himself the more he shall obtain from God.

A woman who has never been pretty, has never been young.

No sword is too short for a brave man. He has only to advance to make it broad enough.

He who would write heroic poems should make his whole life an heroic poem.

I will listen to any one's convictions, but pray keep your donbts to yourself. I have plenty of my own.—*Geothe.*

Unmarried men and women may be divided into two great classes—the suffering million, and uncomfortable ten.

False friends are like our shadows, keeping close to us while we walk in the sunshine, but leaving us the instant we cross into the shade.

It is because we are dissatisfied with ourselves that we are so anxious to have others think well of us, and were we conscious of meriting their good, we would care less for their ill opinions.

The highest excellence is seldom attained in more than one vocation. The roads leading to distinction in separate pursuits diverge, and the nearer we approach the one, the farther we recede from the other.

The teacher who does nothing but teach is not fit to teach. The preacher who does nothing but preach is not fit to preach. The man who does any one thing and nothing else is not fit to do that one thing.

Worship God in the "beauty of holiness," and let thy soul delight itself in Jesus. Drink long and deep from the Fountain of Love and satisfy the thirst of thy soul. Feed richly on the heavenly manna, till thou hunger no more. let thy joy be full, for so is the will of thy Master.

Much praying is not asking. For example, there is praying without asking when the mouth speaks, but not the mind, when words flow; and wishes do not follow, when sentences glide forth, but no soul gushes. How much of such praying by the idolators of the distant East, who employ, as missionaries tell, machines driven by hand, water or wind, to grind out continually petitions.

M. Lamennias is reported to have uttered the following weighty words just before his death. "There is nothing fruitful but sacrifice. Some will say this is a hard saying; who can hear it? Yet the fact remains that for eighteen hundred years during which the Christians have professed to believe in the cross, nothing really elevated, beautiful or good, has been done upon the earth except at the cost of suffering and self-abnegation:"

Rejoice in God. Dry up those tears—cast away that downcast look. Child of the dust, you are an heir of glory. There is a crown all burnished for you, there is eternal glory for you; angels are to be your servants and you are to reign with the King of Kings forever. But while you wait on earth to be witnesses for God, attest the glory of your Master, rise in the greatness of his strength, bind sin captive to your chariot wheels; go onward to your heavenly career.

We love trees most in all their pomp and plentitude. Not for their names and affinities; not for their secret physiology and as a material for science; not for any reason that we can give, except that when we are with them we are happy. The eye is full, the ear is full, the whole sense and all the tastes solaced; and our whole nature rejoices with that various and full happiness which one has when the soul is suspended in the midst of Beethoven's symphonies, and is lifted hither and thither, as if blown by sweet sounds through the airy passages of a full heavenly dream.—*Beecher.*

PLANTATION
Bitters.
S. T.—1860—X.

THIS WONDERFUL VEGETABLE RESTORATIVE is the sheet anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachics. As a remedy for the nervous weakness to which women are especially subject, it is superceping every other stimulant. In all climates, tropical, temperate or frigid, it is a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirits.

LYON'S
Kathairon,

For Preserving and Beautifying the Human Hair. To Prevent its Falling Out and Turning Gray.

A well-preserved Head of Hair, in a person of middle age, at once bespeaks refinement, elegance, health and beauty. It may truly be called Woman's Crowning Glory, while men are not insensible to its advantages and charms. Few things are more disgusting than thin, frizzly, harsh, untamed Hair, with head and coat covered with Dandruff. Visit a barber and you feel and look like a new man. This is what **LYON'S KATHAIRON** will do all the time. The charm which lies in well placed Hair, Glossy Curls, Luxuriant Tresses; and a Clean Head, is noticeable and irresistible.

The Great Medical Discovery!
Dr. WALKER'S CALIFORNIA
VINEGAR BITTERS,
Hundreds of Thousands
Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal. ☞ Send for a circular.

They are a Gentle Purgative as well as a Tonic, possessing also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

THEY ARE NOT A VILE
FANCY DRINK,

Made of **Poor Rum, Whiskey, Proof Spirits and Refuse Liquors** doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, **free from all Alcoholic Stimulants.** They are the **GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE** a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to direction and remain long unwell.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. **Such Diseases** are caused by **Vitiated Blood,** which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION.
Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They Invigorate the Stomach and stimulate the torpid Liver and bowels, which renders them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scald-Head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative effects.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.

PIN, TAPE and other **WORMS**, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
