My soul with its magical strain. "Tis cool and the daylight waneth, The Rhine so peacefully flows; And, kissed by the sunbeam of even, The brow of the mountain glows.

The fairest of the maidens sitteth In wondrous radiance there; Her jewels of gold gleam brightly,

She combeth her golden hair. With a golden comb she combs it, And sings so plaintively; O, potent and strange are the accents Of that wild melody.

Me thinks the waves will swallow Both boat and boatman anon; And this with her sweet singing, Their Lore-lei hath done.
