The Liberal Republican.

DALLAS, SATURDAY, SEPT. 21

REASONS FOR VOTING FOR GREELEY.

1. Because we want a change of Administration and we see no other way to get it.

2. Because he received the unanimous nomination of the regular, well qualified representatives of the Democratic party.

3. Because he is more intelligent, and quite as honest as Grant. On the score of honesty, the radicals cannot justly claim any superiority for their candidate.

4. Because he has some heart, and feels for the sufferings of his fellowman whereas Grant is a selfish, cold-blooded man, without such a heart.

5. Because Greeley has pledged himself to a course of action in harmony with the principles of the Democratic party, and in no other way than by his election can the people now hope to see them once more in the ascendant.

6. Because Grant and the party who handle him—or whom he handles—it makes little difference which have shown, unmistakably that they do not intend to allow our Southern brethern to be free men, or the Southern States to have any real sovereignty or any rights such as States should possess.

7. Because Grant and his men forming the Grant Government, have exhibited before the whole world the meanest spirit ever shown by a great Government. They cannot disgrace the American people, but they have disgraced themselves, and lowered our people's government in the estimation of fair men among all nations.

8. Because Grant, and his tools, as unscrupulous as himself, have sent hordes of Radical thieves into the homes of our Southern brothers and robbed them of their pittance left by the war and involved them in vast debts in the most barefaced and outrageous manner.

9. Because Grant and his men have no respect for the people, North or South; caring for only what they can make off of them; whereas Greeley is himself one of the working men, and alive to their feelings and both kind and considerate.

10. Because the best men among the Radical leaders, who know Grant have pronounced him unfit to be the ruler of a free people.

11. Because he makes self and his own personal greed and gratification primary and the affairs of the Government a mere plaything, and entirely secondary.

12. Because he appoints men to public office who are unfit and dishonest, knowing them to be so; and retains them, to the serious injury of the people's pockets.

13. Because Grant's "policies" have been simply ridiculous. He came into office with the public declaration that he had "no policy" whereas his whole career from beginning to end has been a succession of Grant politics.

14. Because his San Domingo policy is not dead, but sleeping; and in case of his re-election it will be put through by his tools as surely as the sun shines, and it is notorious that it is a wicked scheme—nothing more than a corrupt and most dangerous Grant job.

15. Because Greeley nominated as he has been, and supported as he will be, by the well disposed men of the United States, will naturally rally around him the best men, and secure an honest administration of the Government.

16. Because we can stand an honest administration.

17. Because although Greeley as an editor, has, through a long political life, opposed many of the principles of the Democratic party, our nominating Convention has satisfied itself that he is now ready to harmonize with them upon great measures, vital to our country's prosperity, and the existence of free Government.

18. Because we have ever since the war condemned the policy inaugurated by the dominant Radical party as inimical to the true interests of the Southern States, whilst Grant not only supports it but aggravates it by his military tyranny over them.

29 Because Greeley condemns this tyrannical and wicked course, and stands ready to discard it from our Government as a dark modern civilization.

20. Because there is nothing whatever, no policy and no act of our Government more important, more fraught with high consequences in the immediate and distant future than the real fraternization of the North and the South.

21. Because such fraternization under the rule of Grant and his men is an impossibility; while under the actions of Democratical principles it will be a certainty, speedily realized.

22. Because, if these or any of these reasons are to be regarded as praise of our old political enemy, we can afford to let it so stand, when brought, to the square choice between Greeley and Grant. "Look on this picture and on this."

CINCINNATI BALTIMORE PLATFORM.

1. We recognize the equality of all men before the law, and hold that it is the duty of the government in its dealings with the people to mete out equal and exact justice to all, of whatever nationality, race, color or persuasion, religious or political.

2. We pledge ourselves to maintain the union of the States, emancipation and enfranchisement, and to oppose any reopening of the questions settled by the 13th, 14th and 15th amendments.

3. We demand the immediate and absolute removal of all disabilities imposed on account of the rebellion which was fully subdued seven years ago, believing that universal amnesty will result in a complete pacification of all sections of the country.

4. Local self-government with impartial suffrage will guard the rights of all citizens more securely than any centralized power. The public welfare requires this supremacy of the civil over the military power, and freedom of person under the protection of the *habeas corpus*. We demand for individuals the largest liberties consistent with public order; for States, self government, and for the nation, a return to the methods of peace and the constitutional limitation of power.

5. The civil service of the Government has become a mere instrument of partisan tyranny, and personal ambition, and an object of selfishness. It is a scandal and a reproach upon free institutions, and breathes a demoralization dangerous to the perpetuity of a Republican Government. We therefore regard a thorough reform of the civil service as one of the most pressing necessities of the hour; that honesty capacity and fidelity constitute the only valid claim to public employment; that the offices of the government cease to be a matter of arbitrary favoritism and patronage and that a public station may again become a post of honor, and it is imperatively required that no President shall be a candidate for re-election.

6. We demand a system of federal taxation which shall not unnecessarily interfere with the industries of the people, and which shall provide the means necessary to pay the expenses of the government economically administered, pensions, the interest on the public debt and a moderate reduction annually of the principle thereof. And recognizing that there are in our midst honest but irreconcilable difference of opinion with regard to the respective systems of protection and free trade we remit the discussion of the subject to the people in their Congressional Districts and, to the decision of Congress thereon, wholly free from Executive control or dictation.

7. The public credit must be sacredly maintained, and we denounce repudiation in every form.

8. A speedy return to specie payments is demanded alike by the highest consideration of commercial morality and honest government.

9. We remember with gratitude the heroism and sacrifices of the soldiers and sailors of the Republic, and no act of ours shall ever detract from their justly-earned fame, or the full records of their patriotism.

10. We are opposed to further grants of lands to railroad or corporations. The public domain shall be held sacred to actual settlers.

11. We hold that it is the duty of the Government in its intercourse with foreign nations to cultivate their friendship by treating them on fair and equal terms, regarding it alike dishonorable to demand what is not right or to submit to what is wrong.

12. For the promotion and success of these vital principles and the support of the candidates nominated by this Convention, we invite and cordially welcome the co-op ration of all patriotic citizen, without regard to previous political affiliations.

Valuable Hints.

A regular habit of body is absolutely essential to physical health and clearness of intellect. Nor is this all. Beauty of person cannot co-exist with an unnatural condition of the bowels. A free passage of the refuse matter of the system through these natural waste pipes is as necessary to the purity of the body as the free passage of the offal of a city through its sewers, is necessary to the health of its inhabitants.

Indigestion is the primary cause of most of the diseases of the discharging organs, and one of its most common results is constipation. This complaint besides being dangerous in itself, has many disagreeable concomitants—such as an unpleasant breath, a sallow skin, contaminating blood and bile, hemorrhoids, headache, loss of memory and general debility.

Hostetter's Stomach Bitters remove all these evils by removing their immediate cause in the digestive organs, and regulating the action of the intestines. The combination of properties in this celebrated preparation is one of its chief merits. It is not merely a stimulent or tonic, or an antibillious agent or a nervine, or a blood depurent, cathartic, but all these curative element judiciously blended i none powerful restorative. It lends activity and vigor to the inert and enervated stomach, relieves the alimentary canal of obstructions, and gives tonic to the membrane which lines it gently stimulates the liver, the nerves, and cheers the spirits. No other remedy possesses such a variety of hygenic virtues. It is to these characteristic virtues that it owes its prestige as a household medicine. Experience has proved that it is as harmless as it is efficacious, and hence it is as popular with the weaker sex as with the stronger.

Hostetters Stomach Bitters are sold in bottles only the trade mark blown in the glass and engraved on the label is the test to genuiness. Beware of Counterfeits.

A well preserved Head of Hair, in a person of middle age, at once bespeaks refinement, elegance, health and beauty. It may truly be called Woman's Crowning Glory, while men are not insensible to its advantages and charms. This is what **LYON'S KATHAIRON** will do all the time. The charm which lies in well placed Hair, Glossy Curls, Luxuriant Tresses; and a Clean Head, is noticeable and irresistible.

CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarihœ, which always precedes an attack of the Cholera, take a teaspoonful of Pain Killer in sugar and water, (not if convenient,) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhœ or cramps continue repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as a remedy, has no equal. Incases of Cholera, Summer Complaints, Dyspepsia, Dysentery, Asthma it cures in one night by taking it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache don't fail to try it. In short, it is a PAIN KILLER.

Directions accompany each bottle.

The Pain Killer is sold by all dealers in Medicines.

Prices, 25 cents, 50 cents and $1 per bottle.

Midsummer Maladies.

The hot solar rays that ripen the harvests generate many distressing diseases. If the liver be at all predisposed to irregularities, this is the season in which bilious attacks may be anticipated. A weak stomach, too, is weakest in the summer months, and the loss of vitality through the pores by excessive perspiration is so great, that a wholesome tonic, combining also the properties of a diffusive stimulant and gentle exhilarant, is in many cases necessary to health, and under no circumstances should be dispensed with by the sickly and dilapidated. Of all the preparations intended thus to refresh sustain, and tortify the human frame, there is none that will compare with Hpstetter's Celebrated Stomach Bitters. They have been weighed in the balance of experience and not found wanting; have been recommended from the first as a great medical specific, not as a beverage, and in spite of interested opposition from innumerable quarters, stand, after a twenty years trial, at the head of all proprietary medicines intended for the prevention of all ordinary complaints of the stomach, the liver, the bowels, and the nerves. In the unhealthy districts bordering the great rivers of California, Hostetter's Stomach Bitters may be classed as the standard one for every species of intermittent and remittent fever. The people who inhabit those districts, place the most implicit confidence in the preparation—a confidence that is increased every year by the results of its operation.

As bitters, so called, of the most pernicious character, are springing up like fungi on every side, the public is hereby forewarned against the dram-shop frauds. Ask for Hostetter's Bitters, see that the label etc., are correct, and remember that the genuine article is never sold in bulk, but in bottles only.

There is no such Word as Fail.

Such Diseases as Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-Worms, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their curative powers.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health will follow.

PIN, TAPE and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular around each bottle.
