Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.

Thin hair is thickened, falling hair checked and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

nothing else can be found so desirable. Containing neither oil nor dve, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

Ayer's Sarsaparilla, FOR PURIFYING THE BLOOD.

The reputation this exnany of which are truly marvellous. Inveterate cases of Scrofulous disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders, which were aggravated by the scroft-lous contamination until

they were painfully afflicting, have been radically cured in such great numbers in almost every se tion of the country, that the public scarcely need to be informed of its virtues or uses Scrofthous poison is one of the most destructive spenies of our race. Often, this unseen and unfeit tenant of the organism undermines the constitution, and invites the at.ack of enfecbling or fatal diseases. without exciting a suspicion of its presence. Again it seems to breed infection throughout the body, and then, on some favorable occasion, rapidly develop into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs of heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin, or foul uleerations on some part of the body. Hence the occa-sional use of a bottle of this Sarsaparilla is advisable, even when no active symptoms of disease appear, Persons afflicted with the following complaints generally find immediate relief, and, at length, cure, by the use of this SARSAPARIL-LA: St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, Sore Eyes, Sore Ears, and other emptions or visible forms of Scrofulous disease. Also in the more concealed forms, as Dyspepsia, Bropsy,

Heart Disease, Fits, Epilepsy, Neuralgia and the various Ulcerous affections of the museu

har and nervous systems. Suphilis or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicino But long continued use of this medicine will end the complaint. Leucorrhaa or Whites, Uterine Ulcerations, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute Directions for each case are found in our Almanac, sup plied gratis. Rheumatism and Gout, who caused by accumulations of extraneous matter in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Congestion or Inflammation of the Liver, and Jaundice, when arising, as they often do, from the rankling poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless. Despondent, Sleepless, and troubled with Nerrous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative
