

The Liberal Republican
DALLAS, SATURDAY, DEC. 1

On Friday the 8th inst. Mrs. Parsons, the wife of a farm laborer, left her cabin on the 4th concession, Scarborough, and went to her neighbor's, Mrs. Ham, about twenty rods distant, to borrow some soft soap, having left her three children, two boys aged three years, and a girl two years old—in the bed asleep. After remaining about 15 or 20 minutes, and getting the soft soap, she started for home. On reaching Mrs. Ham's door she discovered smoke bursting from the sides of her cabin, and shouted to Mrs. Ham that her house was on fire. Mrs. Ham ran with all possible haste, and Mrs. Parsons rushed at the door and opened it, when a volume of smoke and flame burst in her face, which caused her to fall. She rose and again attempted to go in, but the whole interior of the cabin was in a blaze. Mrs. Ham raised the alarm, and Mr. Murison and son, and Mr. Ham were working in a field about 120 rods off, heard her, saw the shanty on fire, and ran to assist her but when they reached the cabin, the fire was bursting out of all the crevices of the cabin, and the heat had become so intense that they could do nothing. So soon as the building fell and the fire could be subdued, the remains of the three children were found completely charred, lying in the position the mother had placed them in the bed. The cabin was a single room, the floor open, and as dry as tinder. It is supposed that the fire was caused by cinders dropping through the cracks in the cooking stove which was very old and much broken down the crevices of the floor.—Markham (Canada) Economist.

COLORADO.—This young territory will soon be a State, as it is getting on space. The assessed valuation of property in the territory is \$24,000,000. It has a population of 75,000, no public debt levies no tax for the year 1872, and has a balance of over \$50,000 in the treasury. The following table is taken from the report of the auditor for 1872: Horses, 15,000; sheep, 1,000,000; mules, 3,000; cattle, 150,000; swine, 8,000; goats, 5,000. [Buffalo, antelope, deer, bear and "such like," though of considerable value, are not counted, because not subject to control. Colorado gave us the first narrow-gauge railway, and by means of its extension all through her great, grand, rich mountains, her mineral wealth will be brought out]—Phrenological Journal.

Speak well of your neighbors or do not speak of them at all. A cross neighbor may be made a kind one by kind treatment. The true way to be happy is to make others happy. To do good is a luxury. If you are not wiser and better at the end of day, that day is lost. Practice kindness, even if it be but little each day; learn something each day even if it is but to spell a word. Do not seem to be what you are not. Learn to control your temper and your words. Say nothing behind one's back that you would not say to one's face.

The London Times, writing of the Emperor of Germany's decision of the San Juan disputes in favor of the United States says: "Except in the contingency of a war with America, no consequence whatever could result from the decision. If such an improbable contingency should ever occur, the island of San Juan would become in American hands a useful base of operations against British Columbia. This is looking toward an event which we believe will never arrive, and the single immediate effect will be the withdrawal of the troops stationed upon the western portion of the island."

The Great Pictorial Annual.

Hostetter's United States Almanac for 1873 for distribution, gratis, throughout the United States, and all civilized countries of the Western Hemisphere, is now published and ready for delivery, in the English, German, French, Norwegian, Welsh, Swedish, Holland, Bohemian and Spanish languages, and all who wish to understand the true philosophy of health should read and ponder the suggestions it contains. In addition to an admirable medical treatise on the cause, prevention and cure of a great variety of diseases, it embraces a large amount of information interesting to the merchant, the mechanic, the miner, the farmer, the planter, and professional man; and the calculations have been made for such meridians and latitudes as are most suitable for a correct and comprehensive National Calendar.

The nature, uses, and extraordinary sanitary effects of Hostetter's Stomach Bitters, the staple tonic and alterative of more than half the Christian world, are fully set forth in its pages, which are also interspersed with pictorial illustrations, valuable receipts for the household and farm, humorous anecdotes, and other instructive and amusing reading matter, original and selected. Among the annuals to appear with the opening of the year, this will be one of the most useful, and may be had for the asking. The proprietors, Messrs Hostetter & Smith, Pittsburg Pa., on receipt of a two cent stamp, will forward a copy by mail to any one who cannot procure one in his neighborhood. The Bitters are sold in every city, town and village and are extensively used through the entire civilized world.

HOLLOWAY'S PILLS AND OINTMENT.

Every Man his own Physician.

CAUTION.

The immense demand for HOLLOWAY'S PILLS AND OINTMENT has tempted unprincipled parties to counterfeit these valuable medicines.

In order to protect the public and ourselves, we have issued a new Trade Mark, consisting of an Egyptian crook of a serpent, with the letter H in the centre. Every box of genuine HOLLOWAY'S PILLS AND OINTMENT will have this trade mark on it; none are genuine without it.

CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarrhoe, which always precedes an attack of the Cholera, take a teaspoonful of Pain Killer in sugar and water, (hot if convenient,) and then bathe freely the stomach and bowels with the Pain Killer clear. Should the diarrhoea or cramps continue repeat the dose every ten or fifteen minutes until the patient is relieved. In extreme cases, two or more teaspoonfuls may be given at a dose.

The Pain Killer, as a remedy, has no equal. It cures Cholera, Summer Complaints, Dyspepsia, Dysentery, Asthma it cures in one night by taking it internally, and bathing with it freely. Its action is like magic, when externally applied to Old Sores, Burns, Scalds, and Sprains. For Sick Headache and Toothache don't fail to try it. In short, it is a PAIN KILLER.

"Deliver all things in number and weight, and put all in writing that thou givest out or receivest in," is a precept of universal application; and there is a special necessity for its strict observance in all business transactions. Young men the future welfare of this Country YOU! Are YOU prepared to meet its demands?

Dr. WALKER'S CALIFORNIA VINEGAR BITTERS,
Hundreds of Thousands Bear testimony to their Wonderful Curative Effects.

WHAT ARE THEY?

THEY ARE NOT THE FANCY DRINK, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors, colored and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Restorer and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. For Inflammatory and Chronic Resolutions and Gout, Dyspepsia or Indigestion, Bilious, Hemorrhagic and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitrated Blood, which is generally produced by arrangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION.
Headache, Pain in the Shoulders, Conga, Tightness of the Chest, Bloating, &c. are all due to the same cause, the impure blood, which attacks the Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offspring of Dyspepsia.

They invigorate the Stomach and stimulate the torpid Liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

PORE SKIN DISEASES. Eruptions, Tetter, Salt Rheum, Itch, Scars, Pustules, Pimples, Boils, Carbuncles, Ring Worms, Scald Head, Sore Eyes, Erysipelas, Itch, Scars, Discolorations of the Skin, Humors and Diseases of the same, of whatever nature or origin, are literally dug up and carried off to the system in a short time by the use of these Bitters. One bottle in such cases will convince you of the most incalculable of their curative effects.

Cleanse the Vitiated Blood whenever you find it impurities lurking through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is full, and your face will all year when you keep the blood pure and the purity of the system will follow.

PIN-TAPES and other WORMS, lurking in the system of so many thousands, are effectually destroyed and removed. For full directions, read carefully the circular accompanying each bottle.
