The La Creole is on the rampage

GONE.—Both aprons of the Bridgeport bridge
were carried away by the high water

MISERABLE DRINK.—There was not a solita-
ry drunk in town on Christmas Day.

Thanks.—Ed Bolter's friends thank him for
his Christmas Eve treat. We forget the name
of the vessel the treat was prepared in.

HIGH WATER.—Owing to the high water on
the raging Yamhill, we are without our regular
Portland mail.

There will be a donation party at the resi-
dence of Rev J James on the evening of the
January first 1873 Everybody is invited

Robinson & Whital at Independence, have
a choice stock of holiday presents on hand
Their cheapness is talked of by every body

Who CAN BEAT IT?—Uncle Ed Delashmunt
is heavy on turkeys. He presented us with
some 15 pounders on last Tuesday. Uncle
E. I, here's our thanks.

The old bachelors of this burg mean mis-
chief. We understand they are making ar-
rangements for a party to their lady friends
at the beginning of the New Year

ANOTHER BACHELOR GONE.—Alek McTim-
mons has become a Benedictine. We wish
the young couple much happiness and hope
all their trouble will be little ones

Corvallis College is in a prosperous condi-
tion. President Arnold already enjoys the
reputation of being one of the best educators
on the coast.

POSTPONED.—The Young Men's Society have
postponed their public meeting which was to
have taken place on next Friday evening, for
one month.

From a gentleman who was present we learn
that the Christmas Tree gotten up by the Good
Templars at Independence was a grand suc-
cess. When the good folks of Independence go
after anything they mean business

PUBLIC INSTALLATION.—The Dallas Lodge of
I O G F intend having a public installation
and supper on Saturday January 4th, 1873
The gatherings of the Odd Fellows and
their friends are always huge

We learn from Mr Lewis, that the William-
ette is booming. The stage has been unable
to cross over to the east side, and the mails
and passengers are now carried over in a skiff
from Gibsons about a mile above town

STRUCK IT RICH.—Our young friend Lyeurgus
Vineyard and has become the fortunate
possessor of \$100,000 the bequest of his deceased
Grand Father Lyeurgus bears his good fortune
with perfect equanimity. Verily the devil's own
yelp the legal profession are striking it rich

We have received copies of the Western
World, printed at New York, devoted to rail-
road and kindred interests. It is a large well
edited monthly filled with valuable information
as to the great West. It costs but one dollar
per year and everybody should have it.

COURTS.—The Circuit Court at Lafayette
closed last Saturday, its adjourned term for 1872
There were several important cases tried,
among which were the Whitlow and Reace
case involving the title to the town site of La-
fayette the first town laid off in Oregon. The
case last named with several other cases tried
at the term will go to the Supreme Court on
appeal. The Supreme Court convenes on the
sixth of January to finish the business of last
term and any new business that may be found
upon the docket.

LA CREOLE ACADEMY.—Studies will be re-
sumed at this flourishing institution on Thurs-
day, January 2, 1873. Professor Grubbs and
his talented assistants are fast winning golden
opinions among our people, and are meeting
with deserved success.

HOLIDAYS.—Christmas is past, and with us
it was enjoyed to the full extent of our anticipa-
tion, and what is still better, all with whom we
came in contact, seemed happy. Next Wednes-
day is New Years, and with this number of the
REPUBLICAN, we wish everybody, whether
friends or foes, a happy time.

A correspondent at Dixie, who wishes his
name withheld, writes us in praise of the
Monmouth exhibition on last Saturday eve-
ning, and winds up by giving that couple
whom he saw sparring in the Southwest cor-
ner, Rts. Moral—When you go to Monmouth
sparring keep clear of the S. W. corner. Selah!

The Question Settled.—Those eminent men,
Dr Jas Clark, Physician to Queen Victoria,
and Dr Huges Bennett, say that consumption
can be cured. Dr Wistar knew this when he
discovered his widely-known Balsam of Wild
Cherry, and experience has proven the cor-
rectness of his opinion

OUR BAND.—Our band is an institution of
which Dallas ought to be proud. On Christ-
mas Day they discoursed some soul-cheering
music that reminded us of our friends of the
" Heavenly Jerusalem." Why don't they get up
a concert and enable the citizens to show how
much they appreciate them?

NEWS.—We learn from a gentleman, who
came home from the "hub" of Polk, that the
citizens of that burg were fearfully exercised
over a fight at Dallas, on Christmas Eve. As
no fight occurred here, we would ask the den-
izens of our neighboring city to renovate their
nervous system with "Fickle's Water proof
Pills," or "Mothers, I've Found It."

SURPRISE PARTY.—Several young ladies and
gentlemen and one old bachelor took it into
their heads to surprise Isaac Levens and lady
on Christmas evening, and despite the rain
and mud accomplished their design. They all
spoke favorably of the kind treatment received
from Mr. Levens and family. Turkey is our
weakness, and we wish the holidays would last
always.

THAT CAKE.—We doff our plug and make a
profound bow to Miss Mollie Lee for a pre-
sent of a nice Christmas Cake. Everybody in
the office from the senior down to the devil,
exclaims, " beaucoup de remerciements." Miss
Mollie! We gave the Millionaire a generous
slice, and Lyeurgus after placing his mouth
outside the dainty piece, desired us to declare
publicly that he is now on the marry. Miss
Mollie! here's our love.

I O G T Sociable.—The members of La Creole
Lodge of Dallas held a sociable at their
hall on Christmas eve. There was a grand
gathering of the young ladies and gentlemen
of Dallas and vicinity and everybody had lots
of enjoyment. Although in the snow and yel-
low leaf we felt as young as when forty years
ago more or less, we attend such gatherings
and in the language of Oliver Twist we ask
for "more"

The Messenger man seems fearfully exercised
over Brother Upton's condemnatory remarks
of the slanders of that acknowledged nymph
in peace Edith O'Gorman. While fully con-
fident that the Courier can take care of itself,
we make this simple assertion that the parents
of the young ladies in this county who have
placed their children under the care of the
"objects" of "the News" vituperation, speak
in the highest terms of the Sisters of Charity.
Evidently the Messenger man does not like
to have his friends exposed.

We have received copies of the Western
Guide, published at Indianapolis, Indiana.
The Guide is filled with valuable information
concerning lands in the west and along the
lines of the newly constructed and contemplated
Railways; we think the article in No. two, on
the subject of rail road lands in this valley, is
patented in colors a little too bright, no man
in the eastern States should be induced to come
to the Willamette Valley flattered with the
idea that he can obtain a good farm for a home
either on Government or railroad lands, for he
will be disappointed.

RECEIVED.—We acknowledge the receipt of
an invitation to attend the Grand Ball, to come
off at Reeds Opera House at Salem New Years
Eve. The decision of this question will be left
entirely with our better half, but whether or
not we are there let the dance go on, and while
the warm and gentle rain is falling, the grass
growing green all over this beautiful valley, bord-
ered on either side and around, by the sturdy
evergreen, let the happy participants on that oc-
casion, politely bid adieu to the old year with
all its incidents, and joyfully welcome the new,
with that smile of hope that none but Webster
can do.

Good Templars Exhibition at Monmouth
We had the good fortune to be present at the
exhibition given by the Monmouth Lodge I O G
T on Friday evening last. The exercises
consisted of Tableaux, Charades etc and in
the main were well rendered. Miss Maggie
Butler who took the part of the drunkard's
wife rendered her part most artistically and
evinced a talent which we have rarely seen
equalled. Mr Orville Butler in the bluff burly
squire was a success. Mr Sampson Johnson
as the green horn in the play does his work
nobly as nature had done so much for him very
little artistic get up was required. All the
other performers took their parts well. We are
glad to learn that the Lodge realized \$70 net by
the entertainment

Mr. Allen Hussey of Sheridan lost
his barn and its contents by fire a few
days since. Loss about five hundred
dollars.

THE HOUSEKEEPER OF OUR
HEALTH.

The liver is the great depurating or blood
cleansing organ of the system. Set the great
housekeeper of our health at work, and the
food corruption which gendrs in the blood
and rot out, as it were, the machinery of life,
and gradually expelled from the system. For
this purpose Dr Pierce's Golden Medical Dis-
covery is pre-eminently the article needed. It
cures every kind of humor, from the most
scrupulous to the common pimply blotch or eruption.
Great eating averts kindly held under its
mighty curative influence. Violent blood
poisons that lurk in the system, are by it rob-
bed of their terrors, and by a persevering and
sometimes protracted use of it, the most talented
systems may be completely renovated and
built up anew.
Enlarged glands, tumors and swellings
drain away and disappear under the influ-
ence of this great resolvent. It is sold by
all druggists

From the Times: From Col. Alvin
Cobb, who was in town this week from
Sprague River, situated in the locality
of the late Indian outbreak, we learn
that the settlers immediately assembl-
ed at one of the strongest natural pos-
itions in the neighborhood, and have
collected all families in that section.
They have themselves securely forti-
fied and venture out only in bodies.
Had not these timely precautions been
taken, the settlers might have met the
sad fate of those on Lost River, as
they are situated between the Snake
and Modoc tribes, whom the Col. says
are allies. The settlers are well armed
and provided to defend themselves
against any ordinary attack from the
Indians, and with a man of the judg-
ment and determined will of Col. Cobb
to direct them, will doubtless sustain
themselves from the dangers that
threaten them.

From the Oregon City Enterprise:
"By private letter from Salem, we
learn that Governor Grover yesterday
pardoned Michael McCormick who was
sentenced to the penitentiary from this
county, for killing Tom Montgomery,
an Indian. There was considerable
doubt as to whether the Indian died
from the blows received from McCor-
mick or from general disease, and learn
that the pardon was granted on this
ground.

Ayer's
Hair Vigor,

For restoring Gray Hair to
its natural Vitality and Color.

A dressing which
is at once agreeable,
healthy, and effectual
for preserving the
hair. Faded or gray
hair is soon restored
to its original color
with the gloss and
freshness of youth.
Thin hair is thick-
ened, falling hair checked, and bald-
ness often, though not always, cured
by its use. Nothing can restore the
hair where the follicles are destroyed,
or the glands atrophied and decayed.
But such as remain can be saved for
usefulness by this application. Instead
of fouling the hair with a pasty sedi-
ment, it will keep it clean and vigorous.
Its occasional use will prevent the hair
from turning gray or falling off, and
consequently prevent baldness. Free
from those deleterious substances which
make some preparations dangerous and
injurious to the hair, the Vigor can
only benefit but not harm it. If wasted
merely for a

HAIR DRESSING,

nothing else can be found so desirable.
Containing neither oil nor dye, it does
not soil white cambric, and yet lasts
long on the hair, giving it a rich glossy
lustre and a grateful perfume.

HALL'S

VEGETABLE SICIALIAN

HAIR

RENEWER.

Every year increases the popularity
of this valuable Hair Preparation;
which is due to merit alone. We can
assure our old patrons that it is kept
fully up to its high standard; and it
is the only reliable and perfected pre-
paration for restoring GRAY OR FADED
HAIR to its youthful color, making it
soft, lustrous, and silken. The scalp,
by its use, becomes white and clean.
It removes all eruptions and dandruff,
and, by its tonic properties, prevents
the hair from falling out, as it stimu-
lates and nourishes the hair-glands.
By its use, the hair grows thicker and
stronger. In baldness, it restores the
capillary glands to their normal vigor,
and will create a new growth, except
in extreme old age. It is the most
economical HAIR DRESSING ever used
as it requires fewer applications, and
gives the hair a splendid, glossy ap-
pearance. A. A. Hayes, M.D., State
Assayer of Massachusetts, says, "The
constituents are pure, and carefully
selected for excellent quality; and I
consider it the BEST PREPARATION
for its intended purposes."

Sold by all Druggists, and Dealers in Medicines.

Price One Dollar.

Buckingham's Dye

FOR THE WHISKERS.

As our Renewer in many cases re-
quires too long a time, and too much
care, to restore gray or faded Whisk-
ers, we have prepared this dye, in one
preparation; which will quickly and
effectually accomplish this result. It
is easily applied, and produces a color
which will neither rub nor wash off.
Sold by all Druggists. Price Fifty
