fundity of thought that marks the man of genius
the Rev gent captured alike the mind and
the understanding of his large congregation
His happy hits at the self righteous church
member and sinner (among which latter we
belong) were truthful and telling and we hope
to often have the pleasure of hearing Mr B's
eloquent voice in Dallas in advocacy of the truth
and in condemnation of error.

STATE NEWS.

Luther King, of this county, who, it
is alleged, eloped with a girl of about
fourteen, some days since, was over-
hauled this side of Portland, and, with
the girl, brought back on last Monday.
"Little Lute," as he is sometimes
called, was examined before Judge
Burnett, on separate charges of horse-
stealing and abduction, and in default of
bail was committed to the county lock-
up to await further proceedings.

Two men, named John Moore and
William Allen, were drowned near
Knox's ferry, Laue county, one day
last week.

There are five prisoners confined in
the Lafayette jail.

OUR BODILY INFIRMITIES.

Physical infirmities are the lot of all Mil-
lions are always sick No man, woman or child
is uniformly in perfect health Much, however,
of the sickness and suffering which render life a
burden to so many of our fellow beings is due
to carelessness and neglect A mighty anti-
dote to the leading causes of disease has been
provided It is as harmless as it is efficient
No poisonous drug enters into its composition
It is an undofied stimulant, tonic and aperient
of which every ingredient is vegetable This
unexceptionable preventative and restorative
medicine is not "a new thing under the sun"
Hostetter's Stomach Bitters will soon have
been before the world a quarter of a century
and it is not too much to aver, that thousands,
aye, tens of thousands, are now using it who
would have been in their graves years ago had
they not been strengthened and sustained by
this wholesome stimulant The rapidity with
which minor ailments often become, when
neglected, obstinate diseases, is well known
This tonic is famous for the immediate check
which it gives to these breeders of deadly dis-
orders The sensation of languor, the sick head-
ache, the nervousness, the indisposition to ex-
ertion, the nausea, the confusion of brain, the
physical debility, which are intended to pre-
monish us of the approach of serious dan-
ger, are invariably removed by a few doses of
the Bitters The fame of preparation as a gen-
eral specific for dyspepsia, bilious complaints,
malarious fevers, rheumatism and chronic debility,
is as wide as the world; and in these days
of infamous charlatanism, when fierce cathar-
tics, that rob the invalid of the last remnants
of his strength, are advertised as invigorates (1)
it is indeed a blessing to mankind that Hostet-
ter's Stomach Bitters are everywhere procurable,
and everywhere popular
