Another Club Formed—We learn from our friend W W Boone of Forest Grove that the farmers of that vicinity have organized a Farmers Club This is good news.

Shot and Killed.—We are informed by Mr Dodson that on last Tuesday night a man by the name of Ben Hasbrook, who resided a few miles above Sheridan, Yamhill county, Oregon, was shot and almost instantly killed while at the barn The facts as near as we can learn are about as follows: Mr Hasbrook had been missing grain from his barn prior to the time mentioned, and supposing that some fellow was engaged in helping himself unceremoniously to what did not belong to him he arranged a plan whereby he might catch the rascal He placed a loaded gun in or near the barn, arranging it so that that it could be discharged by means of a spring It was so planned that it was thought that this gun would be fired in case any person attempted to enter the barn On Tuesday evening Mr Hasbrook hearing a noise at the barn, proceeded hither accompanied by a man by the name of Cox No sooner had they reached the barn than Mr Hasbrook was fired upon and mortally wounded Mr Cox states that he saw three men two inside and the other outside of the barn and while endeavoring to escape he was caught by the person outside who stabbed at him twice with a large knife Mr Hasbrook was a son-in-law of Nathan Conner An old resident of this county The murderer is said to have fired the fatal shot from the gun which the victim had placed at the barn Deceased leaves a young wife and two children besides a large number of friends to mourn his sudden and untimely death

THIS WONDERFUL VEGETABLE RESTORATIVE is the sheet anchor of the feeble and debilitated. As a tonic and cordial for the aged and languid it has no equal among stomachics. As a remedy for the nervous weakness to which women are especially subject, it is superceding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a specific in every species of disorder which undermines the bodily strength and breaks down the animal spirit.

LYON'S Kathairon,

For Preserving and Beautifying the Human Hair. To Prevent its Falling Out and Turning Gray.

A well preserved head of Hair, in a person of middle age, at once bespeaks refinement, elegance, health and beauty. It may truly be called Woman's Crowning Glory, while men are not insensible to its advantages and charms. Few things are more disgusting than thin, frizzly, harsh, untamed Hair, with head and coat covered with Dandruff. Visit a barber and you feel and look like a new man. This is what LYON'S KATHAIRON will do all the time. The charm which lies in well placed Hair, Glossy Curls, Luxuriant Tresses, and a Clean Head, is noticeable and irresistible.

A MODEL COMMERCIAL COLLEGE!!

THE EDUCATION FOR THE TIMES

The Importance of a Practical Education Was never more Apparent than Now!

IT IS UNIVERSALLY ACKNOWLEDGED that as we grow in prosperity we grow more practical, and that it is required of men that they educate themselves practically—educate themselves in the best manner possible—to meet the demands of the times.

When Agesilaus, King of Sparta, was asked what things he thought most proper for boys to learn, he replied: "Those things which they should *practice* when they become men."

"Deliver all things in number and weight, and put all in writing that thou givest out or receivest in," is a precept of universal application; and there is a special necessity for its strict observance in all business transactions. Your men the future welfare of this Country [illegible] YOU! Are YOU prepared to meet its demands?

A COURSE OF INSTRUCTION
to meet the
DEMANDS of THE AGE!

The most thorough, and comprehensive COURSE OF BUSINESS TRAINING ever introduced by any

COMMERCIAL
OR
BUSINESS COLLEGE,
combining
THEORY AND PRACTICE,
by means of
BANKS AND BUSINESS OFFICES.

The Course is so arranged and Taught as to enable the students to master it in the Shortest Time possible.

Each Student, after passing through the THEORY COURSE, becomes an actual BOOK KEEPER AND MERCHANT where in the course of a few WEEKS, he obtains the experience of an ORDINARY LIFE TIME.
