DALLAS CHURCH DIRECTORY.

M. E. Church.—Services on the 4th Sabbath
each month at 11 A. M. and 7 P. M.
Sabbath school very Sunday at 9 A. M.
Prayer meeting every Thursday evening. Rev.
J. James, Pastor.

M. E. Church South.—Services on the 1st
Sabbath of each month at 11 A. M. Rev. J.
M. Lovell, Pastor.

BAPTIST Church.—Services on the 3d Sab.
each of each month at 11 A. M. Rev. K.
Helman, Pastor.

WOOD.—We wish some one who owns for the
REPUBLICAN would haul us a load of Wood

LOOK OUT FOR BREAKERS.—The individual
that stole those chickens, had better hide feath-
ers, and heads, for the owner is on the alert.

Do not forget to be present, everybody, at
Dr. Lawne's lecture on next Wednesday evening.

BALL.—There will be a Ball at the Court
House in Dallas on the evening of the 21st, of
February.

SENATORIAL FAVORS.—We are under many
obligations to Senator Kelley for valuable
public documents transmitted to our office.

CHROMO.—The Chromo just received from
Our Fireside Food, is a beauty with which
we would not be willing to part, and as an
ornament upon the parlor wall. We highly prize
it.

New ADVERTISEMENTS.—We call special
attention to the New "Add" in this issue, of
J. W. Crawford, C. A. Reed, Jones & Patterson
Commercial Hotel and others, all of which we
will specially notice soon.

New LAW FIRM.—The card of R. P. Doss
& P. L. Willis appears in another column of this
issue to which we call attention. Their ability
as Attorneys and safe business men is too well
known to require comment.

The gentlemanly merchant of the Brick
Store, W. C. Brown, is offering dry goods and
groceries at rates as advantageous to the
farmer as any establishment of the kind in
Dallas. Call and examine his stock.

LECTURE.

Rev. Dr. Dawne of Salem, will deliver a
lecture at the METHODIST E. Church South
in Dallas next Wednesday evening at seven
o'clock P. M. Subject—LESSONS FROM LIFE
OR MOSES. Seats free.

FRAUDS.—In next week's issue we shall ex-
pose a few of the many frauds which have
been perpetrated upon the people by the Hol-
iday Ring as shown by the affidavit of Hol-
iday himself. Send for the REPUBLICAN.

SUPREME COURT.—The Supreme Court is
still in session, and will probably adjourn
within a week to meet again in July next, at
which time the present business of the Court
will be finished, and any new business that
may come in will be heard.

ROADS.—The attention of our County Court
is again called to the necessity of granting
the aid asked by Col. Nesmith to assist in
graveling the balance of the Dixie lane. It is a
matter of great importance to the people and
ought to be granted at once. The amount asked
is a mere nominal sum and amounts to nothing
compared with the benefits that will follow
from it.

Since the close of the meeting at the M. E.
Church, Prof. Campbell has been carrying on a
protracted meeting which still continues with
great interest, several accessions have been
made to the church, and really there is before
the people of Dallas a good prospect. The
Prof. is an earnest able advocate of Christian-
ity and his power is being felt for good in
Dallas.

FARMERS CLUB.—The farmers of Polk
County are beginning to organize clubs in
different parts of the County, this is as it should
be. We are with you gentlemen. We learn from
Mr. Boone of Independence, that the Farmers'
Club in that vicinity is doing well. The farmers
are in earnest and are determined to maintain
their rights. A meeting of the club was held on
last Saturday and another will be held to-day
at one o'clock full proceedings of which will
be published in the REPUBLICAN in due time.

SOME BODY TO BLAME.—The Chinese wash
house in town is frequently interrupted and its
inmates assailed by boys throwing stones besides
other bad tricks to enrage if possible the in-
dustrious mongolian, and they in return resent
it. Now we think so long as these people be-
have themselves and stay at home laboring
for the wherewith to support life they ought
not to be disturbed and deserve the same pro-
tection that others demand.

OUR ACADEMY.—La Creole Academy
was never in a more flourishing condition than
at the present time. The interest taken by
Prof. Grubbs and lady and their most accom-
plished assistant Miss Smith, is attracting the
attention of the people of Dallas and its vic-
inity, in a manner rarely witnessed; These
teachers, though comparatively strangers
amongst us, have won the esteem of the people
and of the pupils. The tuition is perhaps
lower than any school in the county, and the
advantages equal to any academical institution
in the State. Farmers of this county would
do well to improve this opportunity to school
their children, while the school is so ably
conducted, the tuition is cheap and house rent
in Dallas low.

A MODEL COMMERCIAL COLLEGE!!

THE EDUCATION FOR THE TIMES

The Importance of a Practical Education
Was never more Apparent than Now!

IT IS UNIVERSALLY ACKNOWLEDGED
that as we grow in population we grow more
practical, and that it is required of men that
they educate themselves practically—to meet
themselves in the best manner possible—to meet
the demands of the times.

When Agostinus, King of Sparta, was asked
what things he thought most proper for boys to
learn, he replied: "Those things which I ex-
pect should practice when they become men."

"Deliver all things in number and weight,
and put all in writing that thou givest out or re-
ceivest in," is a precept of universal application;
and there is a special necessity for its strict ob-
servance in all business transactions. Youn-
men the future welfare of this Country is?
YOU! Are YOU prepared to meet its demands?

CHOLERA.

HOW TO CURE IT.

At the commencement of the Diarrhoe, which
always precedes an attack of the Cholera, take
a teaspoonful of Pain Killer in sugar and
water, (not if convenient,) and then bathe freely
the stomach and bowels with the Pain Killer
clear. Should the diarrhoe or cramps continue
repeat the dose every ten or fifteen minutes un-
til the patient is relieved. In extreme cases,
two or more teaspoonfuls may be given at a
dose.

The Pain Killer, as a remedy, has no equal.
Incases of Cholera, Summer Complaints, Dys-
pepsia, Dysentery, Asthma it cures in one night
by taking it internally, and bathing with it
freely. Its action is like magic, when external-
ly applied to Old Sores, Burns, Scalds, and
Sprains. For Sick Headache and Toothache
don't fail to try it. In short, it is a Pain Kill-
er.

Directions accompany each bottle.

The Pain Killer is sold by all dealers in Med-
icine.

Prices, 25 cents, 50 cents and \$1 per bottle
