NOTICE.

All the accounts due the REPUBLICAN office
must be settled with P. C. Sullivan (editor) or
E. H. Sullivan, [foreman] No other person
authorized to receive any money due the office
or receipt for the same.

Crowded Out.

The expense of Holiday's rascality is deferred
until next week for want of space.

Sabbath School.

On Sunday next at the Baptist church at
2 o'clock p m the Christian Sunday School will
be re-organized. All are requested to attend.

Weather.

The weather is most delightful and has all the
appearances of spring time; the roads are dry-
ing up and we expect soon to see the farmer sowing
his wheat and oats over Oregon's beautiful
fields.

Attention

See the Advertisement of Sites & Grubbs in
this issue. These gentlemen already have the
confidence of the people of Dallas and vicinity
and their co-partnership is a happy union for the
inhabitants of this county

Baptized.

Prof. Campbell, on Sunday last, baptized
fourteen persons as the result of his labor
during the late protracted meeting at the Baptist
church. Long may the Prof. live to do
good.

Gone.

Our Foreman has gone to Salem, as a delegate
to the Temperance Alliance, and we are
left alone with the "devil," who is knocking
everything into pie, and flying about the office
like a ship in a storm without a rudder.

Advertise.

The REPUBLICAN is now the Official Paper
of the County, and consequently the only
reliable advertising medium therein. Send in
your ads at once, before the time shall come
when we shall say, there is no room.

Dr. Dawne's Lecture.

The Lecture of Dr. Dawne, on last Wednesday,
was delivered to an intelligent and appreciative
audience, and was well received. We
hope the Dr. will find it convenient to visit
Dallas often.

Star Bakery.

The Star Bakery, at Salem, Lewis Byrne
Proprietor, is the place for the farmers of Polk
to go the moment you cross the Ferry, for you
always find Lewis ready to sell you any
thing you may desire in his line, for less money
than any other place in Salem. For particulars
see his advertisement in this paper.

Overland Store.

Those who go overland from Polk County
to the city of Salem, should go direct to the
Overland Store and purchase all your
goods, because by so doing you save twenty
five cents on every dollar, which will pay your
forage and constitute a sinking fund for your
children in future years; just examine inducements
in their new advertisement herein.

Will Appear.

In the REPUBLICAN, will appear next week
an extract from the celebrated speech of Victoria
C. Woodhall, which was too have been
delivered at Cooper Institute, New York, on the
9th day of January 1873. Subscribe at once so
that you may have the benefit of the treat, as
no one is allowed to steal or borrow our paper
for the purpose of reading it.

DELEGATES.

The following named persons were elected
as delegates to the State Temperance Alliance,
by La Creole Lodge No 23. I O G T: Miss M
E Smith; Miss Sarah Shrove; H M Spencer;
A R Lyle; E H Sullivan; G W Carey; Z T
Dodson; Jesse Lewis and D A Dodson. And
also the following delegates were elected by the
M. E. Church: Miss Mollie Lee; Miss Jennie
Lee; J E Smith and W N Barney.

Real Estate.

We call attention to the advertisement of
Jones & Patterson. These gentlemen are reliable
Real Estate Agents and by their advertisements
and circulars are doing great service
for the people of Oregon. Mr Jones & Patterson
fully understand what Oregon needs, and
are taking the proper course to bring this
beautiful valley to the notice of the civilized
world. Their circulars can be seen and obtained
at the REPUBLICAN office at all times.

Temperance Alliance.

This body is in session to-day and we hope
good will result, but let us admonish our
temperance friends that they may go and come
like a door on its hinges their efforts will be
fruitless, unless they come out from among the
advocates of alcohol to be separate, they must
declare in favor of total prohibition and must
resolve to support no man for office who is not
known to be, not only an outspoken, but a practical
advocate of that doctrine.

Commercial Hotel.

If those who visit Salem, with a view of
remaining for a period either long or short,
will stop at the Commercial Hotel, Mrs. Riley
will give you a nice clean bed, a splendid meal
of victuals, a comfortable fire to make you
warm if cold, and in short Mrs. Riley and her
polite and laughing servants, will by their
kindness and good treatment, make you feel
at home, if you have within you the soul of a man.

Druggist.

The attention of the people of Polk County
who desire anything usually kept by Druggists
is particularly called to the new advertisement
of J W Crawford and Co, in this paper. Mr
Crawford is well known to the people of Polk
and his straight forward manner of doing
business is a sufficient guarantee to inspire full
confidence. His establishment is large and
filled with first class articles well selected, you
can save money by going to Crawford's
for all articles in his line. We feel warranted
in saying that Mr Crawford keeps employed the
best druggist in Salem, and we doubt, if as
such, Harry has any superior in the State.

Insurance.

The Old Phoenix Insurance Company, the
most reliable in America, transacts all its
extensive business at Salem, through its long
tried and most reliable Agent C. A. Beck, in
the Opera building. If the people of Polk
County desire to have any kind of property
insured at reasonable rates, and no mistake
about obtaining their money in case for all
losses suffered, let them go immediately to C
A Beck's room where he will be found at all
times ready to issue the required policy, and
our word for it there will be no mistakes in
the paper.

Hasbrook Murder.

We learn from a private letter from one of
the Attorneys in the Hasbrook murder case,
that Coxan, the hired man of Hasbrook, is
bound over for the crime, and that
circumstances are stronger than could be
wished on the part of Coxan, but a mistrial still
hangs over the case, in the minds of the neighbors.
It is one of the blackest crimes on record
and we hope the murderer will be discovered
and brought to justice. It is said that Hasbrook
was sitting quietly by his fireside reading
the Bible when he was informed by his wife
that some one was calling him at the barn, he
arose, obeyed the call, and in a few moments
was dead.

A Time to be Merry.

On Thursday and Friday evenings of next
week, 27th and 28th inst, there is to be a grand
entertainment at the Court House, in Dallas,
given by La Creole Lodge No. 23. I O G T
there will be songs and music, the middle aged
and the silver haired will be there, youth and
beauty will be represented, and all are expected
to be merry as a marriage bell. Every
body is invited. Come one, come all, shake off
dull care and come with light hearts full
of play, and pockets filled with cash to buy the
music box.

under a re-insurance contract, by its own and
the united assets of the Home Ins. Co. of New

offering the best security of any Fire Insurance
Company or Association in the world.

Third. It can carry large risks, as its poli-
cies are re-insured by the above mentioned
Companies, so that the PHENIX alone can
carry the same line that all three companies
would take separately.

Fourth. It requires but one set of proofs
in case of loss; thus giving the security of
three Companies without the trouble of dealing
with separate Corporations.

On these solid merits, viz:

Capacity to carry the largest risks,
The amplest possible security,
The simplest adjustment in case of loss, and
The prompt and equitable payment of all just
