DALLAS CHURCH DIRECTORY.

 Prayer meeting every Thursday evening.
 Rev. J. James, Pastor.

M. E. CHURCH SOUTH.—Services on the 1st
 Sabbath of each month at 11 A. M. Rev. J.

BAPTIST CHURCH.—Services on the 3d Sab-
 bath of each month at 11 A. M. Rev. P.
 Holman, Pastor.

MISTAKES.—Several mistakes appeared in
 the editorials last week. We were absent from
 home and did not see the proof sheet, our read-
 ers will excuse.

Judge Boise called at our office Monday on
 his way to Yamhill county to look after legal
 matter. He is employed to assist the prosecution
 in the case of the State vs Joseph Coxan, for
 the murder of Hasbrook.

COURT.—The Circuit Court of Yamhill county
 commences its regular April session next
 Monday. The re is a large docket for that
 County, and quite a number of very important
 cases both civil and criminal. The mysterious
 Hasbrook murder case will be investigated.

AN OTHER EVIDENCE OF DEGENERACY IN
 Polk.—At the School Meeting on Monday
 last, the voters of this district voted down a
 proposition to support a free school by taxation
 for any portion of the ensuing year.

PICNIC.—Dallas and vicinity are hereby
 notified that there will be a jolly picnic May
 Day pleasure party on Saturday the 3d day of
 May on Mount Pisgah one and a half miles
 south east of Dallas. Everybody is invited
 to be present, lay aside dull care, and enjoy a
 gayly May Day.

AS IT SHOULD BE.—Since the appointment
 of L. Vineyard Justice of the Peace, in Dallas,
 there seems to be a disposition to enforce the
 laws. Several parties have been arrested and
 fined for disorderly conduct. This is as it should be,
 and it is only necessary that this course should
 be continued for a short time to give people to
 understand that the law must be obeyed.

MEASLES.—We mentioned in our columns
 two weeks since that the measles has reached
 Dallas, and we feared there would not be quite
 enough to go round. We now confess our
 mistake and now own we have them in our
 own family pure and unadulterated, and by
 sad experience that there is enough to go
 round, but plenty to spare if anybody imagines
 there is any comfort in the possession of them.

Mr. G. W. Carey, General Agent for the
 Continental Life Insurance of New York, is in
 town. He is doing a good business not with-
 standing the "hard times." The Continental
 is regarded by our best financiers to be the
 best Life Insurance Company in the Union.
 A large number of the best citizens and busi-
 ness men of the county are carrying heavy
 policies, among which are David M. Guthrie,
 J C Allen, Paul Hiltbrand, Wm Jones,
 James Tatam, John Vernon, Mc M Dodson, A
 W Lucas, A A Bonny, E C Hall, Harry
 Christian, F H Wakefield, Nat Holman, Cyrus
 Buell, Wm Connor, F A Patterson, Wm Curch-
 ill, Nichols and Hyde—and many others names
 making sixty policy holders in this county
 Many prominent men are insured in this
 Company throughout the State. Its policy
 is liberal and terms. Insure now while you
 are in health and opportunity offers. Delays
 are dangerous.

HARTFORD, April 7.—Midnight—The
Evening Post has returns from 199
 towns, which show an opposition gain
 over last Spring of 7,585 of which 1,877
 is for Smith, Temperance candidate
 for Governor. Ingersoll's majority for
 Governor will be about 4,000.

Hartford, April 7.—Two a. m.—The
 Senate will probably stand 11 Republi-
 cans to 10 Democrats. Last year it
 was 14 Republicans to 7 Democrats.
 The House is very close. The chances
 are that it is Democratic by a small
 majority.

New York, April 8.—A newspaper
 correspondent, who went down to the
 wreck of the *Atlantic* yesterday, says:
 "The hull of the vessel has broken in
 several places, and the cargo has broken
 bulk. Bodies of men and women are
 jammed among boxes and gates.
 Limbs are strewn around, broken from
 bodies by the continual action of the
 water. At the companion-way of the
 steerage were a hundred or more
 bodies lying in confused heaps, some
 dressed but many half-nude. Children
 were clinging to mothers, and husbands
 clasping wives. At the companion-way
 of the steerage the bodies of men, old
 and young, were together on the stairs
 with distended nostrils, gaping mouths,
 and staring, glassy eyes, giving some
 idea of their horrible death in strug-
 gling to gain the deck. In the sleeping
 apartments were numbers of bodies of
 men, with bed-clothing strewn among
 them. Broken stonions and jagged,
 splintered wood-work had torn the
 flesh from the faces of many. Others
 were more bruised and battered about
 their heads, which are red and bloody
 contrasting horribly with the features of
 others."

Brooklyn (Cal.) March 30.—The
 inhabitants of Oakland were startled
 at about ten minutes to four this
 afternoon, by a sharp shock of an
 earthquake, which was followed in a
 few minutes by another one not so
 severe. The sky was cloudy and it was
 raining a little. No damage done.

Cincinnati March 31. Reports
 regarding the loss of life by a cornado
 in the vicinity of Canton, Mississippi,
 on Friday night, are contradictory. A
 special dispatch from Canton says that
 buildings, trees, fence, and everything
 in the course of the storm, fell like
 straws, and the atmosphere seemed
 thick with the limbs and fragments of
 trees, timbers from buildings and
 fence rails. A wild rumor was circu-
 lated last night as to the number of
 killed and wounded, but it has been
 ascertained that only two persons were
 killed and fifteen or twenty injured.
 The number of buildings entirely
 destroyed is estimated at thirty, besides
 a large number damaged. The advices
 from the interior say the killed is twenty.
 Dispatches from Jackson say that
 twelve houses were destroyed, and
 one man killed and another badly
 injured, and a number of others seri-
 ously injured.

Galveston, April 7.—Last night at
 ten o'clock a man calling himself
 James Helm drew a knife and cut a
 boy whose name is unknown, and in his
 attempt to escape he attacked and cut
 three unoffending parties who happened
 to be in his way. Officer Ferguson,
 who was attempting to make an arrest,
 was the next to receive the knife, and died
 in five minutes. Mr. Benison, an old
 and respectable citizen, one of the
 unfortunates, has since died, and it is
 also thought that two others will die.
 Henry Myers, driver for engine No. 2
 it is believed will die. The firemen
 wear vengeance against Helm. Intense
 excitement prevails and it is believed he
 will never be allowed by the mob to
 have a trial. He gives his name as
 I. B. Helm, of Floyd county, Virginia,
 and is supposed to be a cousin of the
 notorious Jack Helm of Texas.

Chicago, April 8.—A Peoria dispatch
 says that Mrs. Workman, wife of the
 Eureka Methodist minister, has con-

fessed to having killed Mrs. Hedges.
 She says she did it in self-defence.

The Yonger of the Leon brothers, was
 now gymnast, now performing in this
 city, fell from a trapeze last evening,
 breaking his thigh and probably dis-
 abling him for life.

The rains of the past week through-
 out Illinois are said to have been the
 heaviest for years. The prairies are
 prime with water, and all the streams are
 everflowing.

Baton Rouge, April 7.—The munici-
 pal election passed off quietly. The
 McEnery ticket was elected without
 opposition.

Syracuse (N. Y.), March 31.—The
 heavy rain storm of Saturday created a
 great deal of damage in this section of
 the country. The special western-
 bound Chicago express, which left
 here on Saturday evening, met with an
 accident when in a mile of Geneva, on
 the suburb branch. The water had
 undermined a stone abutment of a
 bridge, and the engine and one car
 plunged into the chasm and were
 thrown into the creek. The forward
 sleeping car stopped just on the brink.
 The engineer and fireman were instantly
 killed. The body of the former was
 recovered this forenoon. He was
 found at his post, in the car of the
 engine. His body was badly cut and
 bruised.

No trains have arrived on the
 direct road from the West since
 Saturday evening. There is four feet
 of water on the track between Newark
 and Clyde. The water has washed the
 track so badly in some places that the
 officers of the company do not dare to
 venture to have trains run through the
 water.

We get this from Washington
 telegrams of the 1st instant:

The Commissioner General of the
 Land office to day signed the instruction
 Registers and Receivers to carry into
 effect the Act approved March
 31, 1873. This Act provides for the
 joint entry of agricultural land by two
 or more pre-emption settlers prior to
 the survey, on the same legal sub-
 division, and who may elect one of their
 number to make an entry and contract
 for the private conveyance back to the
 company of pre-emption when the
 patents are received. The said
 contracts are to be under seal, witnessed
 and acknowledged together with the
 certificate of the Clerk of the Court.
 Otherwise no change required on
 proving it. It is important that the
 contract should be filed when the entry
 is made.

Henry Ward Beecher says hanging
 is a relic of barbarism. We have
 heard the remark before; and every
 time the important fact has been for-
 gotten that murder is a relic of barbar-
 ism, too.

A drunken fellow had wandered into
 a Sunday school and taken a seat
 among the primer scholars, when the
 teacher accosted him with, "Why,
 James, do you know what condition
 you are in?" "Yes, m'm, in the gall
 of bitness, 'n the bonds 'f 'niquity.
 Ask me some hard questions."

 FIRE INSURANCE.**
 APPLY TO THE OLD

**PHENIX OF HART-
 FORD**

First, It has complied fully with the Oregon
 State Law.

Second, Its contracts in Oregon are backed,
 under a re-insurance contract, by its own
 and the united assets of the Home Ins. Co. of New
 York and the North British and Mercantile Ins.
 Company of London, aggregating \$22,561,987 97
