A MODEL COMMERCIAL COLLEGE!

THE EDUCATION FOR THE TIMES

The Importance of a Practical Education Was never more Apparent than Now!

IT IS UNIVERSALLY ACKNOWLEDGED that as we grow in prosperity we grow more practical, and that it is required of men that they educate themselves practically—adapt themselves in the best manner possible—to meet the demands of the times.

When Agesilaus, King of Sparta, was asked what things he thought most proper for boys to learn, he replied: "Those things which they should practice when they have no men."

"Deliver all things in number and weight, and put all in writing that thou givest out or receivest in," is a precept of universal application; and there is a special necessity for its strict observance in all business transactions.

A COURSE OF INSTRUCTION

The most thorough, and comprehensive COURSE OF BUSINESS TRAINING

ever introduced by any COMMERCIAL

BUSINESS COLLEGE

by means of BANKS AND BUSINESS OFFICERS.

The Course is so arranged and Taught as to enable the student to master it in the shortest time possible!

Each Student, after passing through the THEORY COURSE,

becomes an actual BOOK KEEPER AND MERCHANT.

Ayer's Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.

Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed.

But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
