DEAR MEAT.—A gentleman on the Luckinmate, last week paid twenty dollars for converting a Deer into Venison.

MONSTER EGG.—Ed Bolter has a hen's egg at his store which measures in its greatest circumference seven and seven-eighths inches.

GOOSE.—The Editor is at Lafayette attending court. The local reporter has got the measles. We hope that our readers will excuse the scarcity of the locals.

SCHOOL TEACHERS.—Lacrosse Academy sends out ten persons to teach young ideas how to shoot. What a mass of knowledge will be diffused through the adjoining districts.

We call the attention of our readers to the new advertisement of the Overland Store. The public are invited to call and examine their new goods direct from San Francisco and New York. For further particulars see advertisement in another column, on this page.

CROQUET.—Croquet is all the rage. Every evening you can see the beautiful and gallant displaying their skill on some of the many grounds of the city. It is said that a gentleman is nearer the church door when he has a mallet in his hand, than when with his arm around a lady's waist he is following the divine strains of Godfrey. Ye local will take the last and risk it.

Notice! The ingathering of Israel! A sermon will be preached by Catharine Schertz on the "Ingathering of Israel, for the Redemption of Spirit, Soul and Body, to enter into Life Eternal." At the Christian Church on Sunday at 3 o'clock P. M.

OUR RUSTICATING.—Our worthy Justice of the Peace, L. Vinyard is rusticating. He left Wednesday morning for Corvallis where he will remain for a few days. Considering the valuable services he has rendered the community in his rigid administration of justice, and the probability of a recurrence of lawlessness it is hoped that he will not protract his visit to any great length.

The officers elected by the Philonian Literary Society of Christian College, April 11th, are as follows: George McBride, President; Albert Campbell, Vice President; J. Leurgun; Jackson, Secretary; Jones Powell Treasurer; Solomon Stump, Marshal; W. Drury and A. P. Campbell, tellers; Wells, Drury, Librarian; George McBride, Editor; Solomon Stump, door keeper.

THE LAW VINDICATED.—Last Saturday Mr. E. L. Fraker, accompanied by Messrs. Richardson and Shelton, proceeded to Salem with warrant for the arrest of Charles Sutton charged with conspiring with other parties to assassinate Glaze. The trial commenced Saturday evening but was postponed till Monday in consequence of the prisoner's counsel not having arrived and was not concluded until Tuesday evening. The proceedings created considerable excitement, and when at the conclusion L. Vinyard committed the prisoner in bonds of \$10,000 to appear for trial at the Circuit Court. The friends of law and order expressed their highest approbation of the result. Frequent eulogies were passed upon Mr. V. and his integrity and ability as a magistrate are beyond question. We feel warranted in saying he has the support of the community in his measures to maintain the supremacy of the law.

Good News.—We take pleasure in informing those, who wish to get the worth of their money in buying Dry Goods, Clothing, and in fact anything that is kept in a first class store, that they can do so by calling on Herrman and Hirsch, [Salem Oregon. The public are invited to call and examine their New Goods direct from San Francisco.

LATEST FROM THE MODOCS.

The Warm Springs Indians fought like heroes—skulking upon the foe and ever ready to take and hold any advantage. They lost one killed.

The Indians are certainly disheartened. He watched them with a glass at long range at different times during the day's fight, and they were running from one point to another, back and forth, with no apparent strategic motive, and, seemingly bewildered by the advance of our forces.

From ten to twelve there was considerable firing from the south of the lake.

The number lost in two days fighting 5 killed and 19 wounded, including one officer. Five Indians have been killed and part of them scalped.

There will be more severe fighting before the works are carried. It is almost impossible to see an Indian.

Mc Manus was recovered and not injured, he having hid in the rocks when his mule was shot.

TELEGRAPHIC.

Paterson, April 12.—Todd & Ritchie's jute and hemp mill was burned this morning. Loss \$75,000 insurance, \$50,000. One hundred and thirty hands are thrown out of employment.

Aspinwall, April 5.—Via Havana April 12.—A revolution has broken out in Panama in favor of ex-President Corresse. President Miera is a prisoner. It is said he secretly sustains the revolutionists, who are in possession of everything. No lives have been lost. Corresse was expected at Panama on the 4th inst.

San Andreas, April 15.—A fire occurred on St Charles street at 5 o'clock this afternoon. Ten buildings were entirely consumed with their contents, and several other buildings partially damaged. Losses, about \$8,000; but a small amount insured.

Prescott (A. T.), April 5.—Forty seven more Apaches were killed. Following are the particulars: On 11 of March Gus Swain, J. McDonald and George Taylor were slaughtered by a large band of Apaches. Within twenty days after the murders were committed seventy nine warriors, composing a band, have been killed and 16 women and children taken prisoners. Since, Lieutenant from Camp Date creek arrived at Fort Wipple Lieutenant Rice had a number of Apaches and Mojave Indians from the Date-creek Reservation, and Dan O'leary and Saw Ballas guides and trailers, and went to the scene of the massacre, they followed the trail of the red skins till they crossed the trail of a party from McDonald, who were on the same track. Lieutenant Rice procured sufficient evidence to make it certain that young Taylor was captured alive and subjected to most horrible torture. The Apaches and Mojaves with Lieutenant Rice declared that the Indians who committed the outrage were Pinals. After striking the trail of the McDonald party, Rice turned toward Prescott and arrived at Fort Wipple on Saturday last, having followed the trail from Hassayampa creek toward the Tonto Basin across the Agua Frio, and returning to Fort Whipple by Humburg creek. An express arrived at Whipple on Sunday evening, from Captain G. M. Raulall's camp, stating that he had killed forty-seven warriors and captured seven squaws. The news were received in Prescott about sundown and the rejoicing was general. Never since the settlement of Arizona has retribution so speedy and full ever overtaken the Apaches as in this instance. It is ascribed to General Crook and the brave troops, officers and men.
