

TOWN AND COUNTRY NEWS

DALLAS, SATURDAY, MAY 17 1873.

Comic.—The Picnic that took place at the Salt Creek school house last Saturday is said to have been a success, everybody seemed to be pleased at least.

J. H. Kincaid will be in Dallas two weeks longer he will be prepared to take pictures.

Look Out.—The Modoc outrage will take place here next Wednesday by one McDonald he will sell Salmon direct from his Fishery at Oak Point which will come in nine hours. Now the only way to stop this outrage is to buy his Salmon and pay the cash.

Well Done.—One Neil Gage, while out hunting the other day, killed two panthers and the neighbors took up a collection of \$16 and handed it over to Neil for killing those wild and ferocious animals. Harrah for Neil.

Monoc Orange.—I will be in Dallas on Wednesday afternoon the 21st at 11 o'clock. Highest price paid for Chickens.

At The Bar.—Henry Hagood wants it distinctly understood that during the coming Circuit Court he is prepared to furnish more feed and hay for horses, and more feather beds and good substantial grub for both men and women, than any man in Dallas. No Chinaman allowed about the premises as cooks or otherwise.

Reward.—One hundred dollars reward is offered for two men who broke jail at Corvallis or fifty dollars for either of the men. They made their escape on the morning of the 13th inst. Emery Jones, charged with robbing a house. He is aged about 19, but looks to be 21. Height about 5 feet 8 inches; weight about 165 pounds; rather light complexion, blue eyes; dark, curly hair; had on black coat pants and hat, and a pair of small beed boots—looks like a thief. White charged with stealing a horse. He is aged 19; looks to be 17; much smaller man than Jones; light complexion; rather light hair and had on dark clothes.

IN MEMORIAM.

George Howe who departed this life May 4 1873.

Gone! Aye for ever, art thou companion friend? Resting beneath the portals of the tomb. Thou in the prime of life, and manhood's halcyon day, Touched by the hand of death could not avert thy doom.

But Oh cruel death couldst thou not o'er, him pass Nor numb the heart of home with most appalling shock. 'Tis but a little while, and thou with dart so keen Pierced that hearth of home, and took the life of the flock.

And thou art gone, forever gone, companion friend.

And friends that lov'd thee, weep and mourn thy loss. Thy loss we mourn, but not thy fate lost friend For thou art with thy sister fair, as gold refined of droops.

But 'tis as those with wasting breath die't leave this earth She from that blissful home did welcome thee above. Yes through the world of spirits in ecstasy divine She with arms extended leads thee to the "Font of Life."

And drink thou deep, the water of that font, lost earthly friend And be thou with her near us in our walk through life So that we our losses bear and gain the crown of glory that awaits us when we leave this world of strife.

Oak Grove, May 11, 1873. A. O. Y.

RESOLUTION.

The following Resolution was adopted by La Creole Lodge, No. 23, I. O. G. T., May 19, 1873.

IN MEMORIAM.

Died in Dallas, May 4, 1873, Brother George Howe.

WHEREAS: It has pleased Almighty God in his providence to remove from our midst, by death Brother George Howe, therefore Resolved That in the death of brother Howe our Lodge has lost one of its most exemplary members. The community one of its brightest ornaments, and his family one of its dearest ties.

That we bow in humble submission to the will of our Heavenly Father, and though we mourn we mourn not, as those who have no hope but in confidence that our loss is his eternal gain.

That we deeply sympathize with the bereaved family, in this their great affliction and we most ardently pray the God of all grace and consolation, will comfort and sustain them while they live, and finally reunite them in that Temple not made with hands eternal in the Heavens.

That this report be made a permanent record on our minutes, and that we will wear the usual badge for this thirty days as a memorial of regard, and that a copy be furnished the Pacific Christian Advocate, LIBERAL REPUBLICAN and Christian Messenger, for publication.

Crickets have appeared in some parts of Wasco County. They are playing sad havoc with some of the vegetable gardens. It is supposed they crossed the river from Klickitat Valley.

Says the Roseburg Plaindealer: We learn that Mr. Poland, who was unintentionally shot by Tracy, who committed suicide on that account, is very low and little hopes are entertained of his recovery.

James Cuthorn, who lives near Philomah, Benton County, met with a severe accident on Tuesday last. He was lifting a barrow, when he let it fall upon his hand, one of the teeth tearing a fearful gash.

Says the Coos Bay News: F. G. Lockhart returned from the city per last steamer with all the necessary machinery to extract the gold out of the black sand. He claims to be able to work up about forty tons of sand per day.

Says the Roseburg Plaindealer: Orders have been received here for forty more men for the Modoc service, to protect settlers in this State. They are to form a company in connection with those already gone, and elect their own officers.

The Albany Democrat says: Last Wednesday the contractors for construction of the Santiam Ditch went to work with a small force of hands, which will be increased to fifty next week. They are paying for hands \$1 per day and board; for team and driver, \$3 per day, the teamster to furnish himself and team with provender.

Speaking of the Modocs a Fort Wayne paper early says: "Let every blade of grass in the Northwest be watered with the blood of these treacherous fiends, and the rivers, as they flow down to the ocean, carry with them the scarlet tidings of a nations vengeance; and may be mingled with the gory stream that flows in the veins of the vacillating shriekers for peace, to whom is principally due the preparation of the late horrible butchery."
