NOTICE. The first term for the Academic year 1873-4 of the La Croix Academy at this place, will commence on 15th of September. A commercial department will be organized about the 3d of November. The school will be under the control and management of Prof. W. D. Nichols whom we welcome back to the position he so long and ably occupied in our Academy. The people of Dallas and vicinity may rely upon a good school, and may well feel proud that they have secured the services of a teacher so eminently qualified by his learning and long experience.

New LIZ.—Since the silly excitement about the effect of the railroad on the west side has passed away, Dallas is improving rapidly and the only merchant at Dixie has recently removed to this place with his entire stock of goods. We refer to Mr. Clark who is now filling up the new building on the corner opposite the drug store with groceries and provisions. Mr. Clark is an enterprising gentleman, taciturn but full of business, and we welcome him to Dallas, where we expect to see him make lots of cash. We advise the citizens of Dallas and vicinity to give Mr. Clark a call and try his goods and test his prices. We also advise the old foggy traders of Dallas to wake up Mr. Clark may show you a thing or two of which they have heretofore been ignorant, for there is lots of money in Polk county; we shall see who gets it.

By reference to the communication of our old friend S. C. it will be seen that some of our Dallasites, who are subject to nervousness, started to the coast in so much of a hurry that they forgot to take with them any of those companions or perquisites, which makes one happy on such occasions. It seems that in the excitement they reached salt creek the first night, five miles from Dallas, and supposed they were on salmon river near the sea coast, and on calling at the nearest house inhabited, they found one of their neighbors, Mrs. G, being well acquainted with the bewildered party, and seeing at once their sad condition gave them a nice meal, furnished them with proper necessities, and sent them on their way rejoicing. If they find friends so kind all the way round, we shall look for their safe return to the paradise of the west.

FOR RELIABLE FIRE INSURANCE APPLY TO THE OLD PHENIX OF HARTFORD because

First, It has complied fully with the Oregon State Law. Second, Its contracts in Oregon are backed, under a re-insurance contract, by its own and the united assets of the Home Ins. Co. of New York and the North British and Mercantile Ins. Company of London, aggregating \$22,064,087 97 offering the best security of any Fire Insurance Company or Association in the world. Third, It can carry large risks, as its policies are re-insured by the above mentioned Companies, so that the PHENIX alone can carry the same line that all three companies would take separately. Fourth, It requires but one set of proofs in case of loss; thus giving the security of three Companies without the trouble of dealing with separate Corporations.

On these solid merits, viz: Capacity to carry the largest risks, The simplest possible security, The prompt adjustment in case of loss, and The prompt and equitable payment of all just claims, The Phenix Insurance Company solicits your patronage.
