

TOWN AND COUNTY NEWS.

RELIGIOUS NOTICE.

Rev. Dr. Dawne of Salem will preach in the M. E. Church South in Dallas next Wednesday, Thursday and Friday evenings. Services commence promptly at 8 o'clock. These sermons will be from the book of Revelation. All are invited. The first two sermons will be especially to members of any and all churches.

NOTICE
The new postage law goes into effect the first of July. We desire that all our exchanges would be sent to us regularly as before, no matter what the postage cost us.

Dallas is improving.
Good.—La Crose Lodge I. O. G. T. has 150 members.

Who refuses to advertise in a home paper, can never prosper in business.

Harvesting has fairly commenced and the yield is immense.

At Lees, you will get the best quality of goods and for less money than any place in town.

HYMENEAU.—Phil Johnson of Independence has become a Benedict. We wish him success and think he has got his *gait*.

Ed, Bolter, Dr. Sites and some others started for the Spokann country last Monday. We wish them a pleasant trip.

County court adjourned yesterday after transacting a good deal of business. We wish publish the proceedings next week.

We are glad to see the re-appearance of the Jacksonville Times, because it is a live paper and wears no gag.

This office is under many obligations to Al Graham for a splendid basket of green peas, and a lot of very nice early cabbage. Al's garden is full of just such luxuries.

A fine line of groceries and tinware at the Post office Store in Dallas, every description of produce bought that can be sold again. Reason wanted none. Terms cash or trade on the spot goods at low rates "come and see."

TRUCK.—A lady attorney in our city is playing "josh" with the business of that profession for getting up "notices to quit" she is perfection and generally does everything she undertakes up *Boox*.

DONATION.—A donation party will be held at the residence of Rev. Mr. James on Tuesday evening next. Everybody is invited.

GRATIFYING.—From Judge Myer who accompanied C. G. Carl Esq. to the Wichita Springs we are pleased to learn that the condition of Mr. C is such, that hopes of his recovery are freely indulged in.

The road between this place and the Barney-Scott ranch is in places in a bad condition. The teamster with his load of hay calls loudly for the "overseer" to fill up washes and build culverts.

Thanks to our friend John Ply for the very best lot of blackberries we ever received from anybody. We had all we could eat, and filled three glass jars besides. We enjoyed the eating, and we enjoy looking at the remainder in the jars.

The sky is clean again and the air is cool after the showers of Wednesday and Thursday, tho' the "quake" of the farmer was felt less his all should be drenched beyond endurance, yet he feels that he is yet safe for a time and he goes forth reinvigorated to reap his harvest of plenty.

For the very best photographs go to Bradley & Ruloffson's Gallery without STAIRS—ASCEND IN THE ELEVATOR, 24 Montgomery street, San Francisco.

LOOK TO YOUR INTERESTS.—If the citizen of Dallas and Independence would labor for each other's interest, by securing the establishment of a county road on a direct line from one place to the other, then bestow means and labor enough upon the road to turnpike and gravel it from the creek so that heavy loads could be hauled over it all times in the year, it would be worth more to each place than a railroad running through the county half way between the two places. The ground is level and over a road turnpike and gravelled, the Dallas merchants would be enabled to haul two tons on a single wagon. Look to your interest.

Special Notice.
It is well known fact that Dyspepsia and Indigestion are the causes of nearly all the diseases that the human body is heir to; then why pay enormous doctor's bills? By using Dr. Henley's celebrated I X L Bitters they can be thoroughly eradicated from the system and new life imparted to the sufferer. Read physician's certificates in advertisement in another column.

FOR RELIABLE FIRE INSURANCE

PHENIX OF HARTFORD because,

First, It has complied fully with the Oregon State Law.

Second, Its contracts in Oregon are backed, under a re-insurance contract, by its own and the united assets of the Home Ins. Co. of New York and the North British and Mercantile Ins. Company of London, aggregating \$22,500,000, offering the best security of any Fire Insurance Company or Association in the world.

Third, It can carry large risks, as its policies are re-insured by the above mentioned Companies, so that the PHENIX alone can carry the same line that all three companies would take separately.

Fourth, It requires but one set of proofs in case of loss; thus giving the security of three Companies without the trouble of dealing with separate Corporations.

On these solid merits, viz: Capacity to carry the largest risks, the simplest possible security, the simplest adjustment in case of loss, and the prompt and equitable payment of all just claims, The Phenix Insurance Company solicits your patronage.
