The Thermometer stood at 99 degrees in the shade on Friday.

Wonderful improvement in Dallas recently, in the way of aristocratic awnings.

There is now great attraction at the store of R. A. Ray, Eola, goods sold at cost and freight.

If you want to purchase anything in the drug line, go to Weatherford & Co. Salem, and save money.

Some people in Dallas complain of hard times, but on examination it will be found that it is those only, who do not support a home paper.

We are pleased to learn from Messrs Holmes and Daly who have just returned from the Wilhoit Springs, that C. G. Curl Esq., is fast improving.

For the very best photographs go to Bradley & Ruloffson's Gallery without stairs—ASCEND IN THE ELEVATOR, 24 Montgomery street, San Francisco.

We call attention to the advertisement of Prof. W. D. Nichols in this issue. Get your children ready for the best school ever taught in the La Creole Academy.

We call special attention to the advertisement of Henry Reasoner of McMinnville who is prepared to card all the Wool in the county and promises to give satisfaction. Give him a call.

WARRIEN.—August 7, 1873 at the residence of Mrs. Mary C. Wilson in the town of Buena Vista, Polk County, by J. S. Kays, J. P. Mr. H. D. Hall, to Mrs. Mary C. Wilson all of Polk County, Oregon.

The two County Conventions are called to meet here, to come off on the same day at the Court house, there will be a fight of course, for its occupancy. We shall look calmly on, and witness the battle of the Kilkenny cats with some interest but without choice.

WORTH EXAMINING.—Look at the list of articles in this column for sale at Clark's, and remember you can purchase many things there twenty per cent cheaper than at any establishment that don't afford to advertise in a home paper.

DEFALCATION.—We are informed by G. W. Cary General Agent for the Continental Life Insurance Co. of N.Y., that D. A. Scott whom he appointed last winter as traveling agent on the recommendation of good men who of course were deceived in him, has absconded leaving his sureties to pay about \$300 being the amount that Scott had in his possession of the company's money when he decamped. Scott is 5 feet 10 1/2 inches in height, light complexion wears sandy whiskers, was dressed in a light colored suit when last seen. He takes his whisky "straight" and is not particular about giving anything in exchange as a merchant at Independence failed to even get his note which by the way would have been worth about as much as confederate script Scott is always ready to play a game of Poker especially when he has money belonging to his father-in-law, (who is one of our best citizens and one of his sureties,) or to the Continental Life Insurance Company. Mr. Cary is anxious that he should be passed around in order that Life Insurance may not be injured by the pranks and tricks of this drunken scamp.

FOR VALUABLE FIRE INSURANCE

APPLY TO THE OLD

PHOENIX OF HARTFORD

because

First. It has complied fully with the Oregon State Law.

Second. Its contracts in Oregon are backed under a re-insurance contract, by its own and the united assets of the Home Ins. Co. of New York and the North British and Mercantile Ins. Company of London, aggregating \$22,564,987.97 offering the best security of any Fire Insurance Company or Association in the world.

Third. It can carry large risks, as its policies are re-insured by the above mentioned Companies, so that the PHOENIX alone can carry the same line that all three companies would take separately.

Fourth. It requires but one set of proofs in case of loss; thus giving the security of three Companies without the trouble of dealing with separate Corporations.

On these solid merits, viz: Capacity to carry the largest risks, The amplest possible security, The simplest adjustment in case of loss, and The prompt and equitable payment of all just claims, The Phoenix Insurance Company solicits your patronage.
