TOWN AND COUNTRY NEWS.

CHURCH DIRECTORY

M. E. Church.—Services on the 1st Sabbath in each month at 11 o'clock A. M. and 7 P. M. Sabbath school every Sunday at 9 A. M. Prayer meeting every Thursday evening. Rev. J. James, Pastor.

M. E. Church South.—Services on the 1st Sabbath of each month at 11 A. M. Rev. J. M. Love, Pastor.

Baptist Church.—Services on the 3d Sabbath of each month at 11 A. M. Rev. P. Holman, Pastor.

NOTICE.

I Notice in Friday's Oregonian that W. F. Odell will speak at Dallas on Monday September 29 and invites any gentleman who proposes to speak in the interest of the democracy to meet him there. I cheerfully respond to his kind offer and will divide time as we can arrange on his coming.

J. J. Daly.

Wilson's Great Circus will be here to-night. Let everybody go that likes fun.

MARRIED.—Married by H. M. Waller September 21 1873. S. C. Williams and Mattie M. Davis all of Yamhill Oregon.

Dallas is very quiet, only two fights in town this week.

For the very best photographs go to H. Rad & Ruloffson's Gallery without STAIRS—ASCEND IN THE ELEVATOR, 24 Montgomery street, San Francisco.

COMPLIMENTARY.—We have received a complimentary ticket for the State Fair which comes off next month, Monday the 6. Let everybody turn out, enjoy a holiday, and make the Fair a success.

LARGE.—Ed. Delahunt raised a tomato which measured 26 inches in circumference. It took Clark two days to retail it at 4 cts. a pound, the whole town feasted sumptuously for 48 hours. Who beats it?

THE CONCERT.—On Wednesday evening of this week the McGibney family gave an entertainment at the M. E. Church which was well received by an appreciative audience. This family possesses extraordinary talent as vocalists, and they deserve to be well patronized.

NO HUBBUB.—R. A. Ray of Eola is now receiving a mammoth stock of dry goods and groceries direct from San Francisco by the steamers Ajax and John I. Stephens, which he proposes to sell to the people of Polk county on better terms than they can be purchased elsewhere in the county. Don't think this a humbug, but go and see Mr. Ray's stock before you purchase your Fall and Winter goods.

POLITICAL.—We learn from reliable authority, that in the Luckinute precinct in this county, there is but five voters out of two hundred who have up to this time consented to take the suicidal step, of going to the polls on the thirteenth of October, and they have determined to oppose their better judgment and in the absence of anything better, vote for J. W. Nesmith.

All persons in Polk county losing sheep within the last year by dogs, wolves, or disease will find it greatly to their advantage, to report the number lost and the cause, to James Tatum at once. Address him by letter or otherwise at Eola Polk County Oregon. Sep 24

AMUSEMENT.—Wilson's grand paragon circus will be in town and perform on this evening. The very names of this renowned circus is sufficient. Come out everybody, and leaving dull cares behind, laugh and grow fat. This expense is nothing compared with the great privilege of witnessing what man can do.

To arrive at Clark's in a few days. Every description of Modern Goods of the very best quality also a fine line of Boots and shoes of all sizes and genders. Groceries in endless variety. All kinds of produce wanted that is saleable. Lord wanted—none else a lot of hams and shoulders sides not refused. Highest possible price for everything, and goods at lowest living rates. Call and see.

We notice at Salem the arrival of Mr. A. N. of the firm of A. N. Gilbert & Co. who has just returned from San Francisco where he has been making personal selection of a full stock of boots and shoes for the fall trade. This gentleman's experience is a guarantee that the new stock is the handsomest and most complete of any brought to the city for the fall and winter trades. We would recommend our friends of Dallas and Polk county to call at this house and examine their stock of goods and we can assure them fair dealings and gentlemanly treatment.

The September number of Wood's Household Magazine is on our table. We always have a good word to say for this publication—it is such a whole-souled book—so wide awake, so lively and entertaining, yet always so caste and refined. It is a regular little go-ahead, too, as comparison between its numbers will prove. We learn that the firm of S. & Wood & Co. dissolved in March last, the "Co." (S. E. Shutes, Mayor of Newburgh,) retaining possession of the magazine, and recalling H. V. Osborn (Teneron) as editor. So, though the publication really changed hands, it has not suffered from the management of a new publisher or new editor, but under the redoubled efforts of its energetic proprietor, has gained new force and new attractiveness. Price only \$1.00 a year. Address

WOODS HOUSEHOLD MAGAZINE. Newburgh, N. Y.

We learn from G. W. Carey Gen. Agt. for the Continental Life Ins. Co., that he has appointed Mr. W. C. Whittall of Independence, local Agt. for that place. The business of the Continental is increasing so that Mr. Carey finds it necessary to have several local agts. Mr. Whittall is the drug gists at Independence and a good business man and will fairly represent the Co. Insure your life in the Continental the best Co in the world. Policies nonforfeiting, 30 days grace allowed in payment of renewal premiums. Policy holders may travel in any part of the world without extra charge.

We call attention to the advertisement of John W. Gilbert in this weeks issue who keep constantly on hand a large stock of Boots and shoes which he offers cheap for cash. Examine his stock and satisfy yourselves, he is always on hand ready to show you any thing in his store free of charge.

ACCIDENT.—Last Tuesday a little boy of W. C. Wills, of Ochoee, but now visiting his friends in Dallas, through a pair of scissors at his little sister, about four years old, driving the points so far into her neck, as to require considerable exertion to extricate. When pulled out the blood flowed rapidly from the vein which they had penetrated. Dr. Grubbs was immediately called and pronounced it fatal. but on examination it was ascertained not to have entered the main artery, and there is now some hopes of the child's recovery. The boy of course, feels very bad, but his little sister, will not allow him to come near her bed side.

As We buy our goods in the Eastern Mar gets for cash, we shall continue to sell at such prices as to defy competition. For the next 30 days we shall sell 50 pieces new styles prints at twelve cents worth 15.

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. It is wanted merely for a

HAIR DRESSING.

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.
