The best assortment of boots and shoes ever brought to Dallas can now be seen at Clark's postoffice store. I want 10,000 pounds dried fruit of all kinds for which I will pay highest possible price—my line of groceries is now complete also Tinware and Stoneware I keep no books and sell accordingly. come and see.

Edward Delashmutt is a citizen of Salt Creek precinct. and has long been noted for the size of the vegtables which he has brought to market, but the old gent astonished himself the other day by digging a hill of Irish blue potatoes, which contained 36 in number and weighed 61 pounds the potatoes can now be seen on exhibition at Clark's Postoffice store Dallas, where everything in the grocery line can be bought very low as he sells exclusively for cash or produce.

A Sad Affair.—On last Monday about 4 o'clock in the afternoon, T H Glaze came up to Mr. A H Whitley, who was standing by his carriage giving orders to Mr. Teal for its repair, and shot him twice. once in the neck and a second time in the head causing instant death.

Glaze was arrested and waived an examination and was placed under bonds of ten thousand dollars for his appearance to the circuit court. So far as we can learn Whitley did not see his assailant at all, and in all probability never knew who shot him. This affair grew out of a fued long existing between the parties, and it is hoped that no more blood will be shed On the day of the occurrence Whitley was in town with his carriage unaccompanied by any one. Glaze claims that it was necessary to do this to save his own life, so say his friends, but there is a deep seated feeling in the community, to see the matter thoroughly investigated to the end that justice may be done, and a quietus placed upon our lawry in our village and community. It gives us much pain to be compelled to chronicle an affair so sad as this occuring in our own vicinty, but it is upon us, and there is but one duty and that in common with all good citizens to use whatever influence we may possess, to restore and establish quietude and maintain the law.

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

HALL'S VEGETABLE SICILIAN HAIR RENEWER.

Every year increases the popularity of this valuable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring Gray or Faded Hair to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical Hair Dressing ever used as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the Best Preparation for its intended purposes."

FOR THE WHISKERS.

As our Renewer in many cases requires too long a time, and too much care, to restore gray or faded Whiskers, we have prepared this dye, in *one preparation*; which will quickly and effectually accomplish this result. It is easily applied, and produces a color which will neither rub nor wash off. Sold by all Druggists. Price Fifty Cents.
