A BLIND MAN BEUFFED.

We have received a marked copy of the Springfield Sunday Republican. In it is a correspondence dated Portland Oregon. It starts in to state "there are two great rivals for the internal water communication of the Northern we like to have run our horse into a can-Pacific States-the Columbia River sysyon, and we were not blind like the tem and the Puget Sound system." In Springfield Republican correspondent. a short time it makes a statement that He says there are no big towns on the is altogether false, as we shall demon- Columbia River, this, dear friend, is strate, and any man that uses his eyes owing to a lack of inhabitants, agriculcan see for himself that we tell the truth. ture doesn't prosper much because people It states the Columbia River "has no live mostly on ducks and salmon and large towns on its banks, and no very pick their teeth with hawthorns. We good sites for them." What is the maihave some deers with antlers and otherter with Columbia City, or rather the country on the Oregon side from Milton to Deer Island or even to Coffin Rock? There is provision for everything a big city needs. There is ground not subject with to overflow, there is an unfailing supply of wood, water and adjacent garden land. There is an easy and inexpensive communication with all parts of the world, there is coal, iron and building and paving stone in abundance. There is nothing wanting but appreciative men of brains to see the situation, and improve it, and make themselves millionaires without the slow process of skinning everybody and everything. We advise the Springfield Republican to send the next time a man that can see. Their corres-We shall send a marked copy of the senses COLUMBIAN to the Springfield Republy can which will convince them that we are not blind if the correspondent is. Now where is there a city in Arterica lias as good a site as Columbia City or even St. Helen? Alongside their wherves

	Havn't you got a little eye salve for your correspondent, Mister ? Do you think he could see Mt. Hood in a clear day, or Mt. St. Helen when she puts on her pink night gown at sunset? There is immense water power in the immediate vicinity of St. Helen and in the vicinity of Portland there is'nt water power enough to turn a coffee mill. Here is Milton Creek that would supply with water power a city like Holyoke, and Milton Creek is not all, there is Tide Oreek, and others too numerous to men- tion. We could easily manufacture blankets for all the Indians in the world and some whites, we could make cotton cloth enough for all the United States	but his doctrines will go marching on forever. The pioneers who left here a few weeks ago to visit the East have com- menced to arrive back in small parties. They are delighted with the trip, but think there is no place like home. The California end of the Oregon rail- road is bounding this way. Trains are now running 14 miles north of Redding. The new Puget Sound steamers will soon leave the Atlantic side for this coast.	A Bargain. A small ranch, nicely located, good land, good timber, good water, half mile from Coffin Rock, half mile from Abe Neer's wharf; also a good cow, hay, po- tatoes, cabbage and other garden stuff, chickens, good house, 5 acres cleared, 3 acres grass, title perfect; all will be sold at a bargain for cash. Call soon or you may lose a bargain. G. W. CROSS.	dol, whom she had not seen for 38 years. Mr. Grey will take back his black- smith shop, and relieve Mr. Searcy who has made hosts of friends by his manli- ness and strict attention to business. We are however happy Mr. Grey's health is restored. Mr. Carrico has sold some of his land to advantage, and is happy; we are glad to hear of his prosperity. He has a fine family. His daughter is one of the love- liest ladies in that region of God's pas- ture-land.	NOTICE OF APPLICATION TC PURCHASE TIMBER LAND. LAND OFFICE AT VANCOUVER, W. T. (November 6th. 1883. / Notice is hereby given that in compliance with the provisions of the Act of Congress approved June 3, 1873, entitled "An Act for the sale of Timber Lands in the States of California, Ore- gon, Nevada, and in Washington Territory," Dennis Whittaker of Cowlitz Co., Wash.
