THE COLUMBIAN.

U. S. OFFICIAL PAPER.

NEWS DROPS.

Esq. Perry appears to have renewed his youth.

Mr. T. Cooper is still doing a rushing business as butcher.

Mr. G. W. Harris has a lame hand, so has Mr. Konkle.

Mrs. Reed, widow of Jotham Reed, has lately been in town.

G. W. McBride has increased his stock lately in many articles.

Judge Moore is all the time increasing his stock of law books.

J. Decker is barbering and shoemaking also in his tidy little shop.

W. B. Dillard has had Capt. Habersham and son for visitors lately.

W. B. Dillard is not hot-headed, even if he does have a *boil* on his neck.

Mr. W. H. Whitney has a very fine chandelier at his place of business.

$100 has been raised in St. Helen for the sufferers from the flood in Ohio.

Mrs. Captain Lemont has gone to Forest Grove to visit her daughter.

S. A. Miles reports the grass in a high state of forwardness on Deer Island and vicinity.

S. A. Miles had potatoes radishes and onions planted in his garden before March came in.

A cow-boy in old time used to be called a bull-calf. How names as well as times change!

We have heard a young poetess lately wrote a very interesting poem on a Crook-neck Squash.

The hay-shed on the Met F. Hazen place, Scappoose, has been blown flat in this late rough weather.

Rev. S. C. Adams was lately married in California to Mrs. Martha Rayl, a sister of Mrs. F. F. Victor.

It is rumored James Shintaffer will go into partnership on the Taylor ranch with his uncle Enoch Meeker.

Mr. T. A. Cloninger reports little done on the Railroad on the Scappoose except putting in cattle guards.

At the School Meeting A. H. Blakesley was re-ellected as School Director. The Board remains unchanged.

Mr. C. S. Emerson has 75 cords of wood ready for shipment on the banks of Grey River. His market is Astoria.

Dr. C. G. Caples has returned from California. He is much pleased with the ranch he has purchased near Los Angeles

James Wharton and Willie Meeker are very sick at Mrs. Meeker's with pluro-pneumonia. Dr. Moore is their physician.

We understand Mr. George Roussell is teaching a private school which the Cox, George and Conyers children are attending.

Mr. T. H. Taylor intends soon to leave for Vermont via California. His father in Vermont is still living at an advanced age.

Messrs. Hunter and Swanger run hand-cars on the railroad just for amusement, and consider it better than riding a sore-backed cayuse.

Obed Blakesley has a fine collection of seed potatoes for sale at the ranch foot of Sauvie's Island just sold by Taylor to Enoch Meeker

Mr Boatman intends to return to Illinois in the Fall, as do all his relatives except the Mr. Mathews that lives near the site of Moore's old mill.

Mr. Dell Farnsworth has left for California. He will proceed from there to Michigan where he will take care of his parents in their declining years.

Dr. Stewart has taken the place for his office lately vacated by W. H. Whitney in the Tom Elrington building on River Street. This is a good stand.

Don't forget to attend Pinckney's dance on the 7th of March. It will be a way up affair. And such a supper—its memory will last a man a life time.

It is reported I. T. Jenny was poisoned, and that he left his estate to the college at Forest Grove. These are mere rumors. He was kindly cared for.

Mr. Frank McNulty was in town Wednesday. The work at the Cascade Locks is stopped for the present, all hands waiting for Congressional appropriations.

ST. CHARLES ARK., Aug. 23, 1883.

B. J. KENDALL & Co. GENTS:—I take pleasure in infoming you that I used nearlp all of the bottles of Kendall's Spavin Cure that you sent me from St. Louis, according to directions, and to my satisfaction (and I must say to my surprise) in about two weeks my mare was entirely well of her lameness caused by a bog spavin of over one year's standing and in three weeks time the swelling was all gone and the mare is now entirely well and can trot as glib as ever. I consider the bottle of Kendall's Spavin Cure worth to me $150.00 as the animal was worthless as she was on three legs and could scarcely get around on them and now she is the finest buggy animal in these parts and with the remnant of the bottle after curing the mare I have nearly cured a very severe corn on the ball of my big toe that has given me great pain for two or three years. I have only applied Kendall's Spavin Cure four times and the corn now is nearly out by the roots and without any pain. In short I think it is the best liniment that is in use. I have Kendall's Treatise on the Horse and his Diseases and I would not take any money for it if I could not get another. Hoping you great success I remain

Yours respectfully,
R. C. MARTIN.

DR. B. J. KENDALL & Co., Gents:—Sample of circulars received to-day. Please send me some with my imprint, printed on one side only. The Kendall's Spavin Cure is in excellent demand with us, and not only for animals, but for human ailments also. Mr. Jos. Voris, one of the leading farmers in our county, sprained an ancle badly, and knowing the value of the remedy for horses, tried it on himself, and it did far better then he expected. Cured the pain in very short order.

Yours respectfully,
C. O. THIEBAND.

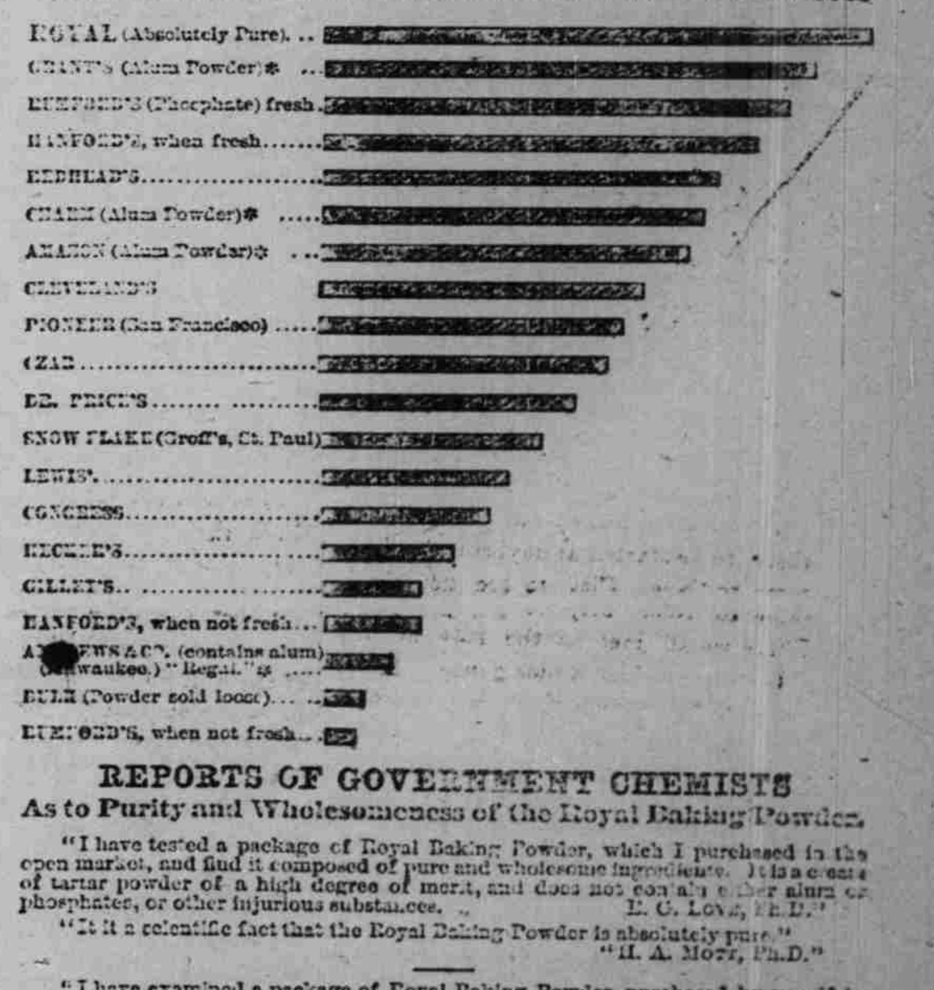
COMPARATIVE WORTH OF BAKING POWDERS.



REPORTS OF GOVERNMENT CHEMISTS
As to Purity and Wholesomeness of the Royal Baking Powder.

"I have tested a package of Royal Baking Powder, which I purchased in the open market, and find it composed of pure and wholesome ingredients. It is a cream of tartar powder of a high degree of merit, and does not contain either alum or phosphates, or other injurious substances. E. G. LOVE, Ph.D."

"It is a scientific fact that the Royal Baking Powder is absolutely pure." "H. A. MOTT, Ph.D."

"I have examined a package of Royal Baking Powder, purchased by myself in the market. I find it entirely free from alum, terra alba, or any other injurious substance. HENRY MORTON, Ph.D., President of Stevens Institute of Technology."

"I have analyzed a package of Royal Baking Powder. The materials of which it is composed are pure and wholesome. S. DANA HAYES, State Assayer, Mass."

The Royal Baking Powder received the highest award over all competitors at the Vienna World's Exposition, 1873; at the Centennial, Philadelphia, 1876; at the American Institute, and at State Fairs throughout the country.

No other article of human food has ever received such high, emphatic, and universal endorsement from eminent chemists, physicians, scientists, and Boards of Health all over the world.

NOTE.—The above DIAGRAM illustrates the comparative worth of various Baking Powders, as shown by Chemical Analysis and experiments made by Prof. Schedler. A one pound can of each powder was taken, the total leavening power or volume in each can calculated, the result being as indicated. This practical test for worth by Prof. Schedler only proves what every observant consumer of the Royal Baking Powder knows by practical experience, that, while it costs a few cents per pound more than ordinary kinds, it is far more economical, and, besides, affords the advantage of better work. A single trial of the Royal Baking Powder will convince any fair minded person of these facts.

* While the diagram shows some of the alum powders to be of a higher degree of strength than other powders ranked below them, it is not to be taken as indicating that they have any value. All alum powders, no matter how high their strength, are to be avoided as dangerous.
