Mrs. N. L. Gray is one of the most gifted ladies in St. Helen though perhaps everybody don't know it, as she is a very modest lady. Isn't it funny that people will be hunting stars of the first magnitude away off in heaven when they are shining right close to them and they never discern them?

THE LADIES' FLORAL CABINET, NEW YORK, has among the illustrated articles in its March number two that render it especially attractive. One, on its first page, of a scarlet Lilly; the blossoms of which range themselves in a circle at the top of the flower-stock, making a gorgeous crown. The other of a Floral Arch, illustrating one of the ways by which the lawn can be ornamented aside from bedding arrangements. Various interesting papers are contributed by well-known writers. Mr. Wm. Falconer, formerly superintendent of the Harvard Botanical Gardens, describes how a garden can be made beautiful with hardy flowers collected from the woods and meadows. F. Lance tells us of the novelties among Roses grown both in this country and abroad. E D. Sturtevant has some interesting facts to give about "Yellow Water-Lilies," a subject on which he is an authority. In the department of Home Decorations only such novelties in fancy-work are shown as are easy of execution and require small outlay for materials, a feature which commends it to all ladies. As the season is at hand when Spring Flower Gardens must be made, it is timely to say to our readers that the publishers of the FLORAL CABINET send this year, post free, to every yearly subscriber Two Everblooming Roses, or ten packets of choice Flower Seeds. As before stated, any of our readers may have a copy of the CABINET for examination at half price (six cents) by mentioning this paper. Address Ladies' Floral Cabinet, 22 Vesey Street New York.

The most successful Remedy ever discovered as it is certain in its effects and does not blister. READ PROOF BELOW.

ST. CHARLES, ARK., Aug. 23, 1883.

B. J. KENDALL & Co., GENTS:—I take pleasure in informing you that I used nearly all of the bottles of Kendall's Spavin Cure that you sent me from St. Louis, according to directions, and to my satisfaction (and I must say to my surprise) in about two weeks my mare was entirely well of her lameness caused by a bog spavin of over one year's standing and in three weeks time the swelling was all gone and the mare is now entirely well and can trot as glib as ever. I consider the bottle of Kendall's Spavin Cure worth to me $150,00 as the animal was worthless as she was on three legs and could scarcely get around on them and now she is the finest buggy animal in these parts and with the remnant of the bottle after curing the mare I have nearly cured a severe corn on the ball of my big toe that has given me great pain for two or three years. I have only applied Kendall's Spavin Cure four times and the corn now is nearly out by the roots and without any pain. In short I think it is the best liniment that is in use. I have Kendall's Treatise on the Horse and his Diseases and I would not take any money for it if I could not get another. Hoping you great success I remain

Yours respectfully, R. C. MARTIN.

KENDALL'S SPAVINE CURE ON HUMAN FLESH.

VEVAY, IND., Aug. 12, 1881.

DR. B. J. Kendall & Co., GENTS:—Sample of circulars received to-day. Please send me some with my imprint printed on one side only. The Kendall's Spavin Cure is, in excellent demand with us, and not only for animals, but for human ailments also. Mr. Jos. Voris, one of the leading farmers of our county, sprained an ankle badly, and knowing the value of the remedy for horses, tried it on himself, and it did far better than he expected. Cured the pain in very short order.

Yours respectfully,
C. O. THIEBAND.

Price $1.00 per bottle, or six bottles for $5.00. All druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietor, DR. B. J KENDALL & Co., Enosburgh Falls, Vt; Send for Illustrated circular.
