B. J. Kendall & Co., Gents: -I take pleasure in informing year that I used nearly all of the bottles of Kendall's Spavin Cure that you sent me from St. Louis, according to directions, and to my satisfaction (and I must say to my surprise) in about two weeks my mare was en tirely well of her lameness caused by a bog spavir of over one year's standing and in three weeks time the swelling was all gone and he mare is now entirely well and can trot as glib as ever. I consider the bottle of Kendall's Spavin Cure worth to me \$150,00 as the animal was weethless as she was on three legs and could scarcely get around on them and now she is the finest bugge animal in these parts and with the remnant of the lettle after curing the many I have nearly cured a severe corn on the ball of my big toe that has given me great pain for two or three years. I have only applied Kendall's Spavin Cure four times and the corn new is nearly out by the roots and without any pain. In short I think it is the best liniment that is in use. I have Kendall's Treatise on the Horse and his Diseases and I would not take any money for it if I could not get another. I oping you great success I remain Yours respectfully, R. C. MARTIN.
