BOSTON MEDICAL INSTITUTE.

An association of medical graduates from the best medical colleges of America, who have studied disease in the hospitals and clinics of Europe who have become skilled in modern medicine and surgery combining the best from all schools of medicine to supply the greatest ability, and most and most complete skill in all departments. This association has located an Institute in Portland Oregon to meet the wants of a large class of invalids in the West who are precluded from seeking Eastern skill by distance and lack of means. They give to the afflicted and suffering the benefits of experienced and specialists for Ophthalmic and Aural (eye and ear) diseases, for Catarrhal & Pulmonary and Cardiac (Heart) diseases for Hepatic (Liver) Renal (Kidney) and Gastric (Stomach) diseases for Brain Spinal and Nervous diseases Tumors, Cancers, Diseases of women and children.

The intention of this Association is to deal strictly honorable with all invalids and conduct the Institute above all reproach and earn a reputation for reliability and superior skill. The Institute is not to be classed with usual advertising physicians, but to rank with the best institutions of the country for treatment of all classes of diseases. Institute at Multnomah Block, Morrison St., Corner of 5th. Address, Boston Medical Institute, Portland, Oregon. T. COLFAX, A. M., M. D., Chief of Staff. DR. MARTIN, Physician in charge. DR. A. B. ADAMS, Examining Physician.

Atlanta, Ga is the scene of a most remarkable religious revival. Mr. Moody, the noted evangelist, has been called there to conduct the meetings, which are held in a large cotton warehouse that has been temporarily converted into a place of worship, and which accommodates a congregation of about 8,000 persons. The Governor of the state, the Mayor of the city, as well as prominent citizens of almost every profession and occupation are earnestly engaged in the work, and a large number of the leading citizens of Atlanta are numbered among the converts.

Maj. Peters, editor of the *Watske Republican*, and Republican member of the Legislature from Iroquois County, when he was assured of Logan's election, telegraphed to the boys from Springfield: "Logan is elected. Paint my old home red." The boys took him at his word, and showing the message to Mrs. Peters, gained her consent, and forthwith the entire male population turned out, and procuring the brightest red paint imaginable, painted the house, barn and outhouses scarlet, roof, chimney, and all, not sparing even the fences and tree trunks. *Lafayette Courier.*

The trial of Cloninger at Hillsboro began about the middle of last week and was finished last Friday. On Friday evening the arguments began and were closed on Saturday morning. The jury yesterday returned a verdict of guilty of manslaughter. The case grew out of a fatal shooting, which took place at Scapoose landing December 6, 1883. There was cost the counties Columbia and Washington about \$3000.

A few days ago Mr. Hoxter was driving a band of 700 horses near Baker City, a freight team approached, when the horses stampeded, running into a slough, thirteen of them being drowned and a number of others were lamed.

Brazil is about to put forth most vigorous efforts to carry out the emancipation of slaves. The law provides that the state shall pay half for his freedom, and the slave the other half by giving five years' service.

Thomas Cloninger will give a dance at his house on the Scapoose on the evening of the 3d of July. Tom has a big reputation as a caterer to the public, and every always enjoys a dance at his residence.

The sale of Cloninger's stock took place on Wednesday. It brought the sum of 1500 dollars. The civil suit for damages is on the tapis at Hillsboro.

CORRESPONDENCE.

RAINIER, June 15th. 1885.
On Sunday morning, June 7th, the Rev. * * * went out to milk his cow, the flies and gnats bothered the cow so badly that she was compelled to use her tail to keep the tormentors away and in switching her tail she made amiss and struck the preacher in the face and that made the old hypocrite so mad that he went out of the house and got a knife and cut the poor cow's tail off and he went to the house and put on his Sunday clothes and went to church, and left the poor cow to bleed, and had it not been for a lady seeing the cow in her perilous condition in time to check the flow of blood, the cow would have bled to death. It is yet doubtful if the cow will pull through.

If * * * expects to get to Heaven on such conduct as that he is badly mistaken. Old Satan is the boy to deal with such a cruel brute. Mr. * * * intends to preach in the valley Sunday June 21st, and every settler ought to turn out and ride him on a rail. Tar and feathers are too expensive to be used on him.

I have plenty of proof to the above NUCK.

Beaver Valley Squibs
S. H. Tryon, of Bradbury, was in the Valley last week, making arrangements for his proposed delivery wagon.

Mr. Ping of Kansas, was in the valley a few days ago visiting Mr. Kysar. John Rhoads started for the Nahalem mines a few weeks ago, and on hearing that there was no Sabbath School out there, returned in time to attend the Sabbath School in the Valley.

L. F. Banzer is getting out saw-logs for J. G. Trullinger of Astoria.

J. C. Hudson is driving team for Mr. Banzer. NUCK.

The *Welcome* man says Charles F. Adams Jr. gave us the go-by. It seemed to excite his sympathy more than it did ours. We never shed a tear or sighed a sigh. We suppose flunkies like the *Welcome* man would think it a big thing to see even at a distance a R. R. president, but we have seen Villard and still live. Numbers of others in Portland have seen him too to their sorrow. Put your head in a soap barrel.

Major E. G. Adams's family start to day for Berwick, York county, Maine, where they will in future make their home on Mrs. Adams's paternal homestead. Major Adams is the editor of the *Columbian*, and will follow his family in about six weeks. His paper in future will be conducted by Mr. A. B. Adams, a nephew. Major Adams was at one time editor of the *Register* at Vancouver and was appointed Register of the Vancouver land office by President Grant. *Telegram.*

We have received the following invitation:
The citizens of Vancouver and vicinity request the presence of yourself and family at a Basket Picnic and celebration in the City Park, at Vancouver, W. T., on Saturday, July 4th, 1885, at 10 o'clock a. m.

B. F. DENNISON, THURSTON DANIELS, ALMIRA PATTERSON, ANNA EASTHAM, GEO. H. STEWARD, Committee on Invitation.

We call attention to our new Ads, and particularly to Moore and Cole's. Judge Moore is so well known, it would be superfluous to speak of him, but Mr. Cole, till late the Judge's clerk, deserves a liberal notice. He is a gentleman of untiring industry, careful able and thorough, always at his post and ready for duty, nothing mean or slack about him, and don't you forget it.

We have received Mrs. Duniway's celebrated engraving entitled the Coronation of Womanhood. It is large and very well executed in the main. The following parties of Columbia County have portraits in it. Dr. T. Stewart, G. W. McBride, James Muckle, John Diblee and E. G. Adams.

Dr. A. B. Adams has received letters from General Wick Kenner's family in Arkansas, that they intend to start for Oregon. Dr. Adams has written to 40 different individuals who are expecting to make Oregon their home.

WANTED—a good printer capable of taking the whole charge of the mechanical part of the *COLUMBIAN*. Good wages will be paid to a competent man or an interest in the proceeds of the paper.

An Irishman complained to his physician, that he stuffed him so much with drugs, that he was sick a long time after he got well.

Miss Helena Holman, it is reported, will give instructions in music here and at Columbia City during her summer vacation.

THE USUAL RESULT.

It is not to be denied that a good sewing machine is one of the most important appurtenances of the modern household. We thought we had a good machine until one day the agent of the *New Home* presented himself to our door and proceeded to deliver an oration upon its characteristics merits.

"But," we answered, "our machine suits us well and we do not care for another."

The agent, however, begged the privilege of leaving one of his machines with us, "for the ladies to try."

The request was not unreasonable, so we granted it—but more to oblige the agent than anything else; for we really did not want the machine, and had not the remotest idea of buying it.

The machine once in the house, it was natural that the ladies should look it over; they did so, and as a consequence fell in love with it. They say without the slightest wish to decry or disparage any other machine, this all things considered, is, in their opinion, the most desirable one to be had.

This unrivaled machine is manufactured by the *NEW HOME SEWING MACHINE CO.*, Orange, Mass., and 30 Union Square, New York.

The enterprising publishers of Dr. Foor's *Health Monthly* have, by the liberality of their premium offers, outdone all their previous generosity.

The list to select from includes useful articles, standard books and scientific literature, such as one usually expects to pay well for, but here they are thrown in with a year's subscription to the most popular and widely greeted *Health Monthly* at only fifty cents a year. Try it before you buy it by sending for a free sample copy and illustrated premium list to the Murray Hill Publishing Co., 129 E. 28th St., N. Y. City.

The *Public Herald* is a Godsend. It goes after the frauds with a picked stick. Mr. Lum Smith makes the bogus advertisers gnash their teeth with rage while he pulls off their lying disguises; and shows them in all their naked deformity. He ought to be pensioned, for there was never a more gallant soldier against fraud and its perpetrators. They are sniffling and fly like frightened wild asses of the desert when he approaches. His *Herald* costs 50 cents per annum, and is published at 706 Chestnut Street, Philadelphia, Penn.

The publishers of the *Floral Cabinet* supply to their subscribers each year premiums of a floral nature; and for 1885, they announce six different premiums from which subscribers may take their choice, embracing ten packets of Flower Seeds and some choice Dulcets, details of which may be had on application to the publishers at 22 Vesey St., New York. They will also send any of our readers a sample copy at half price (six cents), if this paper is mentioned.

COUNTERFEIT PRESENTMENTS
Of our beloved ones are always treasures. We should never delay in securing them while we can; and to those of our readers who visit Portland, we would say, do not return without visiting the *San Francisco Gallery*, S. W. corner First and Morrison streets, and getting your photographs taken, you may not have another opportunity to secure a perfect likeness and a highly finished picture. Most centrally located.

D. M. FERRY & Co., Seedsmen, Detroit, Mich., have sent us a copy of their Seed Annual for 1885. It is more beautiful and valuable than ever. The hints on the formation and management of gardens, as well as the cultural directions it contains have evidently been prepared by careful hands, and cannot fail to be of great service to all who garden, whether for profit or pleasure.

Received *Ridley's Fashion Magazine*. Can buy ready-made clothing cheaper than you can buy the cloth and make them yourselves. Published by Edward Ridley & Sons, for 50 cents per year, at Grand, Allen & Orchard Streets, New York City.

We have received the *Western World* published in Chicago. It is \$1.00 per year and for one searching for land or a home it is just what you want. There is information from every part of the United States.

We have received the *Lumber Trade Journal* also published in Chicago \$1.00 a year, a monthly. This is the book for one who wants to be posted on the lumber business.

We have received the *Farmer and Manufacturer*, published at Cleveland, Ohio. It is a monthly, only 50 cts. a year, and is a valuable contribution to home literature.

Received *Illinois Agriculturist* published at Chicago Illinois, and *Chautauqua Farmer* published at Dunkirk, New York. Terms of each \$1.00.

LOCAL NEWS.

We went up with our family consisting of a wife and two children to send them off to States on Tuesday. We went on the *Kellogg*, and had a very pleasant trip. Monday and Tuesday till noon we were very busy preparing for the journey. Mrs. Adams got the most of her goods at Selling's, Mrs. Burke's, the Oriental Bazaar and the Bouquet. Mrs. Moe, Mrs. Dunn, and Miss Rata Moe accompanied and assisted her. Miss Rata Moe is a charming young lady. Trunks, valises, everything necessary for such a trip, were procured and packed. Mr. Chas. Kennedy wrote letters to different officials along the route, and Tuesday at half past one we left the hotel for the boat that was to transport all to East Portland. We saw them on board the cars, and left in a hurry to prevent a scene with the children who didn't feel well to leave "papa." Our little boy James Birney said he would watch everything on the route so as to tell us, and our daughter Blanche had her pencil and note-book on hand to take items. James Birney is 8 years old and Blanche 13. He was born near St. Helen, and Blanche was born at Vancouver. One little boy lies in his grave on Germany Hill. His father's name was Bernal Henry, we know not what the angels call him. He died when a little over two years old and was only 20 months younger than Blanche. Mrs. Adams has been on this coast 15 years. She came out when we were Register of the Land Office at Vancouver. We had been here already, when she came, 5 years. We married her in 1863 just before the battle of Gettysburg. Our regiment was home to Concord, New Hampshire, by Bishop Baker. She returns to the home of her childhood in Berwick, Maine, near the city of Great Falls, New Hampshire.

Francis P. Finegan made Cash Entry No. 2042, Aug. 17, 1883, of the N. W. 1/4 of Sec. 22, T. 36 N., R. 3 W. under the Act of June 3, 1878, alleging that the land is chiefly valuable for its timber, and unfit for cultivation; that the application to purchase said land was not made for speculation, but for his own use and benefit, and that he had entered into no agreement, directly or indirectly, by which the title which he might acquire to said land from the Government might inure to any other person.

On July 22, 1884 Special Agent James A. McCormick, reported to the Hon. Commissioner of the U. S. General Land Office at Washington, D. C., that he had made a personal examination of said entry and found that the same was made at the instance of one Dr. E. A. Jones who was actively engaged in obtaining land for the Columbia Flume and Lumber Company and that the proofs of the entryman's witnesses, John B. Frierson and Nathan Nichols of Clatskanie, Oregon, were obtained by said Jones; and that the land, although heavily timbered, does not belong to the class of lands subject to sale under said Act, because when cleared, lands of the same kind in the vicinity are productive and adapted to farming and dairying purposes.

The Hon. Commissioner of the General Land Office has, therefore, instructed the Register and Receiver of this office, to order a hearing with a view to the final determination of the facts in the case. In accordance with said instructions, such hearing is ordered to be had at this office on Friday, July 18, 1885, at 10 o'clock A. M. and if the said William A. SHERIFF'S SALE.
State of Oregon
County of Columbia, s.s.
I, the undersigned, a Justice of the Peace and Sheriff of the County of Columbia, do hereby certify that I have received a decree and order of sale issued out of the Circuit Court of the State of Oregon for the County of Columbia to me directed in favor of S. A. Miles and John Barnett Popejoy, Emily Popejoy and Ole Bowman for the sum of six hundred eighty six and 27/100ths (\$686.27) dollars in U. S. Gold coin with interest thereon at one percent per month from the 27th day of May, 1885, and the further sum of fifty (\$50.00) dollars as attorney's fees, also the sum of forty five and 50/100ths (\$45.50) dollars as costs, commanding me to make sale of the following described real property to wit: East one quarter of the South East one quarter of the South West one quarter, Section Twenty-two (22), all of the said above described real estate situated in Township Three (3) North of Range Two (2) West of the Willamette Meridian, and containing 160 acres of land more or less, according to Government survey together with the tenements belonging to or in any way appertaining, all being situated in Columbia county, State of Oregon. I duly levied upon said premises on the 29th day of May, 1885. Now in pursuance of said decree and order of sale, I will on Saturday the 27th day of June, 1885, at the hour of One o'clock P. M. of said day at the Court House door in said county and state sell the above-described real property at public auction to the highest bidder therefor for cash to satisfy said decree and order of sale, interest and costs.

Dated May 29th, 1885.

OREGON CITY, OREGON, April 21st, 1885.
Alfred Burr made Cash Entry No. 2629, Aug. 16, 1883, of the N. E. 1/4 of Sec. 28, T. 6 N., R. 3 W. W. M. under the Act of June 3, 1878, alleging that the land is chiefly valuable for its timber, and unfit for cultivation; that the application to purchase said land was not made for speculation, but for his own use and benefit, and that he had entered into no agreement, directly or indirectly, by which the title which he might acquire to said land from the Government might inure to any other person.

On January 22, 1884 Special Agent James A. McCormick, reported to the Hon. Commissioner of the U. S. General Land Office at Washington, D. C., that he had made a personal examination of said entry and found that the same was made at the instance of one Dr. E. A. Jones who was actively engaged in obtaining land for the Columbia Flume and Lumber Company and that the proofs of the entryman's witnesses, John B. Frierson and Nathan Nichols of Clatskanie, Oregon, were obtained by said Jones; and that the land, although heavily timbered, does not belong to the class of lands subject to sale under said Act, because when cleared, lands of the same kind in the vicinity are productive and adapted to farming and dairying purposes.

The Hon. Commissioner of the General Land Office has, therefore, instructed the Register and Receiver of this office, to order a hearing with a view to the final determination of the facts in the case. In accordance with said instructions, such hearing is ordered to be had at this office on Monday, July 18, 1885, at 10 o'clock A. M. and if the said Alfred Burr and any persons in interest are hereby cited to appear at this office on said day, and respond and furnish testimony concerning said entry, said entry will be finally cancelled.

L. T. BARRIN, Register.
