The West Shore, ESTABLISHED 1875. F. R. E. I.

For the balance of 1888, including the mammoth holiday number, to all who subscribe now for 1889. With the January issue THE WEST SHORE will begin its twenty year, and will be more interesting than ever. Every number contains original illustrations of towns, towns and industries in the Pacific Northwest, including in excellent color and chase family visitor. The comments on events of interest to this country, and the large amount of information concerning various resources and the progress of development given in every number, render it extremely valuable. No family can afford to do without it, and every one financially interested in the Pacific Northwest, or desiring of hearing of its resources, will find it invaluable. The subscription price (25 cent per year) is sent in our usual mode by express for 1889, and the remainder of 1888 will be entered for 1889, and sent by mail to the publisher.
