Faneuil hall, Boston, which has been andergoing repairs for several months, is to be reopened to visitors about the middle of September.

Governor Atkinson, of West Virginia, claims that his state leads the union in the production of oil and lumber and that it is second in coke and third in lumber.

Thomas Bain, new speaker of the Canadian house of commons, is the fire farmer to gain that post.

William Robbins, instructor of manual training in the schools of Passale, N. J., shot and instantly killed his brother, Ralph Robbins, aged 16, while hunting in the Adirondacks.

The Texas farmers' alliance before adjourning its annual meeting at Basset, Tex., unanimously adopted a resolution favoring the deportation to Africa by the federal government at public expense of every negro in the Uni. them for manufacturing purposes in ted States.

home after getting much geographical information. The government will soon have its plant for the manufacture of smokeless

powder in operation. The location is on the Potomac near Indian Head. An east bound Southern Pacific train was held up and robbed near Wilcox,

Ariz., by four men who hired out as hay cutters near there for several days. Two hundred feet of a treatle over Broad river, near Columbus, S. C.,

gave way under a trainload of granite and four of the train crew were killed. The Dreyfus verdict has aroused France and there is much talk through- prised.

out Europe of boycolting the Paris exposition. None of the prisoners in the Wardner bull pen are to be tried at the present term of court in that county. Their cases will go over until the January term.

Although the aspect of affairs in ore peaceable, the special dispatches At Johnson Springs, Va., a mob as-saulted Mormon Elder Jose Wuffin, anxiety there, and people are still leav-Jealous of the United States, Euro-

pean influences are working in South America in opposing a pan American seeks to dominate all America. A force of 450 rebels, with one can-

non, attacked Santa Rita and simultaneously Guagua and San Antonio night. The building will be 10 stories were attacked by bodies of rebels numbering about 600 men. All the insurgents were repulsed without loss

to the Americans. According 'to the statement just made public by the war department our colonial trade for the first seven months of 1899 beats all records.

Trade movements affecting the United natural as this year. A Seattle dispatch savs: After

spending several hundred dollars in assisting destitute Klondikers to their Eastern homes, the county commissioners have called a halt. The chamber of commerce has taken a similar action.

> Lack of transportation facilities to South American ports is admittedly a serious hindrance to the extension of trade between the United States and

the countries south of us. Colonel Chas. E. Jones, the Georgia historian, has compiled a list of the

surviving confederate generals, which shows that out of the original 19 lieutenant-generals seven survive; of the 81 major-generals, 16 are living, and of 365 brigadier-generals, 92 survive.

General Funston has decided to stay with the army in the Philippines, even though his old regiment, the Twentieth Kansas, is coming home.

> At Ironwood, Mich., the management of the Norris and East Norris mines, met the demands of the men for higher wages and allowed them a raise of about 10 per cent.

Two hundred and fifty tons of copper coins have been unloaded at New Haven, Conn., from a ship which made a trip to Bombay, India, to purchase this country.

calm and without any manifestation of surprise at the finding of the court. The prisoner simply shrugged his shoulders, uttering an expressive "Bah!" adding, as he embraced his

brother, as the latter was preparing to leave, "Console my wife." The general belief is that Dreyfus will be pardoned; but this will not satisfy his friends, who vehemently declare that they will refuse to accept the verdict, and will continue the bat-

tle until the judgment is reversed The verdict, they say, is directed more against the Jews than against Dreyfus,

and if allowed to stand will make their existence in France impossible. Maitre Labori and Maitre Demange took the midnight train for Paris. They drove to the station in a closed carriage, escorted by four mounted gendarmes. The road was practically

deserted, and no demonstration oc curred en route or at the station. Maitre Demange and Maitre Labori will tomorrow sign an application for a revision of the case, although there is no hope that the verdict will be reversed. Both are much upset, though widespread indignation outside of it can hardly be said that they are sur-

EXPRESS TRAIN ROBBED.

afe Blown Open and Contents Taken-Men Escaped. Cochise, Ariz., Sept. 12 .- Express

rain No. 10, on the Southern Pacifio, was robbed near here last night by our masked men, who blew the safe pen and took everything in sight. The amount of their booty is said to be

small. The train was stopped, the engine. mail and express cars were cut off from the rest of the train and run a mile farther up the road, where the bandits stopped to complete their work. The express messenger was forced to open his car and the robbers attacked the safe with dynamite. The strong box

was soon blown open and the contents taken by the thieves, who hastily departed. They were last seen going north or

foot, and a posse started out on their trail. The dynamite used on the safe blew out the side of the express car and tore up the floor. There is no clue to the identity of the robbers.
