WEEKLY TRADE REVIEW.

frican War Has Helped Business in

R. G. Dun & Co.'s trade review says: Fears and not facts made a war in South Africa seem a menace to property here, and a week of conflict has cleared away the fear. British markets for

securities have been helped by the belief that mining shares would be worth more without Boer control in mining

Large purchases here of ammunition and meats have swelled the balance due this country. Money markets have grown less embarrassed, stocks have gradually advanced, industries are still supported by a volume of demand for

ounders. After seven shots the British ing houses for the past week have been 36.6 per cent larger than last year, and orce. A force of Boers is now advanc- 57.3 per cent larger than in 1892. So great an increse shows the net business of many potent forces making for pub-

lic prosperity. The heaviest transactions in steel rails ever made so early cover 1,500,000 tons for next year's deilvery, or twoing the spot, however, it was found that they had evacuated the position. thirds of the entire capacity of the The British continued to advance and works.

Markets for minor metals are reactnoissance in force. The enemy were ing, tin having fallen to \$30.62, with a recovery to \$31.25 on sales in October 400 tons larger than usual, and Lake copper is largely offered at \$17.87½. Lead is a shade lower at The British force was disposed in the following order: On the right the regiments of cavalry, four batteries of the Royal field artillery and five bat-offered at \$5. Coke holds strong, shorttalions of infantry; in the center three ness of cars hindering deliveries, battalions of the Royal field artillery, though more ovens than ever before are two regiments of cavalry and four inproducing.

Wheat remains practically unchanged, while Atlantic exports, flour included, have been 12,982,812 bushels, in four weeks, against 13,483,056 last year; Pacific exports, 2,197,771, against 3,124,306 last year.

Failures for the week have been 190 in the United States, against 226 last vear.

were wounded.

Durban, Natal, Oct. 30 .- An interesting incident in connection with the Eland's Laagto fight is reported here. When the fire of the British guns be came too hot, eight Bers ran forward out of cover, and, standing together. colly opened fire at the Imperia Light Horse guards, with the evident purpose of drawing the latter's fire while their comrades retired. Seven o the brave fellows were killed.

The Spanish commissioners who en tered the insurgent lines report that there are 14 American prisoners at Tarlac, all of whom are well treated Lieutenant Gilmore, of the United States gunboat Yorktown, who fell into a movement by Colonel Plumer's force the hands of the insurgents at Baler, on the east coast of Luzon, last April where the Yorktown had gone on a special mission to relieve the Spanish

garrison, is at Bingat.

Fishing Crew in Hard Situation **Rhodes** Watched the Fight. St. John, N. B., Oct. 31 .- The Cape Town, Oct. 30 .- According teamer Labrador, just arrived from a further sadvices from Kimberley, the Boers removed their killed and trip along the Labrador coast, reports wounded in cars. No reliable estimate that a fishing crew of 30 people are on a desolate island, off the northern sec of their losses has been made.
