SUBSCRIPT ON RATES:

AYABLE IN ADVANCE.

FRIDAY, MAR. 30, 1900.

Chret months.....

Mr. William Jennings Bryan, agreed to come to Oregon if a certain sum of money was guaranteed showing conclusively that he is using his candidacy for president of the United States to their money he is getting. It he ciple. fill his own pockets? As it is

him to do the other.

The contention that the trusts are in favor of a tariff on imports of Puerto Rico has passed out of facts will make this plain. the hands of the producers and essence of patriotism.

entitled to vote and to prevent and humane public policy. order to prevent so great a rush not. at the last moment that they can not be waited upon.

pion of the people, but in doing so the "Almighty dollar" must be known first to be at hand, tendencies were seen. He was invited to go over to dollars was a champion for the plenty of it to get a very small for other cases. amount of Bryan lip, and a very commonplace talk it is.

a town no good. First, those -an inevitable measure of inher- claim which insists that free trade who go out of town to do trading. ent constitutional right. They insisted that the constitution, by its would bind us hand and foot. Second, those who prefer a quiet own force, extends to Puerto Rico "The partisans who sought to put line pattern hats; children's hats a town to one of push and energy. and all the new island possessions, the president and congress in a specialty. Fullington & RANNEY. Third, those who imagine they and spreads all its provisions over hole have, perhaps, unconsciously, own the town. Fourth, those them, including uniform taxation. dug a pit for themselves. They who think business can be done They were eager to commit a repub- will find that they have taken a those who deride public spirit- free trade with Puerto Rico, not as from carrying out the policy they pose every movement not origin- but because they could then claim the Philippines. But as I do not ated by themselves. Seventh, that it had riveted a hard and fast wish now to discuss the matter in Dyspepsia Cure, those who oppose every public principle which would tie the broadest aspects or to treat it in a those who oppose every public hands of the government every-partisan spirit, I do not pursue this point. It is enough for the present Itartificially digests the food and aids to benefit them. Eighth, those who seek to injure the credit of who seek to injure the credit of to varying conditions, and which an individual,—Drain Watchman. To the above there should be added two other classes.

Ninth, those who are little by to varying conditions, and which would expose the administration and its party to all the critizisms and attacks that would be made on such a position.

constitution does not, by its own torce, extend over the new possessions without legislative act is in harmony with the general tenor of judicial and legislative action from such a position.

constitution does not, by its own torce, extend over the new possessions without legislative act is in harmony with the general tenor of judicial and legislative action from Sick Headache, Gastralgia, Cramps, and little continually absorbing and taking from their neighbor that "It was a cunning game, but it this time,

which does not belong to them. Tenth, those who are not willing and do not render to every man his, just due.

The many friends of Mr. J. B. Irvine are anxious that he be selected as presidental elector from this One year ...... \$1 50 district. Mr. Irvine has given con-has every qualification for this important position, being an able speaker and very effective campaign worker.

### A CONSTITUTIONAL QUESTION.

The Republican Party now stands where

The question of whether or not a from Puerto Rico to this country is of the honest objectors, who feared now absorbing the attention of con- that the concession of full free gress and the country. Through trade to Puerto Rico would lead to make him money, when in fact the conniving of the democratic misconstruction, and the designs in his public speeches he claims leaders both in and out of congress, of the crafty partisans, who meant to be on a mission of mercy war- this question which was at first sim- that it should, were both met and ning the dear people of the fore- ply one of national generosity has frustrated by the bill which passed boding of the future when it is been transformed into one of prin- the house, and which levies 15 per
