Southern California.

Notable among the pleasures afforded by the Shasta Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest and added industries, in its prolific vege and added industries, in its profine vege-tation and among its numberless resorts of mountain, shore, valley and plain. The two daily Shasta trains from Port-land to California have been recently equipped with the most approved pattern of standard and tourist sleeping cars, but the low rates of fare will still continue in effect.
