

THE VISITING COMMITTEE.

In some quarters it seems to be regarded as unfortunate that the River and Harbor committee did not visit Celilo, and of no practical benefit whatever that it should be shown the beautiful and productive farms of the Willamette valley.

The character and extent of the obstructions to navigation of the Columbia river at Celilo and elsewhere, the obstacles in the Willamette at Corvallis, Independence, Rock Island and other points are matters for as careful and scientific examination by U. S. Engineers who are qualified to conduct such examination and to make comprehensive report as to the measures and expenditures necessary to remove or overcome them.

It is, however, of paramount importance that the committee should have intelligent conception of the large and varied interests which would be served by the free and unobstructed navigation of these rivers. If the members of that committee could see every farm, orchard, dairy, mill, mine and forest in the state and so form a fair estimate of the nature and extent of Oregon's products and resources, they would be that much better qualified for their official duties.

They will see the Willamette valley the most densely populated portion of the state. They will learn that after supplying local consumption it produces a large surplus of grain, flour, hops, fruit and other commodities for general distribution, and for export, and that the Willamette river is the natural highway over which this must pass to market. They will see that the river is paralleled for the greater part of its navigable distance by two lines of railroad practically owned and operated by the same company, and that consequently the river affords the only competing line of transportation. They may then easily conclude that to render the Willamette easy of navigation for all seasons of the year is a work of vital importance, not only to the people of the valley and the city of Portland, but also rightfully of national interest.

The improvement of these natural highways of commerce is of such transcendent importance to the whole state that there is no reason in jealousy by one locality or section toward another concerning them, and with the possible exception of Astoria, the GAZETTE believes no such feeling exists. The better thought of the Oregonian is manifested by its publication of valuable statistical matter and its editorial emphasis of the commercial necessity for and national importance of these improvements of our waterways.

Banqueters and Banqueted.

Although the visit of the representative farmers of Western Oregon to the agricultural college was strictly one of business, the city of Corvallis extended its hospitality and the visitors were made the guests of the Citizens' League at a banquet in the city hall in the evening after the very able address of Mr. C. L. Smith at the college chapel. The spread was sumptuous and the decorations artistic and beautiful. To make the viands more tempting pretty girls served as waitresses, while stately matrons welcomed the guests. The Corvallis orchestra, under the direction of Ruthy Turner, dispensed sweet music. Dean Berchold acted as toast-master, and excellent short talks were made by Hon. Wallis Nash, Dr. Tamiessie, of Hillsboro, Editor B. F. Irvine, and Mr. C. L. Smith.

At the chapel meeting an address of welcome was delivered by Mayor Woodcock, which we

hope to publish in our Friday's issue.

Rolls Turned Over.

Yesterday Clerk Watters turned the delinquent tax rolls for 1900 over to Sheriff Burnett. The delinquent roll this year will be one of the smallest if not the smallest, ever known in Benton county. At present the rolls show a delinquency of a little over \$8,300, which is not a heavy sum, everything considered. The sheriff will not publish the sale of the property represented until next August or September, by which time the list of delinquents will be much smaller. It is thought that by the time the delinquent tax list is published fully 75 per cent. of the \$8,300 will have been paid, which will cut the sheriff sale down to a delinquency in the neighborhood of only about \$2,000.

The unusually small amount of the annual sheriff's sale is one of the best possible indications that the citizens of the county are getting onto a better financial system. Good judgment and judicious management will do more than anything else to up-build a community—this takes thinking, which in turn demands that people use their brains. Of course, there are ne'er-do-wells in every community, who, no matter what advantages they may be afforded, will remain in the same old rut, or else fall into a deeper one. It does not necessarily follow that one is a ne'er-do-well because he is on a delinquent list. A combination of circumstances will cause one financial embarrassment for a period, no matter what country he may be

Skin affections will readily disappear by using DeWitt's Witch Hazel Salve. Look out for counterfeits. If you get DeWitt's you will get good results. It is the quick, positive cure for piles.—Graham & Wells.

If you are sick all over, and don't know just what ails you, it's ten to one your kidneys are out of order. Foley's Kidney Cure will bring you health and energy. Graham & Wortham.

The greatest skin specialist in America originated the formula for Banner Salve. For all skin diseases, all cuts or sores, and for piles, it's the most healing medicine. Beware of substitutes. Graham & Wortham.

Mr. W. J. Baxter, of North Brook, N. C., says he suffered with piles for 15 years. He tried many remedies with no results until he used DeWitt's Witch Hazel Salve and that quickly cured him.—Graham & Wells.

Spring coughs are especially dangerous unless cured at once, serious results often follow. One Minute Cough Cure acts like magic. It is not a common mixture but is a high grade remedy.—Graham & Wells.

Thomas Maple, Birkbeck, Ill., writes: "I had a very bad case of kidney trouble and my back pained me so I could not straighten up. The doctor's treatment did me no good. Saw Foley Kidney Cure advertised and took one bottle which cured me and I have not been affected since. I gladly recommend this remedy."—Graham & Wells.

"Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. I quickly secured a bottle of One Minute Cough Cure, giving her three doses. The croup was mastered and our little darling speedily recovered."—Graham & Wells.

Question Answered.

Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mother and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce and they seldom heard of appendicitis, nervous prostration or heart failure, etc. They used August Flower to cleanse out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. Get Green's Prize Almanac.—Graham & Wortham.

You will waste time if you undertake to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it.—Graham & Wells.

"I had a running sore on my breast for over a year," says Henry R. Richards, of Willseyville, N. Y., "and tried a great many remedies, but got no relief until I used Banner Salve. After using one-half box, I was perfectly cured. I cannot recommend it too highly."—Graham & Wortham.

If people only knew what we know about Kodol Dyspepsia Cure, it would be used in nearly every household, as there are few people who do not suffer from a feeling of fullness after eating, belching, flatulence, sour stomach, or water brash, caused by indigestion or dyspepsia. A preparation such as Kodol Dyspepsia Cure, which, with no aid from the stomach, will digest your food, certainly can't help but do you good.—Graham & Wells.

The Great Scourge Of modern times is consumption. Many cures and discoveries from time to time are published but Foley's Honey and Tar does truthfully claim to cure all cases in the early stages and always affords comfort and relief in the very worst cases. Take no substitutes. Graham & Wortham.

"I have been suffering from Dyspepsia for the past 10 years and have been unable after trying all preparations and physicians to get any relief. After taking one bottle of Kodol Dyspepsia Cure I found relief and am now in better health than I have been for 20 years. I can not praise Kodol Dyspepsia Cure too highly." Thus writes Mrs. C. W.
