THE LANDLORD IS GOING TO RAISE YOUR RENT

He has been wanting to for a long time and now that the Fair is coming he has a good excuse for doing so and he is going to do it.
YOU DON'T NEED TO PAY IT. Nineteen cents a day will pay for a \$1000.00 home Thirty-eight cents a day will pay for a \$2000.00 home, JOIN THE FRATERNAL ORDER. You buy any home or farm you want. You pick it out yourself. We will pay for it. No interest. simply pay \$1000.00 for a \$1000.00 home. Could anything be easier? You are paying more than that now for rent. What is the use of helping the rich to get richer. Did you ever see a millionaire who made his money by days labor? You never did nor you never will. You must invest your money in other to make anything. You must combine and co-operate with others if you are to make money without the hardest kind of knocks. The laboring classes are getting in worse condition every day. Now this is a call from laboring men to laboring men to combine. Don't be a mugwump. Don't be superstitious. It is by the use of their brains that Capital succeeds in holding you where you are. With the little money that most of us have we can do nothing. In order to fight Capital with their own weapons WE MUST COMBINE. J. Pierpont Morgan has some fine ideas. We can put them in practice as well as he can. Don't put it off. Act immediately. Every rent payer, or man who wants to better his condition; every man who pays interest must be enrolled in our Fraternal Order by the last of this month. If you have to wait when you come up to be enrolled that is all right. It will pay you to do it. If you cannot come in fill out the following application and mail it to us:

ORDER OF FRATERNAL HOME BUYERS,

I wish to become a member of your Order and secure a home on your plan provided I find nothing objectionable in the plan on reading over your literature. Please hold the lowest number open on your books for me and send me further particulars.

Very sincerely yours,

This will suffice to hold the matter open for you until you can come in person or until we can write you further particulars of our plan. It does not obligate you to anything. The only thing the application does is to hold the lowest number open for you until you can investigate. You are sure to become a member as soon as you understand, and it will pay you to send in the application if you cannot come immediately as we cannot place everyone in their homes at once and our motto is "first come, first served." Our offices are open until 6:30 p. m. each evening to accommodate those who cannot come to be enrolled during the day. Remember this is an organization of laboring men for laboring men and if you become one of us you have a voice in the transaction of the business. Our object is to stop your rent bill, lift your mortgage, or to offer you an investment that will net you more than your labor. Let us repeat, don't be superstitious. It costs nothing to investigate and if you cannot come immediately send in the application and this announcement is your authority to reclaim the same if you don't find everything satisfactory.
