

SOLVED BY AMERICANS.

Among other things it has been demonstrated to the world by our government that the absolute divorce of church and state is not only practicable, but is to the best interests of both.

conscience of the American people the church, divested of sectarian intolerance and jealousy, may devote its energies and resources to bearing moral and spiritual beneficence and development to every community and hamlet in our broad and happy country.

DR. DARRIN WILL REMAIN.

Dr. Darrin's work is piling up in such volume that he is compelled to prolong his visit in Albany at the Revere Hotel to October 1st.

This eminent and far famed specialist has met with such an immense volume of business since coming to Albany that he finds it absolutely necessary to prolong his visit to Oct. 1.

This intolerance found its way into the American colonies. It has been said as truthfully as facetiously that "the Puritans sought a country where they might worship God according to conscience and compel others to do likewise."

Mr. Editor:—I can recommend Dr. Darrin's treatment. For eight or ten years I have been troubled with rheumatism in the hip and back, also diabetes.

It was fortunate for the colonists that the work of carving homes out of an unbroken wilderness left scant time for indulging in polemics.

Dr. Darrin can be consulted free at the Hotel Revere, Albany, from 10 to 5 o'clock daily; evening 7 to 8, Sunday 10 to 3, until October 1st.

The doctor makes a specialty of all diseases of the eye, ear, nose and throat, catarrh, deafness, bronchitis, la grippe, heart, liver, bladder and kidney diseases or those who suffer from apathy and indifference; also consumption, genito-urinary and skin diseases in either sex, such as blood taints, seminal weakness and lost vigor, varicocele and stricture.

WINE OF CARDUI

Miss Ida M. Snyder, Treasurer of the Brooklyn East End Art Club.

Wine of Cardui is a regulator of the menstrual functions and is a most astonishing tonic for women. It cures scanty, suppressed, too frequent, irregular and painful menstruation, falling of the womb, whites and flooding. It is helpful when approaching womanhood, during pregnancy, after childbirth and in change of life. It frequently brings a dear baby to homes that have been barren for years.
