

HERE WAS A MAN.

Of the long list of illustrious names that stud the pages of the history of the Republic, none shines with purer lustre than that of William McKinley.

A statute of the late President is to be erected in the city of Springfield, Massachusetts, and there has been much discussion as to where it shall be placed.

Where shall his statue be put in this city of Springfield. Pardon me if as a son of Britain, I make bold to say—Let it be put in the most conspicuous place and upon the most trodden street in all the city.

The city council met in special session July 24th and transacted the following business: The sewer committee reported that they had secured the right of way through block 18, N. B. and P. Aversy addition, for the sum of \$20; and that they had given her an order on the police judge for the amount to be applied to her first assessment.

Was Tired of Life.

In a fit of despondency, Vera Ridenour swallowed a quantity of carbolic acid and died in terrible agony at her home at Big Elk last Monday evening.

Vera was the daughter of Mr. and Mrs. William Ridenour and she was born in this county in 1885. Attractive in appearance, and possessing a winning personality she had many friends.

While attending school she resided at the home of Mr. and Mrs. Samuel King. It was her fondest desire to remain here with the friends she had made during her school days, and she secured employment at the Chipman restaurant and prepared to spend the summer in Corvallis.

Important Contest Case.

A contest of more than usual importance was begun in the land office at Oregon City last Monday. It is of especial local interest because the entrymen belong in this neighborhood, and the land being contested lies in this county.

"Important is the contest because an entire section of heavily timbered land located near Corvallis, Benton county, is involved. It is estimated that the section contains 16,000,000 feet of fine timber.

"All four cases are being hotly contested, several attorneys being employed on either side. Hedges & Galloway appear for the contestants, while W. D. Fenton and R. A. Miller are counsel for the entrymen, who are Charles W. Spaulding, Lillian E. Spaulding, Edna M. Spaulding and Charles A. Spaulding.

The entrymen deny that the Southern Pacific Company is in any way interested in the land in question. There is about 20,000,000 feet of timber on the contested section, which is located 20 miles southwest of this city.

Council Notes.

The city council met in special session July 24th and transacted the following business:

The sewer committee reported that they had secured the right of way through block 18, N. B. and P. Aversy addition, for the sum of \$20; and that they had given her an order on the police judge for the amount to be applied to her first assessment.

The act of the council in letting contract to John Ingle for construction of a sewer through block 5, original town of Marysville, was rescinded.

The matter of constructing a sewer through blocks 4 and 5, original town of Marysville, was referred to the sewer committee.

Upon motion the mayor appointed a committee of three, with P. Avery as chairman, to confer with the water company with reference to rates.

The police judge was instructed to give the water company legal notice of the action of the council at its meeting July 13th, regarding the rate the city shall pay for water.

Neal Newhouse and family left yesterday for Marys Peak, where they will camp for three or four weeks.

Geo. Keady and Otto Herse leave Monday for an outing of a couple of weeks. Mr. Keady's little sons will accompany them.

CAN EPILEPSY BE CURED?

Dr. Darrin Says Yes and Gives Overwhelming Proof of His Assertion.

(Albany Herald) Mrs. Abbie Wareham was for 24 years a sufferer from epileptic fits. The many scars that she will carry through life bear evidence of the terrible falls she sustained as a result of this most horrible affliction—epilepsy.

"Dr. Darrin treated me with electricity and medicine, and from the first I began to improve, and after a thorough course of his treatment I am happy to say I am cured. I have had no indication of a return of my awful affliction for the past 11 years.

"Refer any and all to me at Mountville, Oregon, by letter or in person. Mrs. Abbie Wareham."

(To the Editor)—I wish to state my case in brief. Five years ago I was afflicted with sciatic rheumatism and cured by Dr. Darrin with electricity and medicine. I remain permanently cured.

For ten years prior to going under Dr. Darrin's electrical treatment, September 12, 1896, I had been gradually growing deaf, with a constant ringing in my ears.

Mrs. Fred Unrath, President Country Club, Benton Harbor, Mich. "After my first baby was born I did not seem to regain my strength, although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.
