

THERE IS A REMEDY.

The growing spirit of anarchy so plainly manifested by recourse to mob law on smaller and still smaller provocation, is too serious a matter to admit of other than serious consideration.

Every utterance of the press should be a rebuke to mob rule. One may treat the lynchur with severity, without palliating in any sense the crime of his victim. The Oregonian has chosen to be whimsical in its utterances concerning this question, and it has numerous disciples among the papers of the state that have a habit of grasping momentous questions with a profound superficiality.

The Salem Journal relieves itself of this bit of wisdom: "There is one remedy for mob law and only one. If there is no crime there will be no punishment. Let the fiend assassin abstain, and there will be no mob to restrain." Why pause here? Why not proceed with this equal radiant intellectual observation: Remove temptation to commit crime, and there will be no criminals?

There is a remedy for mob law. In a recent discussion of the "Relation of the Law to the Mob Spirit," Chief Justice Loree, of Delaware, said: "One cure for mob law unquestionably is the fearlessness in defense of the accused by his keeper.

"Outside of violence, the remedy in my judgment, is that the people shall be taught in season and out of season that our safety as a people lies in implicit obedience to the law. This should be taught in our public schools; by the press and by the pulpit and the forum.

"Anarchy lurks under the pleading garb of liberty and the assassin clothes himself as a defender of human rights. Lawlessness is our danger. Reverence of the law and obedience to her mandates is our safety. A strong masterful sentiment of such obedience to law is a sure cure for mobs."

Visited Their Mines.

E. J. Duan, Robt. Glass, Guy Seeley and Mr. Thatcher returned last Friday from the Fall Creek mining district, where they spent several days inspecting the mines discovered by Expert F. M. Hopkins. The latter accompanied the party. This property is situated about 35 or 40 miles east of Eugene on the north fork of the Willamette, and gives promise of being very rich.

Mr. Hopkins is an experienced mining man and he is thoroughly familiar with this district. The gentlemen who visited the mines with him last week are stockholders in this property and are highly pleased with what they saw. Much pay dirt is in sight and the ore is mostly free milling quartz and porphyry. A good trail leads to the mines, which are easy of access. Assessment work has been done and the company will incorporate in the near future.

Special Train to Albany.

JUDGE MASON'S OPINION.

He Was Deaf, and His Hearing Was Restored by Dr. Darrin's New Mode of Treatment.

(Salem Journal.)

The truly wonderful cures Dr. Darrin has accomplished are being testified to by a host of afflicted sufferers who can be seen and consulted on the miraculous cures on their behalf. It is safe to say that no specialist has attained the prominence of Dr. Darrin in this country, and he cannot help but meet with grand success.

Those who are disposed to doubt Dr. Darrin's cures will have their doubts shaken on reading the following card from Judge O. P. Mason, of Portland, a man well and favorably known to all our readers. His case will go far to establish the skill of Dr. Darrin, who cured him ten years ago:

Dr. Darrin—Dear Sir: Your electrical treatment is most undoubtedly a wonderful success. I have been for a number of years gradually becoming deaf, particularly in my left ear. For the last few years I have feared that I would be compelled to give up my law practice entirely, as at times I could not hear well enough to understand what witnesses testified to, unless they spoke in a high tone of voice. A short time ago I commenced treating with you and now can hear as well as I could 20 years ago. In fact, I have no difficulty at all in hearing anyone speak in an ordinary tone of voice. I am frank to say that in my case your treatment has been a success. I am sorry that I did not apply to you sooner. Refer anyone to me.

MISS COCHRAN'S GOOD LUCK.

A better pleased young lady could not be found in Albany yesterday than Miss Ethel Cochran, of Mt. Tabor, Oregon. Miss Cochran had been afflicted with deafness for many years and lost all hope of cures until her neighbor, J. L. Oxford of Brownsville, who had been cured of deafness, advised her to consult Dr. Darrin at Hotel Revere. With a faint heart and skeptical to the last degree, she called on Dr. Darrin and to her great joy was made to hear nearly as well as ever. Her aunt, Mrs. C. W. Yates, of Albany, saw the treatment and can vouch for the above facts.

DR. DARRIN'S PLACE OF BUSINESS.

Dr. Darrin can be consulted free at the Hotel Revere, Albany, from 10 to 5 o'clock daily; evening 7 to 8, Sunday 10 to 3.

The doctor makes a specialty of all diseases of the eye, ear, nose and throat, catarrh, deafness, bronchitis, la grippe, heart, liver, bladder and kidney diseases or those who suffer from apathy and indifference; also consumption, genitourinary and skin diseases in either sex, such as blood taints, seminal weakness and lost vigor, varicocele and stricture.

All curable chronic diseases treated at \$5 a week or in that proportion of time as the case may require. The poor treated free, except medicine, from 10 to 11 daily. No case will be published except by the permission of the patient. All business relations with Dr. Darrin strictly confidential. Electrical appliances furnished. One visit is desirable, though many cases can be treated by home treatment by writing symptoms. Eyes tested and glasses fitted.

The doctor will remain until October 1st and those wishing treatment will do well to call soon as many require second treatment.
