

EDITORIAL COMMENT.

The State Fair at Salem is but an object lesson to teach us our duty to the great Fair of 1905. Will we learn the lesson?

Matt Quay says he is "out of politics for good." Philadelphia papers will soon be offering prizes for a solution of the question: Who gets the "good?"

A great deal has been written for the papers about the Reliance and Shamrock contest, and many speculations as to what the Shamrock might do with a Yankee crew. Why not speculate a little as to what the Reliance might have done if she had had a Yankee crew. The truth of the matter is, though we may blush to own it, that there was not a single Yankee on the Reliance. The captain was a Scotchman and the crew Scandinavian to a man—mostly sturdy Norwegians. When Lipton builds his Shamrock IV, he may take a lesson from experience and ship his crew from the land of the Vikings.

Portland is becoming jealous of the great city by the bay and is aping California. She thinks that whatever is good enough for San Francisco is good enough for Portland, so on Friday last she tried her hand at an earthquake. It might have been a good earthquake for a provincial town, but was a dead failure in Portland. It didn't even wake any of the federal office holders at the custom house. When Portland tries her hand at the business again she must strain herself to produce a mighty tremor, or quit trying. We prefer to see her quit trying.

It is plainly evident that the Southern Pacific, or what is known as the Harriman lines, is waking up to the importance of the demand for new railroad lines in Oregon. We are glad to see that it is due to the forceful arguments of the Oregonian the awakening has been possible. Because this paper openly criticized the Harriman policy on the ground that it had lost glorious opportunities, and had not done anything to prevent the advance of the ports of Puget Sound at the expense of Portland. It had also intimated that if Mr. Harriman did not think it worth while to do something for Portland the city knew someone who did. We congratulate the Oregonian on its success in advancing the interests of our great and growing state.

It is said in the daily papers that the Knights Templars of the Eastern States are making preparations to enter the field of war in the Balkan Peninsula, and fight with the Macedonians against their ancient enemy, the Turk. We trust the statement is a canard. What possible object they could have is not to be even guessed at. When the senseless and fanatical wars of the Crusades hurled the chivalry of Europe against the Saracen and Turk on the bloody fields of Palestine, some excuse might have been considered possible, taking into account the ignorance and bigotry of the times. But at the present time that is impossible. Nor are the so-called Christians in whose behalf these efforts are claimed to be made, worthy of any such assistance. The history of Southwestern Europe for the last half century shows that there is not one particle more humanity to be found in the Christian peoples of those lands than in the Mohammedans—whichever power is uppermost at any one time, that power has invariably massacred their enemies, men, women and children alike, without distinction. Turks and Armenians have vied with each other in seeing who could destroy the most. They are barbarians all, whether Turks, Armenians, Bulgarians or Russians, and the sooner annihilation takes place the better it will be for the peace of the world. Good Turks and good Indians are on the same plane. The survival of the fittest is the law of Nature, and Nature's laws are fixed and changeless. Like the boy in the fairy tale we had better "let nature take its course."

Dr. Darrin Talks on Deafness.

It is from the throat that the citadel of the hearing is taken. The mucous membrane lining of the throat also lines the passages of the ear—the eustachian tubes. When disease sets in at the throat it is likely to extend into the eustachian tubes.

The same conditions that cause swelling or inflammation, or the secretion of thick and heavy mucus in the throat cause the same effect in the ear tubes.

Pharyngitis, laryngitis, rhinitis, tonsillitis, bronchitis and all the many diseases affecting the membrane of the throat may result in deafness or discharging ears.

Scarlet fever, diphtheria, typhoid fever, produce inflammation of the throat, which often extends to the ear tubes and causes deafness.

It is necessary to use an entirely different treatment; one that will reach the seat of inflammation in the ear tubes themselves and that can be done by electricity.

Head noises either indicate a condition of impaired hearing or that the hearing is going to fail.

Whenever the treatment has gained an influence over head noises, it is a certain sign that restoration of hearing will soon take place.

Nearly every case of deafness caused by disease in the eustachian tubes can be cured by the proper use of electricity and medicines skillfully applied.

MISS REDDING'S GOOD LUCK.

To the Editor:—It is with genuine satisfaction that I give my name in praise of Dr. Darrin's skill in curing me of a most disagreeable affliction. For years I was troubled with discharging ears. Thank to the doctor I am well again. I am now stopping at Hotel Revere, Albany. I reside in Lebanon, Oregon, where my family reside. Refer to me at either place. Miss D. G. REDDICK.

DR. DARRIN'S PLACE OF BUSINESS.

Dr. Darrin is located in Albany, at the Revere Hotel until December 1, and will give free examinations to all from 10 to 5 or 7 to 8 daily. The poor free except medicine, 10 to 15 daily, and those able to pay at the rate of \$3 a week or at that proportion of time the case may require. All curable chronic diseases of men and women a specialty.

No case published except by the permission of the patient. All business relations with Dr. Darrin strictly confidential. Electrical appliances furnished. One visit is desirable, though many cases can be treated by home treatment by writing symptoms. Those wishing treatment will do well to call soon as they may require a second treatment.

Reduced Excursion Rates to the Sraside and Mountain Resorts for the Summer.

The Southern Pacific Company has placed on sale at very low rate, round-trip tickets to the various resorts along the lines, and also, in connection with the Corvallis & Eastern Railroad, to Detroit and the seaside at Yaquina Bay, latter tickets good for return until October 10th.

Three day tickets to Yaquina Bay, good going Saturdays, returning Mondays, are on sale at greatly reduced rates from all points Eugene and north on both East and Westside lines, enabling people to spend Sunday at the seaside. Very low round trip rates are also made between Portland and the same points on the Southern Pacific, good going Saturdays and returning Sunday or Monday, allowing Portland people to spend Sunday in the country, and out of town people to have the day in Portland.

Tickets from Portland to Yaquina Bay good for return via Albany and East Side, or Corvallis and Westside, at the option of passenger. Baggage checked through to Newport. A new feature at Newport this year will be an up-to-date kindergarten in charge of an experienced Chicago teacher.

A beautifully illustrated booklet describing the seaside resorts on Yaquina Bay has been published by the Southern Pacific and Corvallis & Eastern Railroads, and can be secured from any of their agents, or by addressing W. E. Coman, G. P. A., S. P. Co., Portland, or Edwin Stone, Manager C. & E. R. R., Albany, Oregon.

Great Exposition and Carnival in Portland.

The Merchants and Manufacturers' Exposition and Carnival will be held at Portland, September 14th to 26th inclusive.

For this occasion the Southern Pacific Co. will sell tickets to Portland and return, including coupon of admission at the rate of \$4.10 from Corvallis. Sale dates September 15th, 18th, 22nd and 25th. Tickets sold at stations south of Fair Grounds will allow stopovers at that point, enabling holders to visit the Oregon State Fair.

The Exposition will be held on Multnomah Club Grounds and adjacent streets, and in addition to exhibits by merchants and manufacturers, Jubilee Circus, with its many attractions, has been secured.

A special feature will be the Grand Spectacular Ballet "When Knighthood was in Flower," by sixty trained dancers in gorgeous costumes, prepared for the occasion.
