

EDITORIAL COMMENT.

The retirement of Minister Silveira from the Spanish cabinet is likely to lead to political troubles in that country.

The meeting in Newport last week, to consider the advisability and practicability of further improvement of Yaquina Bay harbor was fully attended.

A clergyman in Forest Grove, at the commencement exercises of the Pacific University paid his respects to the game of football, and severely reprimanded those college teams who were offering money to secure the services of professional talent on their teams.

The great, sympathetic heart humanity continues to beat, and the pulses of the Christian world indignantly to throb, at the tales of Turkish atrocities which constantly fill the columns of the dailies.

The gambling graft seems to be the question of the hour in Portland. We are inclined to think that the stand taken by Mayor Williams is the correct one.

The new forest reserves seem to be one of the burning questions in this state. The extent to which land is being withdrawn from settlement in Oregon by the creation of forest reserves is so great as to become alarming.

Second Lecture on Electricity.

Dr. Darrin Will Remain in Albany Until December 1 Only.

Did not time prevent we could talk for hours on the wonderful things that electricity has accomplished, but it is not necessary at this time, for electricity is now only in its infancy.

Dr. Darrin is one of the foremost practitioners in the use of this subtle fluid, as the following permanent cures will show:

TO THE PUBLIC. This is to certify that Dr. Darrin has cured me of a loathsome chronic catarrh, dyspepsia and kidney trouble of 15 years standing, and I most emphatically commend him to the public, and will confer with anyone at Plainview, Or., where I reside.

Prior to visiting Dr. Darrin, I took the precaution to investigate his cures and found them permanent and as stated in the press. I had been afflicted with deafness and a loathsome discharge of the ears for ten years.

Mr. Editor—I can recommend Dr. Darrin's treatment. For eight or ten years I have been troubled with rheumatism in the hip and back, also diabetes.

Dr. Darrin is located in Albany, at the Revere Hotel until December 1, and will give free examinations to all from 10 to 5 or 7 to 8 daily.
