A Murder at Siletz.

The body of a dead Indian, named U. S. Grant, quite prominent in the Siletz country, was found in the Siletz river last Wednesday. The evidence indicated that foul play was the cause of the man's death. Suspicion led to the arrest of two Indians, Albert Martin and Abie Logan, who have been arrested and placed in the Siletz jail, charged with the murder. The coroner's jury has returned a verdict implicating the above parties, and the case will soon come before the Federal Courts. All three were drunk at the time of the murder.

Fined for Gambling.

Five Chinamen were arrested by Chief of Police Lane last Saturday night in the Chinese wash house and lodged in the city bastille on the charge of gambling. They were arraigned before Judge Greffoz and fined \$3 each. The Celestials plea was that they were only playing to see which one would buy a chicken for a "big feed" on Sunday.

During the past it has been the custom of two or three professional Chinese gamblers to come to Corvallis and win the local Chinamen's hard-earned money, and this caused the raid to be made on the China joint Saturday night. But trying to catch a wily Chink is worse than a bow-legged man trying to hold a greased pig, and the result was that when the officers made their official visit the Chinamen's cousins could not be found.

Partnership lies between it and Multnomah, and here it will have no snap. Multnomah has a team of star individual players, who know how to gain ground and always play well on the defensive. By the time they return from their California trip, they will be in prime training for the game with Eugene on Multnomah field Thanksgiving Day.

MULTNOMAH TOO MANY

O. A. C. Boys Go Down to Defeat Before Husky Portland, Lads.

The local college football team met their expected defeat at the hands of the heavy Multnomah team by a score of 16 to 0. From the account in the Oregonian it was Portland's game from the start, although they gave their opponents a hard fight, the O. A. C. team could not withstand the fierce plunges of their opposing team.

In speaking of the game the Sunday Oregonian says:

"Never was there a game played on Multnomah field in which there was less slugging. Every play was clean and no one objected to the decisions of the officials. Both teams have risen many pegs in their estimation of each other since the game. The faculty of the Agricultural College at first objected to yesterday's game, for fear of rough handling at the hands of the athletic club, but the players themselves had no fault to find with Capt. McMillan's men, and Multnomah, speaking through McMillan, thinks it never had a cleaner playing visiting team. Yesterday's game has done much toward a better feeling between the colleges and the Multnomah Club."

The Corvallis team all played good ball. Vonderhollen, the new right guard, showed up in fine form and big things are expected of him before the close of the season.

Nash and Williams played a star game, Nash's punting being a feature. Little Rinehart at quarter, played his usual snappy game, his tackling in Saturday's game won him much praise.

Our boys were handicapped by about ten pounds per man, and besides this, the field was covered with sawdust—something they are not acquainted with, thus making it very bad for the O. A. C. team to play upon. But all in all they put up a game worthy of credit and the College as well as Corvallis is justly proud of them.

The University of Nevada and Stanford University teams played a scoreless game last Saturday on the latter's gridiron. This means that the O. A. C. team will be up against the real thing when they meet the Nevada team at Corvallis on Thanksgiving.

The University of Oregon easily defeated the Albany College aggregation at the former place, on Saturday, by a score of 22 to 0. The outcome of the game was a big surprise to both colleges as the U. of O. was supposed to have a weak line-up, while it was supposed that Albany had a strong team again this year. From the score of Saturday's game, the O. A. C. team should not experience any difficulty in defeating the Albany lads on next Saturday.

The football situation in Oregon is now fairly well defined, says Monday's Oregonian. Saturday's games have brought the question down to the point where there is a single query—Eugene and Multnomah? Corvallis is out of the running, and Albany, in spite of its strenuous efforts, was knocked completely off its feet by Eugene. Pacific and Columbia are about a stand-off and class with the best academic teams, but cannot compete with the bigger elevens. Chemawa is apparently not going to do so much when Berkeley can shove back the red men for 40 points. And, though Willamette proved its superiority over Monmouth and McMinnville, nothing threatening is expected from that source. It is remarkable that so early in the season one or two games will decide the championship. Corvallis will play Eugene and Eugene will play Multnomah. Of the former of these two games nothing can be predicted. "Locomotive" Smith has developed a team of men as swift as himself, but Corvallis in Saturday's game with Multnomah showed that it was only swept off its feet and that with another team it might have played a wonderful game. Too much cannot be said of Mr. McFadden's coaching. His men always knew what they were about and never lost their heads. They were overborne by superior strength, but as a team they showed careful coaching. They need a little ginger and a quicker man at quarter, and Eugene will have to be fierce, indeed, to beat them. If it does, the cham-

ionship lies between it and Multnomah, and here it will have no snap. Multnomah has a team of star individual players, who know how to gain ground and always play well on the defensive. By the time they return from their California trip, they will be in prime training for the game with Eugene on Multnomah field Thanksgiving Day.

WHITES DOWN REDS

Pale-faced Brothers Too Much for Sons of the Forest.

In a game, although one-sided, contained plenty of interest, the second team of the O. A. C. tomahawked the Chemawa second team, and when the last yell had died away 39 scalps were hanging to the local team's belts while dark-haired lads were presented with a large circle in the shape of an egg.

The game in detail is as follows:

FIRST HALF.

Indians kick off to Corvallis, who made good gains but lose ball on fumble. The Chemawa boys then play like demons for a few minutes, but O. A. C. gets together and holds them for downs, and after a few plays Espy is sent over the line for a touchdown, which Moores kicks from one side.

Chemawa kicks-off and Moores gathers in the ball and carries it nearly to center. O. A. C. works close to goal, when Indians hold them and gain ball, but are unable to gain and are forced to punt. O. A. C. fumbles and Indians work ball to center of field when time is called. Score, O. A. C., 6; Chemawa, 0.

SECOND HALF.

When the ball is just in motion at the beginning of second half Moores makes touch-down on second or third play. As soon as ball is kicked off Corvallis works ball to Indian's 20-yard line and Espy breaks through for another touch-down. During the remainder of half O. A. C. makes touch-downs almost at will, Moores making sensational fake punts, and Espy breaking through line almost without opposition.

Football enthusiasts who saw Saturday's game predict victories for the second team in their coming games this season. The playing of every man on the team was a revelation to the spectators.

Espy bids fair to become one of the best backs O. A. C. has had while Moores is a brilliant punter and fast man with the ball. He uses excellent judgment when captaining his team. After attempting to gain around Emily's end, the eyes of one or two braves were seen to move as if emitting "cuss-words" while Walker continually went after the man with the ball almost before he had it safe in his arms.

Such a second team as the O. A. C. has is what makes a first team possible.

Mr. C. Stimpson, who resides on College Hill is now being visited by his brother accompanied by their mother. This is a long trip for the mother to make from Wisconsin, she being 82 years of age.

The singing at chapel exercises is coming to a high standard under the direction of Prof. T. H. Crawford. The College recently purchased a set of late chapel hymnals containing sacred, patriotic and college songs.

The cadet band, directed by Prof. Turney, is making highly satisfactory progress. The boys are already handling a very good grade of music, and from all indications, the College will have a very creditable military and concert band before the close of the school year.

Chas W. Morris was registered at the Occidental this week from Fossil, Wheeler county. He graduated from the Business Course at O. A. C. last year. He expects to spend a few days with a sister in Albany, and then goes to Salem to enter the Capitol Business College.
