CORVALLIS, BENTON COUNTY, OREGON, FRIDAY, NOVEMBER 6, 1903.

VOL. XXXX. NO. 46.

EVENTS OF THE DAY

GATHERED FROM ALL PARTS OF THE TWO HEMISPHERES.

Comprehensive Review of the Important Happenings of the Past Week, Presented in Condensed Form, Most Likely to Prove Interesting to Our Many Readers.

The epidemic of yellow fever in Texas continues to spread.

Alexander J. Dowie, the Zionist leader, indorses Roosevelt.

During October there was coined at the various mints of the United States \$3,672,120.

The case of W. H. Machen, charged with postal fraud, has been set for No-

T. A. Wood, of Portland, has been discharged from practice before the pension bureau.

Congressman Jones, of Washington, will introduce a bill giving Alaska a temporary government.

The sea dredge Chinook has arrived at the mouth of the Columbia river and will commence work at once.

The German mail steamer Duisberg has been wrecked near Lisbon, Spain. Most of the passengers were saved.

A reward of \$5,000 is offered for the arrest and conviction of the persons who wrecked the Santa Fe train at Asfishapa creek last week.

A petition signed by a large number of Filipinos has been received at the navy department asking for the establishment of a gun factory near

In the state elections just held the democrats elected the mayor of Greater New York, and governors in Ken-The republicans carried Ohio, Massachusetts, New Jersey, Pennsylvania, Colorado, Iowa and Nebraska.

A blaze at the vatican, Rome, destroyed \$50,000 worth of property.

China is trying to interest the United States in her behalf in the Manchurian trouble.

Nearly 3,000 men are idle at Lorain. Ohio, because of the shut-down of the large steel plant there.

Postmaster General Payne will ask ment transports now here. last congressional appropriation.

A conflict with Russia is regarded by Japan as sure, sooner or later, and she will not yield one point in the present controversy.

Rear Admiral Endicott, chief of the bureau of yards and docks, recomfor the Puget Sound navy yard.

Senator Mitchell will oppose the policy of leaders in congress for econony with a vengeance, and will work for a liberal river and harbor bill,

The Cuban congress has convened, and President Palma in his message praised Roosevelt and stated that the prospects of reciprocity with America

The Oregon supreme court holds that no tax levy can be made next January. John Mitchell, president of the United Mineworkers, is quite ill at Scranton, Pa.

The Bilbao, Spain, strikers have returned to work and their demands will receive consideration.

Wyoming will most likely secure the chairmanships of the irrigation committees in the coming congress.

Governor Dole has been appointed district judge for Hawaii. Secretary Amphritite Point, Barclay Sound Carter succeeds him as governor.

There is now only one county seat town in Montana which has no railroad rust and iron stains, indicates the pos

communication with the outside. The Toronto board of trade has

States impossible. An extremely brilliant specimen of the aurora borealis crippled telegraphic from the Condor was found by searchservice throughout the United States, ing vessels in that vicinity, but there particularly in the East.

A West Virginia mob stoned Dowieites for words deemed insulting.

One arrest has been made in connection with the train wreck in Colorado. Sam Parks, the noted walking delegate, has been found guilty of extor-

FIRE RAGES AT CONEY ISLAND.

Five Hundred People Are Homeless and a Million Dollars' Damage Done.

New York, Nov. 4.-In a blaze today that baffled the firemen for seven from their wonted occupations, and hours the Bowery at Coney Island in their several homes and places of was again laid in ashes. Two lives so far are reported to be lost, one man fatally injured, a score of others huri, 300 buildings destroyed, 500 persons made homeless and more than \$1,000, 000 damage done. How many more are in the ruins is not known tonight. It was a fire marked by rescue not alone by the police but by citizens. Before it had been an hour under way the police could do nothing more than partment, bear the signature of the try to keep the 50,000 sight-seers out of danger. Reserves from all the precincts within tem miles were brought. The fire engines found it

mpossible to get into action for near ly four hours. The alarm came from the Hippodrome, a low frame building used in summer for a merry-go-round. The firemen thought it would be all over n a moment, but the blaze had gained

headway. With the lack of water the fire had

children and men.

TWENTY LIVES LOST.

New York, Nov. 3.-Fire early this morning in the tenement at 426 Eleventh avenue, known as the "House of All Nations," caused the death of 20 persons. At 3 o'clock, 12 bodies had been recovered, and the greater number of those are of Irish nationality. Most of them died from suffocation. Among the number were several women and children. The fire is supposed to be of incendiary origin, and although it burned but a short time. the smoke was so dense that whole families were overcome. On the fifth floor eight bodies were recovered, the stairway leading to this floor having were confidently placed. Rounding a been burned away. In the dense darkness, a terrible panic prevailed among the tenants of the house, many of whom evidently had fallen over the furniture in their depart-

ments and met their death by suffocation. Police Commissioner Greene was on the scene, and the police reserves coal, that plowed their way through lances from many hospitals. The police and firemen rescued many of weighing many tons fully 60 human those women and children who had beings. been overcome in the desperate rush

Go to Learn English.

Vancouver, B. C., Nov. 4 .- A spec ial from Winnipeg says a party of 13 Doukhobors, including three married couples from the villages of Petrofka the third coach was overturned and and Terpenia, Sackatchewan, arrived there today on the way to Philadelphia, where they go to learn English and to acquire skill in industrial and domestic pursuits. They are part of the colony of Doukhobors brought to tne Northwest Territories as colonists at the expense of the Canadian government. They have hitherto refused to adopt the English language or cus-

Mules Balk on Track.

Charlotte, N. C., Nov. 4 .- A south bound passenger train on the Southern Railway crashed into a funeral party at Glass, a flag station a few the building. The Brothers, having hicle, containing the corpse and the four victims was crossing the railroad tracks when the mules drawing ther balked and the heavy locomotive struck the outfit squarely, killing all of the occupants, smashing the coffin and horribly mutilating the corpse.

Agree Upon Parcels Post Treaty. Washington, Nov. 3 .- A parcels post treaty between the United States THANKSGIVING DAY SET.

President Issues a Proclamation Fixing November 26 as the Time

Washington, Nov. 3.-The president today issued his annual Thanksgiving proclamation in the following terms:

By the President of the United States of America—A Proclamation: "The season is at hand when, acording to the customs of our people, Uprising is Feared-Indians Headed it falls upon the president to appoint a day of praise and thanksgiving to God. During the last year, the Lord has dealt bountifully with us, giving Cheyenne, Wyo., Nov. 4.-A second us peace at home and abroad, and the cept it with a solemn sense of responsibility, realizing that under heaven it rests with ourselves to show that we are worthy to use aright what has

thus been entrusted to our care. "In no other place, and at no other time, has the experiment of government of the people, by the people and for the people been tried on so vast a scale as here in our own country in the opening years of the twentieth century. Failure would not only be a dreadful thing for all mankind, for it would mean loss of hopes for all who believe in the power and the

righteousness of liberty. "Therefore, in thanking God for the mercies extended to us in the past, we beseech Him that He may not withhold them in the future, and our hearts may be aroused to war steadfastly for good and against all forces of evil, public and private. We pray for strength and light, so that in the coming years we may, with cleanliness, fearlessness and wisdom, do our allotted work on earth in such manner as to show that we are not altogether unworthy of the blessings

we have received. "Now, therefore, I, Theodore Roosevelt, President of the United States. do hereby designate as a day of general thanksgiving, the 26th of the coming November, and do recommend that throughout the land people cease worship render thanks to Almighty

unto set my hand and caused the seal of the United States to be affixed. "Done at the City of Washington, this 31st day of October, in the year of our Lord, one thousand nine hundred and three, and of the independ-

DEATH IN CRASH.

Train Carrying Football Hosts Wrecked and Fifteen Persons Killed. Indianapolis, Nov. 3.-Fifteen persons were killed and 51 injured, some aftally, at 10:20 today in a collision between a special passenger train on the forest of wooden structures at its the Big Four Railroad, and a freight mercy, and all that could be done was engine with a cut of coal cars. The to save life if possible and furniture. accident happened in the edge of this Surf avenue for blocks was im-city. The passenger train of 12 passable because of the barriers of coaches was carrying 954 persons, household goods, weeping women and nearly all of whom were students of Perdue University and their friends from Lafayette to Indianapous roa the annual football game between Purdue team and the Indiana University squad for the state champion-

ship, which was to have been fought this afternoon. In the first coach back of the engine were the Purdue football team subplayers and managers. Three players, the assistant coach, trainer and seven subplayers of the university were killed, and every one of the 53 persons in the car were either fatally or seriously injured.

From the 12 coaches were coming

the joyous cries of a thousand rooters

trained to the hour, on whon hopes colors streaming, while in the front coach sat 20 great muscular fellows, trained to hour, on whom the hopes of a grilliant victory on the gridiron curve at the Eighteenth-street cut. Engineer W. H. Schumaker found directly in front of him the freight engine and coal cars moving slowly from a switch leading to a gravel pit. He reversed his engine and jumped. The crash hurled the passenger engine and three front coaches against

and buried under a pile of wreckage The first car, in which were the players, was completely demolished. the roof being torn away and falling across a car of coal, while the body of the car was reduced to kindling wood against the side of the steel freight cars. The second coach, containing a brass band, was partly telescoped, and hurled down a 15-foot embankment.

The other coaches did not leave the track. Torch Applied to Fine College.

New York, Nov. 3.-Men who guard the New York City watershed at Amawalk, Westchester county, have applied the torch to the \$100,000 college of the Christian Brothers, a Catholic institution, where boys were being educated. The brothers a few months ago obtained an injunction against the watershed commissioners prevent the destruction of the building. The injunction expired this week, and it was decided to burn received their condemnation award, left with the students several weeks ago for Baltimore.

Oklahoma City, Okla, Nov. 3.-Two persons were killed and nine injured. two perhaps fatally, and half a dozen farm houses wrecked by a tornado that formed three miles north of Hydro, in Caddo county, at 9:30 last night. The tornado traveled over a
