**LOCAL AND PERSONAL**

Senator John D. Daly arrived in town on the noon train from Portland on Saturday.

Rev. Humbert, who is attending the Divinity School in Eugene, visited in Corvallis last week.

Daniel R. Spencer, of Alsea, made final proof on his homestead before the county clerk last Saturday.

Mr. and Mrs. B. F. Jones, of Toledo, came to Corvallis Tuesday, for a visit to Mr. Jones' brother, T. A. Jones, of this city.

Albany papers have considerable to say about our Holy Rollers, but fails to mention her own high rollers—and some of them are holy.

Mr. Robinson and family who moved to Washington in July, returned to Corvallis last Friday and are now looking for a location.

Invitations are out for a dancing party to be given by the Ladies Coffee Club at the City Hall, Corvallis, on Wednesday evening, November 11th.

Mrs. Ed. Andrews gave an afternoon reception at her residence on Fourth St. on Friday, to about forty guests. A very enjoyable afternoon was spent.

The President has, by proclamation, set aside Thursday, November 26th as a day of national thanksgiving, and the turkeys are looking up the merits of the different anti-fat nostrums.

County Clerk Moses issued a marriage license last Saturday to Mr. Gene Tartara and Miss Ida Elliott, both of Corvallis. They were married Saturday afternoon by Judge Holgate.

After 16 years in the newspaper business in McMinnville, Frank S. Harding has retired from the field and sold his Telephone-Register to Haggerty & Martin, who will continue its publication.

O. C. T. Company's steamer Ramona, beginning Wednesday at 6 a. m., will leave Corvallis Mondays, Wednesdays and Fridays for Portland and way landings.

B. J. THATCHER, Agent.

The next meeting of the Editorial Association of the State of Oregon will be held in Hood River, where the apples are ripe next Fall. The GAZETTE looks forward to an enjoyable vacation on that occasion.

Another rumor is going the rounds regarding the movements of the Southern Pacific. This time the authority is Supt. L. R. Fields, of that company, who says the noonday eating place out of Portland will be changed from Albany to Eugene. This will certainly be better for travelers coming north.

The Corvallis GAZETTE football man is evidently a member of the Holy Rollers, judging from his crazy football remarks.—Albany Democrat. Hurts, don't it, Brother, when the truth is thrown in your face. As yet, our "think tank" is alright, but when we go completely bughouse, then we'll join the Democrat force.

Mrs. J. H. Harris gave a small and select dinner party on Friday last at her home, in honor of her husband's birthday. Besides the immediate family there were present: Mr. and Mrs. S. N. Wilkins and Mrs. B. F. Irvine. The occasion was an enjoyable one for all present, and usual wishes were expressed for many happy returns of the day.

The petition that has been in circulation several days requesting the city council to pass an ordinance to prevent bicyclists using the walks that surround the public school blocks, is getting lots of signatures. The petitioners presented it to the city council last evening, but too late for us to get any report for this issue. We hope the petition will be granted.

Rev. H. A. Deck, pastor of the United Evangelical church, met with a painful accident Sunday afternoon while hitching his horse to the buggy preparatory to starting to Mt. View to fill his appointment. The horse became frightened and in some way struck Mr. Deck on the forehead, making an ugly gash and knocking him to the ground. While the wound is not serious, he was not able to fill his pulpit Sunday evening and Rev. T. T. Vincent preached the evening sermon.

The chief of engineers of the United States has endorsed the project of a continuous canal between The Dalles and Celilo, which will make the Columbia and Snake rivers navigable for a distance of 588 miles inland, and the Secretary of War approved it, and the much-sought open river is at last in sight. As soon as the necessary right-of-way can be secured, the construction will be begun. The plan contemplates a continuous canal 8 1/2 miles long, 65 feet wide at the bottom, and a uniform depth of eight feet. Orders have been issued for the work to proceed.

**AN OLD CITIZEN GONE**

A Pioneer Resident of Corvallis Passes Away.

William Groves, one of the pioneer residents of Corvallis, died at his residence on Third street in this city, on Friday, Nov. 7, 1903, at 1:20 p. m., after an illness of nearly a week. The funeral will take place today.

The religious services will be held at the Methodist church, at 2:30 p. m. today, Dr. M. C. Wire and Rev. Frank L. Moore officiating.

The burial will be at the Masonic cemetery, where Corvallis Lodge, No. 14, F. & A. M., will hold the regular Masonic service. All the Masonic bodies in the city will be represented.

Mr. Groves' Masonic history commences with his membership in Corvallis Lodge, where he received his third degree on January 20, 1864. His career as a Mason, during 40 years faithful service, has reflected credit on himself and honor on his Lodge.

After twelve years service in the symbolic degrees of the order Mr. Groves testified his appreciation of its principles by seeking more light, and on February 11th, 1876, he was exalted to the sublime degree of a Royal Arch Mason in Ferguson Chapter in this city. In its councils he has been a leading member till the time of his death, having filled many offices creditably.

His membership in Oregon Council, R. & S. M. dates from its formation on May 4th, 1882, his name appearing as a charter member. He held numerous offices in the council, being steward the present year.

Appreciating the ennobling influence of woman's work in connection with Masonry, and in earnest sympathy with its charitable principles, Mr. Groves became a charter member of St. Marys Chapter, order of the Eastern Star, at its organization in 1886. His wife and daughter became members at the same time, and the daughter, Miss Lilly, was one of its first officers. The Chapter will attend the funeral in a body.

Mr. Groves was identified with many local industries, being proprietor of the Corvallis Opera House, and part owner of the local water works. He owned a farm west of this city, on which he was working at the time he received the paralytic stroke which was eventually the cause of his death.

William Groves was born in Buckley county, West Virginia, January 13, 1832. At the age of six he came with his father to Batavia, Clearmont, county, Ohio. He came by way of the Isthmus to California in 1853, and settled at Corvallis, Or., in 1863. September 24, 1865, he was married to Miss Emma Hornung, who survives him. The surviving children are: Frank Groves, of the Bremerton navy-yard, Misses Edna and Lilly Groves, of Corvallis, and Mrs. Jessie Kittredge, of Weston.

**O. A. C. Gleanings.**  
[BY BERT YATES]

Thos. Fitchard spent Sunday at his home in Independence.

Editors B. F. Irvine, of the Times, O. A. Dearing and Roy Irvine, of the GAZETTE, occupied seats in the grand stand, Saturday, watching the game of football.

It is said that O. A. C. has furnished to the Railway Postal Service more men than all the other institutions of Oregon combined.

Several persons from Albany, not knowing the date of the P. U.-O. A. C. game had been changed, visited with O. A. C. friends Friday afternoon.

Harley Laughlin, last year's quarter-back, arrived Sunday, and intends resuming his studies at O. A. C.

The Washington Agricultural College football eleven arrived Monday from Eugene. They stayed with Mrs. O. Healy until Thursday.

A most interesting game of football was played on the athletic field, Friday evening. The contestants were boys from the Senior and Junior classes. The duration of the game was "one half" during the first part of which the Seniors made a touchdown, and just before dark, which marked the end of the game, the Juniors also scored. The tie is to be played off, a detailed account of which game will be given.

**HOODOO STILL ON**

Home Team Fail to Score Against Pacific University.

The O. A. C. and Pacific University football team battled for supremacy last Saturday afternoon on the Farmers' field and after struggling through both halves in a veritable quagmire time was called before either side had scored.

Although the field was so slippery and muddy that fast playing was impossible, the game nevertheless, was full of snap and every gain was hard fought for. O. A. C. started off in the first half as if they meant to say farewell to their old friend, the hoodoo, and after sending Williams through several times for good gains the ball was at last carried to Pacific's five-yard line, and it was in making the last run that Williams and the ball parted company, and after the waves had died away and the players came to surface, a Pacific man was fondly embracing the pigskin. Then after having received the ball on down O. A. C. again carried it within a few yards of P. U.'s line, only to lose it on a fumble. Having then failed to make yardage Pacific punted and the remainder of the first half was played 20 yards from the P. U.'s goal. The second half was played mostly in the center of the field with honors about even.

For the visitors, Fullback Philbrook played the star game and their biggest gains were made through him. Williams, of O. A. C. was by far the best player, and had his team mates put up the article of ball that he did, victory would have been ours. All of O. A. C.'s gains were made by Williams and his hurdling was a feature. The game throughout was cleanly fought, free from foul play.

We have game as it was played, but have not the space to spare for a detailed write-up.

**All Hope Gone.**

By playing a scoreless game with Pacific University on last Saturday, the O. A. C. football team now relinquish all hopes of winning a game this year, and in all probability will make a record by not making a single score during the entire season.

What the cause is of the slump that has taken hold of the home team is hard to decide. There is much harsh talk by the students, who lay all the blame on Coach McFadden, but from the showing that the team made in the first two games this year with U. of W. and Multnomah, the coach has done his duty well. Had the local eleven put up such an article of ball that was played with Seattle, they would have had no difficulty in winning from both Albany and Forest Grove.

Pullman plays here on Wednesday and it is in this game that Coach McFadden has any hopes of landing a score this season. This statement is based on the fact that Seattle has played both teams and made a bigger score against Pullman than with O. A. C. From the showing that the University of Nevada has made against the California teams, the drubbing that Nevada's husky lads will give the Farmers will certainly not be a small one.

**In New Quarters.**

Two of the classes of the public school moved yesterday to permanent quarters in the new school building. The primary grade, under the efficient management of Miss Maud Kerns, will occupy the southwest room, on the first floor. Miss Kerns will take about 45 scholars, to this room, out of the 68 she has been teaching, one of her classes having been transferred to Miss Fullerton's room. The lighting of this room is a new experiment in this city, the bulk of the light being on the left side of the scholars as they sit at their desks. This is called the California system, and the result of the experiment will be watched with much interest.

Miss Fullerton will occupy the southeast corner room, with a class of about 40 scholars. The lighting of this room is on the Oregon plan. The rooms vacated in the old building will be occupied by new classes, formed from the overflow of the old classes, and be under the instruction of Misses Kyle and Evans.

The demand for Oil Meal for stock food is growing very rapidly. The first car-load quantity that was ever brought to Corvallis arrived today, and was billed to Dunn & Thatcher.
