### To Stop Tax Dodging.

A movement is on toot regarding the subject of assessment and taxation, that ought to meet the hearty support of every honest citizen. It claims to do more to equalize the burdens of taxation than any other plan.

That our tax-rolls show scarcely a tenth of the real value of our property, and as it is upon the amount of this low valuation of property, as shown on the assessment rolls that our tax rates are signed for the purpose of hunting. levied, our tax rates appear to be high and exorbitant to people coming to the Pacific coast; and as a consequence many are deterred from locating in our state.
