THE CORVALLIS GAZETTE

TUESDAYS AND FRIDAYS.

O. A. DEARING, ED. AND BUS. MGR.

"Don't mention roads or taxes, F—k, it's dangerous; ta'k about circus." M—c.

The Democratic papers seem to be still in doubt as to who should be the candidate of the party for president. Why don't they read the Examiner, the Journal and the American, and find out? William Randolph Hearst is the only logical candidate. We speak authoritatively on this subject. He admits it himself.

Shirley Buck and H. L. McGann have purchased the Oregon City Courier, and will run it as a Democratic paper. They must be young at the business as they speak of the Democratic party as having 'principle." No, Shirley, you are behind the times. In the old days when you were quite young such a thing might have been said with propriety. Come down to Benton county and find out what Democracy really stands for. Ask Mac.

"The star-eyed goddess of reform" is still the patron saint of Democracy. The purification of politics is to be no longer an irridescent dream, but a stern reality. All good reformers should flock to the grand old, pure old, c—old Democratic party, the party of purity and high principle. Willie Hearst estimates that the hundred delegates he has secured for the National Convention will have cost him twenty-thousand dollars apiece. To the pure all things are pure.

After ten days of apparent inactivity, in the early hours of Wednesday the 14th, a small Japanese squadron ventured on another attack upon Port Arthur. Admiral Makaroff, on board the heavily-armored, 14,000 ton Petropavlovsk, started out to repel the attack. The appearance of the main body of the Japanese fleet caused her to retreat. In so doing she struck a submerged mine which blew a hole in her hull, when she turned turtle and sank in two-and-a-half minutes. Brave Admiral Makaroff and over seven hundred men went down with the vessel. Another vessel, the torpedoboat destroyer Bestrashni, was cut out from the fleet by the Japanese, and sunk. The Pobieda another Russian battleship, was also injured by a hidden mine, when returning to the harbor, but was able to make her anchorage without assistance. The Japanese fleet which immediately commenced bombarding the fort, consisted of forty vessels. This, the most disastrous accident, is the third battleship which Russia has lost by her own sunken mines. Truly terror reigns in Port Arthur.

Republican France has determined that the reactionary, monarchical, aristocratic religious orders shall no longer warp the minds of the youth of the land. The whole structure of religious schools has been swept away, and in its place are secular schools, supported and controlled by the state. This is the culmination of a long and bitterly fought crusade in the same general direction, and looking to the same results. This work of the ministry has the approval of the people, and must be manifest from the result of the last election. One clause of the law now in force provides for the removal of all religious emblems from the courts of France, and it is noteworthy that this act was carried out during the week preceding Easte[illegible] opposition or comment[illegible] so the intention of [illegible] to close the famous shrine at Lourdes. A further and most significant dence of the weakening hold of the Vatican on the Republic, may be instanced the fact that Premier Combes has invited the Pope to "denounce" the concordat, with the intimation that if the Pope does not do it, France will. Truly the world moves.

E. E. WHITE REAL ESTATE CO

I am so happy and so glad,
I do not now feel blue and sad,
I laugh and talk and take my ease;
I come and go just as I please.
I tell you what I sold my home
When I listed it with White & Stone.

I was feeling very blue and sad,
My wife she made me almost mad;
She did not want on the farm to stay,
She wanted to sell it and move away,
So I listed it for more than a year
And still found myself right here.

The agents took my place in hand
They were so sure they could sell the land.
I sometimes think they did not try
For they never brought a man to buy,
They gave me a wink with a knowing smile
And tried to fool me all the while.

With that knowing smile and wink
They could not fool me, don't you think.
I saw they would not sell my home
So I listed it with White & Stone.
You bet, I found them just and true;
They will do your work all right for you.

They will always help you if they can,
They deal with you as man with man.
They're always ready with good advice,
And are not afraid to advertise.
So, if you would buy or sell a home
Just have a talk with White & Stone.

WHITE & STONE,
Corvallis, Oregon.

NEW PIANOS!!

$50.00 TO $75.00

cheaper than you can buy them in Portland or of Portland agents. We claim to sell instruments of the same quality $50 to $75 cheaper than any other agents within 500 miles. This may seem like a bold statement, but we are prepared to back it up with incontrovertible evidence, if given a chance.

ARGUMENT.

All large dealers, like the Portland firms, have enormous expenses that we do not have in the way of immense rent, electric light, clerk hire, freight, drayage and numerous other bills. Especially is this true of their agents who cart their pianos around from town to town, creating bills which you have to share if you buy of them. Large firms save about $10 on a piano by buying in large carload lots. Do you think that makes up for the above expenses? We are in a position to sell cheaper than any large firms and the way our customers are increasing gives evidence that people are finding it out. **Beware of special sales, piano clubs and the like.** No firm can sell goods at wholesale prices to the retail trade and **no firm does.** We always make a profit on our pianos and never give anyone a special price, or sell to you for less than your neighbor, as we have but one price the year around. There is not another dealer in the Pacific Northwest, to our knowledge, which has strictly one price on each piano from which they ever never deviate. At least have a talk with

M. A. GOODNOUGH

before purchasing and see what he has to ofier. Our $250 piano is a thoroughly good instrument, of beautiful tone, action, finish and workmanship and one which would cost elsewhere $300 so $325. We have several new styles coming. Second hand pianos also for sale. Office and residence, Sixth street, one block west of the Court House, Corvallis.
