LIVER TROUBLES

"I find Thedford's Black-Draught a good medicine for liver disease. It cured my son after he had spent \$100 with doctors. It is the medicine I take."—MRS. CAROLINE MARTIN, Parkersburg, W. Va.

If your liver does not act regularly go to your druggist and secure a package of Thedford's Black-Draught and take a dose tonight. This great family medicine frees the constipated bowels, stirs up the torpid liver and causes a healthy secretion of bile.

Thedford's Black-Draught will cleanse the bowels of impurities and strengthen the kidneys. A torpid liver invites colds, biliousness, chills and fever and all manner of sickness and contagion. Weak kidneys result in Bright's disease which claims as many victims as consumption. A 25-cent package of Thedford's Black-Draught should always be kept in the house.

"I used Thedford's Black-Draught for liver and kidney complaints and found nothing to excel it."—WILLIAM COFFMAN, Marblehead, Ill.

Memorial Services.

The Woman's Relief Corps, the auxiliary of the Grand Army of the Republic, has issued the following general orders for Memorial Day services, to be held throughout the state. The bulletin is issued from the headquarters in Toledo, Oregon, by command of Rose M. Schenck, department president, and Ina Sturdevant, department secretary. The exercises in this city will be under the direction of Ellsworth Relief Corps.

Another year with swift and silent footsteps has sped away, passed into niche in the archives of Time, and the coming of another Memorial Day tenderly reminds every loyal American citizen of the sacred obligation resting upon each one, the obligation to hold in grateful remembrance the soldiers, whose patriotism in the hour of need saved us a free and undivided country, whose blood dyed the sod of many a battlefield and who today are sleeping their last long sleep in the narrow, windowless palaces of the dead.

To this day our comrades turn with ever saddened hearts and forget not the brave boyish faces that fell by their sides, whether they are sleeping beneath the northern pines or southern palms or under the blue sun-flecked waves of the ocean. While we so willingly help to strew the flowers above those who have answered to the last roll call, let us not, in our privilege as an auxiliary, forget the living heroes, but let us bring to them the perfume of sweet flowers and sweeter thoughts, and scatter roses and lilies and "forget-me-nots" along their pathway.

Let us bring to the observance of this day all our tenderness, and make it more sacred and more holy, not only that the faithful may be encouraged and inspired anew, but that others outside our ranks may be drawn to see and hear and made to feel its influence.

The members of the Woman's Relief Corps will see that flowers are prepared for the decoration of all veterans graves within their reach and be ready to do their part in the ceremony for the "Unknown Dead" and "Our Soldiers, Sailors and Marines." Each auxiliary Corps will be especially helpful and assist the Post, not only in observing Memorial Day but also by attending services in a body on the Sabbath preceding.
