EXPECT BATTLE AT LIAO YANG.

Russians Believe Important Developments are Impending.

St. Petersburg, June 7.—The general public at the Russian capital is imbued with the belief that important military developments are impending at Liao Yang, and that a general engagement between Kuropatkin's and general Kuroki's armies is imminent. Although the authorities are doing nothing to discourage the idea, the best-informed circles at the war office do not anticipate a decisive battle immediately, unless brought on more or less unexpectedly by an accidental collision between strong columns, as often happens in warfare.

The war office's information does not indicate that the Japanese have concentrated for an attack on General Kuropatkin, and it is expected they are not yet ready to assume the offensive. Nevertheless, it is known that differences of opinion exist at the Russian headquarters as to the advisability of taking the aggressive, and it is believed this matter was the subject of a conference between the commander-in-chief and the viceroy at Mukden Tuesday.

Kuropatkin's position is becoming very formidable, both in the number and character of troops at his disposal. The condition of some of the Siberian reserves when called to the colors was not satisfactory and caused Kuropatkin misgivings, but it is now reported that they have been drilled into a state of efficiency. More important, however, are the large reinforcements of field artillery, in which the Russian army was especially weak. These have now arrived. Nevertheless, Kuropatkin does not consider himself strong enough to risk the possibility of a defeat which might be irretrievable and result in disaster or at least years of campaigning. His friends praise his steady conservatism, caution and refusal to listen to the counsel of the hotspurs.

RUSSIA CANNOT BELIEVE IT.

Japan Held to Have No Right to Offer Territory to China.

St. Petersburg, June 7.—The Russian authorities have not been advised by M. Lessar, the Russian minister to China, of the proposition alleged to have been made to China by Japan to hand over the towns captured by the Japanese in Manchuria to the Chinese civil administration, or even of the refusal of the Pekin government to assign the administration to a neutral power.

The foreign office cannot believe such a proposition was submitted, pointing out that while the war is in progress the fact that certain territory is occupied by the Japanese does not necessarily mean it will remain in their hands. As a belligerent, Russia would, of course, refuse to recognize an agreement which might hamper her military operations, and she does not believe the powers would consider even for a moment a proposition of this character.

At the conclusion of the war, if Japan is victorious, it is considered that she herself is under pledge not to undertake, even temporarily, the civil administration of Manchuria.

MOHAMMEDIANS ARE EXCITED.

Presence of American Ships, However, is Having Salutary Influence.

Washington, June 7.—Admiral Chadwick today cabled to the navy department that the presence of the American fleet at Tangier has had a salutary influence, but the community is in a state of great religious excitement.

Admiral Chadwick's telegram is understood to be in reply to certain criticisms, mainly from British sources, upon the wisdom of sending American warships to Morocco at this juncture. The religious excitement mentioned as prevailing among the Moors is believed here to be incident primarily to one of the annual Mohammedan pilgrimages occurring at this season. Undoubtedly, however, the presence of the seven American warships at Tangier, with a promise of reinforcement if necessary by another squadron, is regarded as threatening Moorish integrity and the Mohammedan religion, and has contributed to the excitement.

Relief for Fort.

Paris, June 7.—The St. Petersburg correspondent of the Matin says he learns from a trustworthy source that the advance guard of 14,000 men under General Stakelberg, sent by General Kuropatkin to the relief of Port Arthur, has already reached the entrance to the Liao Tung Peninsula, and the bulk of the army is following. The correspondent of the Matin at Niu Chwang confirms this, stating that important movements of Russian troops are proceeding to the southward of Tachiao toward Kai Ping.

Predicts Its Early Fall.

Paris, June 7.—The leading military authorities here expect the early fall of Port Arthur, and view this as a most serious, if not an irreparable, blow to Russia, the present condition of Port Arthur being compared to that of Metz and Sedan during the Franco-Prussian war. It is pointed out that General Kuropatkin is making the same fatal mistake in regard to Port Arthur's military ability to resist that the French made in connection with Metz.

Japanese Not Paying for Supplies.

Liao Yang, June 7.—Merchants from the south complain that the Japanese are not paying for the supplies taken by them as they did in the earlier stages of the war, and assert they are even ill-treated and insulted when they ask for money. Two Chinese bandits were executed here today.

REPUBLICANS WIN

ENTIRE STATE TICKET ELECTED BY A BIG MAJORITY.

Democrats Successful in a Number of Counties on the Legislative and County Tickets—Local Option Will Carry by 2,000—Direct Primary Nominating Law Swept the State.

In the election Monday the returns indicate that the republican state ticket is elected by a plurality of 20,000.

In the Second District practically complete returns indicate that J. N. Williamson has been re-elected by a plurality of 13,000 votes. In the First District Binger Hermann will have more than 7000 votes. Incomplete returns place his plurality slightly under that figure.

Incomplete returns from 25 of 33 counties make it certain that the local option law has carried by a good majority. The 2000 votes in Multnomah county cast against the measure have already been overcome, and the law has 1765 votes to spare. It is believed complete returns will greatly enlarge this majority.

The direct primary nominating law has swept the state by more than 20,000 majority. Little opposition to the measure was manifested at the polls.

One of the surprises of the election was the defeat of B. L. Eddy, of Tillamook, for circuit judge in the Third Judicial district. His democratic opponent, William Galloway, of Yamhill, was elected by a plurality of 1000.

The democratic candidates for the legislature have been successful in few counties. The next Oregon legislature will consist of 73 republicans, one independent republican and 16 democrats. This is a gain of two republicans over the legislature of 1904. Twenty-four republicans will have seats in the senate and six democrats. In the house of representatives there will be 50 republicans and 10 democrats.

Baker County.

Baker City, June 8.—Thirty-five of the 40 precincts of this county have sent in their returns to the county clerk. The republican state ticket will have a majority in the county of about 200 and Williamson, for congress, will have a majority approximating 300.

Union County.

Union, June 8.—Complete unofficial returns from all the precincts in Union county, except Camp Calson, which registered but six votes, gives the following:

For Congress—Cook 270, Simmons 1197, Stone 267, Williamson 1694

Supreme Judge—Bright 208, Mikkelsen 224, Moore 1798, O'Day 1233.

Food Commissioner—Bailey 1341, Berry 207, Douglas 854, Rasmussen 165

Wheeler County.

Fossil, June 8.—Complete returns from this county give the state, congressional and legislative honors to republicans by about 150 majority, while county officers are about evenly divided between democrats and republicans.

Malheur County.

Vale, June 8.—Incomplete returns in this county signify that the republican state, congressional, legislative and judicial candidates, district judge and attorney, have received large majorities. The entire county ticket has gone democratic, with the possible exception of coroner. The direct primary law and the state printer amendment will probably carry by a small majority, while local option is probably lost.

Polk County.

Dallas, June 8.—Complete unofficial returns on the county ticket of Polk county show the entire republican ticket elected with the exception of sheriff, Ford, the democratic nominee, being elected sheriff by a majority of 356. Unofficial returns of the state and district ticket, complete with the exception of three precincts, show the entire republican ticket elected with the exception of B. L. Eddy, who is defeated by Galloway for Circuit Judge by a majority of 93. Hermann receives a 300 majority.

Linn County.

Albany, June 8.—The result of the election in Linn county, although not a clean sweep for the republicans, yet is a decisive victory. The state, congressional and judicial tickets, with the exception of B. L. Eddy, were carried by neat majorities.

Lincoln County.

Toledo, June 8.—Complete returns indicate that the republican state and legislative nominees have received majorities in Lincoln county ranging from 200 to 400. It seems quite certain that Congressman Hermann's margin will be near the latter figure.

Coos County.

Marshfield, June 8.—With a few small precincts to hear from, Coos county elected all republican candidates, with the possible exception of Sheriff, Gallier leading by about 50. Sherwood, democratic, for joint senator, is probably elected by a small plurality. Burns, democratic, for joint representative, is elected. Hamilton, for judge, is elected with a majority in the neighborhood of 400. Binger Hermann and the entire state republican ticket is elected by pluralities of 500.

Local option and direct primaries are defeated 2 to 1. The state printer amendment carried 2 to 1.

Lake County.

Lakeview, June 8.—The precincts are all heard from. The county vote is 495 against 843 two years ago. The republicans have elected all the county ticket except clerk and assessor, which went to the democrats. The vote on the state, congressional, judicial and legislative ticket is as follows: For Congress—Gould, 23; Hermann, 473; Ramp, 16; Veatch, 234.

State ticket—Bright, 21; Mikkelsen, 27; Moore, 446; O'Day, 245; Bailey, 446; Berry, 21; Douglas, 215; Rasmussen, 10.

Clackamas County.

Oregon City, June 7.—With no official returns at hand the election of the entire republican ticket is assured. About 85 per cent of the registered vote was cast. Hermann will carry the county by probably 250 majority. The republican state and judicial ticket will be elected by at least 1000 majority.

Wasco County.

The Dalles, June 7.—Thus far no complete returns have been received from any precinct in this county. As far as can be estimated from the meager reports the state officers and representative Williamson will carry the county by large pluralities.

Yamhill County.

McMinnville, June 7.—In McMinnville precincts Hermann had a good margin over Veatch, and for supreme judge, Moore was in the lead.

Clatsop County.

Astoria, June 7.—Incomplete returns from the city precincts in the county give Williamson, for representative, 368, Simons 190, Moore 357; supreme justice, O'Day 190; food and dairy commissioner, Bailey 241, Douglas 141.

Marion County.

Salem, June 7.—The election in Marion county has been a landslide for the republican ticket and with the returns yet far from complete it is apparent that every republican candidate has carried the county.

Jackson County.

Ashland, June 7.—The Jackson county returns are coming in slowly. At 1 A. M. indications are that the republican state and congressional tickets will have a substantial majority. Hermann's plurality is now estimated at 300.

Washington County.

Hillsboro, June 7.—The count in Washington county is coming in very slow. Hillsboro's two precincts give Hermann 120 to 76 for Veatch, with the state ticket about the same. Out of 222 votes cast in these two precincts, the local option measure gets 109 "yes" to 113 "no." Indications are that Hermann will carry the county by at least 500, and perhaps 700.

Benton County.

Corvallis, June 7.—The majority for republican state ticket is estimated at 200. Judge Hamilton, Dem., has carried the county by a plurality of 50 to 75. The democrats elect the treasurer.

Lane County.

Dallas, June 7.—The republican state and district tickets are safely elected. Hermann will have at least 200 plurality. Dallas from incomplete returns gives democratic majorities. Local option is running well with safe majority. The contest on state senator is especially close with Laughery, the republican nominee, slightly leading.

Umatilla County.

Pendleton, June 7.—Williamson will carry this county by a large majority, as will state and legislative officers. Williamson is running far ahead of his ticket. This county ticket will be mixed.

Gilliam County.

Arlington, June 7.—Gilliam county will give Williamson, Rep., for representative to congress, a majority of about 200. Moore, for chief justice, is running ahead of his ticket, and his majority will probably reach 250.

Morrow County.

Heppner, June 7.—Returns from seven precincts in Morrow county indicate a very large majority for the state ticket, with Williamson, Rep., for congress, running ahead of his colleagues.

Klamath County.

Klamath, June 7.—Incomplete returns give Hermann and Moore good majorities. Benson and Hanna, for circuit judges, and Laycock, for senator, are sure of election. Moore, Dem., will probably have a majority for district attorney. For joint representative, Steiner, Rep., and Griffith, Dem., will receive majorities.

Columbia County.

St. Helens, June 7.—Returns indicate that Mayer, republican, is undoubtedly elected representative. The county judge and county clerk are in danger, but it is thought the republicans will pull through. The congressional and district tickets are overwhelmingly republican.

Sherman County.

Moro, June 7.—All indications point to the election of the entire republican ticket by a plurality of 300 votes. It is estimated that Williamson for representative has carried the county by 350.

Josephine County.

Grants Pass, June 7.—Josephine county indicates a republican victory, except for representative and treasurer. Hermann has a good lead and the republican state ticket also.

Douglas County.

Roseburg, June 7.—In four Roseburg precincts 1138 votes were cast, against 1000 two years ago. Hermann carries the county by over 400, and Judge Mamilton, democratic, by 500. The republican state ticket is elected by over 500.

Multnomah County.

Portland, June 7.—The republicans carried the county by an unprecedented majority on the state and congressional tickets, and by a very heavy vote on the legislative, judicial and county tickets, with the exception of three. The democrats have elected the sheriff and district attorney and one independent republican state senator is elected. Williamson's plurality will be 7,500. Local option will be defeated by 2,000.

HAPPENINGS HERE IN OREGON

PROMISE OF A BIG CROP.

Umatilla Wheat Fields are in a Flourishing Condition.

PENDLETON.—Based on reports from the various sections of the county, the wheat crop, conservatively estimated, will amount to more than 2,000,000 bushels. The condition of growing grain at the present time is considered most satisfactory and unless the weather within the next three weeks proves unfavorable, farmers say this year's crop will reach 1,500,000 bushels in excess of last year.

The wheat in the vicinity of Pendleton is quite far advanced, having headed out several days ago. The section of the county between Pendleton and Athena, which is owned by the Umatilla Indians, is an immense expanse of waving grain. Thousands of acres in this locality are rented by the Indians to the large farmers at a nominal figure, and comprise the richest farming land in the country. The average annual yield is from 30 to 35 bushels an acre, and accordingly the profit to the farmer is very large. In reality, the profits realized by the farmers by renting these lands are greater than they would be if owned by the farmers themselves, since a comparatively small working capital is required. The reservation wheat land will, this year, produce the largest portion of the crop of the county, provided the grain escapes injury from any tricks of the weather during the critical period.

Grain in that part of the county northwest of this city is also reported to be in a very healthy condition. It has headed and reached the stage for haying. The land in that locality is lighter and of course the yield is never as large as that of the reservation lands, yet anything approaching a partial failure has never been known there.

In the Helix country wheat is looking good and an average crop is in prospect. The early frosts did some damage to grain in that locality, but by the recent heavy rains the affected grain will make a satisfactory yield. Out of 1000 acres owned by Christian Breeding less than 40 acres were damaged. Other stands suffered in a less degree.

Farmers living south and southeast of the city also give most favorable reports of growing grain and feel assured that they will harvest an unusually large crop this year.

Rinehart Clans Will Gather.

PENDLETON.—A fare and one-third rate is being granted by the O. R. & N. for the second annual Rinehart family reunion at Summerville in the Grand Ronde Valley, to which members of the big Rinehart clan from all over Oregon and Washington are expected to come. The reunion is to take in the descendants of Louis and Elizabeth Rinehart, whose immense family has blossomed out into other immense families, until with the fourth generation there is an extraordinary gathering when all get together. It is probably the first time that the O. R. & N. has made a low rate for a family reunion.

Grand Ronde Fruit Good.

LA GRANDE.—The crop prospects for Union county and most of Eastern Oregon are very flattering so far this season. Grand Ronde Valley has had a heavy shower last week, just when it was most needed. Sugar beets never looked better than now, and hundreds of Indians, Japs and many whites are now in the fields thinning them as rapidly as possible. Only a few early strawberries and some cherries were damaged by the frost. A full crop of all fruits is assured in the Grand Ronde Valley; the strawberries will be on the market in about four weeks.

Bids are All Too High.

ASTORIA.—County court opened bids for construction of a reinforced concrete foundation for the new court house. Four bids were received as follows: John Bingham, Portland, \$21,857.40; Bingham & Flynn, Portland, \$21,670; Marshall Bros., Portland, \$21,439.65; Ferguson & Houston, \$20,987. The lowest bid was much higher than the court anticipated and about \$7000 above the architect's estimate. Final action on bids was deferred until the architect will be here.

Poor Business at Cold Storage.

ASTORIA.—Up to the present the fishing season has been a greater failure than last year, especially for the cold-storage people. At this time last year fully 500 tierces of pickled fish had been put up, while now not over 150 tierces have been packed. The pack of the canners is not much over 10,000 cans, but those interested are not discouraged as they expect large late run the same as last year.

APPLES BROUGHT HIM HERE.

New Yorker Found Eastern Fruit Could Not Compete.

HOOD RIVER.—The Hood River Fruit Company is a new Hood River corporation. The company is capitalized at \$75,000, the stockholders being Burt Van Horn, of Buffalo, N. Y., A. A. Jayne and T. A. Decker, of Hood River. Mr. Van Horn owns a 400-acre apple orchard in New York. His apples met with competition in big markets with the Hood River product, and last November he made a special trip to this valley to acquaint himself with conditions here. The result of his investigation is the recent organization of the Hood River Fruit Company.

The company has been formed solely for the purpose of growing commercial apples. It is not a speculative land-dealing scheme, says Mr. Van Horn. Mr. Van Horn was for years prominently connected with the street railway business in the City of Buffalo. He expects to spend much of his time in Hood River this summer and fall, except when his other business interests take him out of town. He has let contracts for clearing the fruit lands he has purchased.

Following are the Hood River farmers who made sales of land to the Hood River Fruit Company: Boyd Sproat, Warren Wells, August Paasch, C. H. Stauffer, G. R. Castner, W. V. Johnson.

Found With Stolen Horses.

LA GRANDE.—Word has reached here from Wallowa county that Bill Cottingham, more familiarly known as "Coyote Bill," who was wanted in the state of Washington for stealing horses, and who took French leave, was captured near Wallowa last week in camp in company with his wife. He was handed down by some of his bondsmen. He apparently thought he was perfectly safe when he was caught. He had horses in the camp, also, that were stolen. Cottingham was immediately taken back to Washington.

Wire to Be Strung to Innaha.

LA GRANDE.—The stockholders of the Innaha, Joseph & Eureka Telephone company in Wallowa county have elected officers to act during the ensuing year as follows: President, F. D. McCully; vice president, Frank Kernan; secretary and treasurer, J. P. Rusk. All the stock has been subscribed, and the contracts let for the construction of the line from Joseph to Buckhorn Springs, and in the near future will be built on to Innaha and Fruita.

New Hatchery Site on Siuslaw.

ASTORIA.—Master Fish Warden Van Dusen has returned from a trip to the Siuslaw river, where he selected a new site for the state salmon hatchery. Considerable trouble has been experienced in the past by the floods, which rise rapidly, and several times a vast amount of damage has been done. A location has now been selected where this difficulty is expected to be obviated.

Build a Hotel at Hot Lake.

PENDLETON.—A fine new hotel is under construction at Hot Lake, where State Senator W. M. Pierce, of Pendleton, is one of the proprietors. The structure will be three stories high, brick, equipped with modern conveniences and 100 feet long with two L's, each 120 by 45 feet. It will cost \$75,000.
