 $\left|\begin{array}{c}\text { It strikes ustthat thething to be } \\ \text { made sure in this connection is } \\ \text { the public sentiment back of it }\end{array}\right|$ the public sentiment back of it
which would enforce no license.
wh is not difficult to enact a meas It is not difficult to enact a meas
ure of this kind in such a community as ours. The difficulty
is in solidifying public sentimen is in solidifying public sentimen
for the strict enforcement of such for the strict enforcement of such
a measure. Without this no a measure. Without this no ter, for all laws, and especially
sumptuary law, must depend on sumptuary law, must depend on
active public sentiment for their icense law enforced by such sentiment than no license without this senument strictly enforcing
it. Better a iaw which, enforced, carries us half way to our pur-
pose, than a better law which,

## 1 <br> partv measu. and purposes are, ander our fonm of government. zecessary ano we may believe

 bighly indzot by blind cisanship that right measures are Eormulated and righteous objects
accomplished. The always thick-and-thin paitis $n$, whatever parzy he may tollow, is scarcely an self superior t. mere party. So zight principlen and pursues those others, he will i entifiy himself with that par:y and be for the
time an earncst partisan. Whentime an earnest partisan. When-
ever, bowever, his party pursues vicious measures he refuses to
follow it, and selects, forms if need be another party whose banzzers he may conscientiously folIt is an auspicious thing for a
party when the mass of its ad-
berents are not blinded partisatis berent earnest, inteligent citizens public weal tar above party and
party triumph. The Republican aste in this reppect. These were
the men who thave won its ctories thro
all the years, and who today b
its banners and fill its ranks. they believe republican princi-
ples and policies. They believe in these because they are right
and have been productive of the greatest good to all the people.
These are things wrought out through the sgency of party, yet shove
ship.

AC FORTUNATE. that the Democratic party is
wholly unable to find an issue upon which it might go before the people and hope to win in the present campaign. It is also
fortuate for the Republican party that this is so; yet this is as such, may come and go, but so long as the government is rightly administered, conducted on lines which confirm the peace,
prosperity and happiness of the people the fate of mere party organizations comints for nothing seeking men tall upon indifferent ears.
It is fortunate for the Republican party that its principles and policies and administration of public affairs have been vindicated before the world. Herein is found the great good fortune of the
country. A party has been able to justify the policies of the peo-ple,-to satisfy them that they are using the right party instrumentality for their own greatest good.
For
For so long a time and with such unbounded success and beneficent results have the people
d this instrument that they
ino sort of reason why they
uld cast it aside and substi-
r, whether altogether a or one already tried and an inefficient and danument.
ary is to be congratuthe instrument used, --is to be heartily com-- efficiency.
$\rightarrow \overline{\text { LOCAL OPTION. }}$ At a meeting of the Citizens' Ie eague held Thursday this question iacidentally came up for dis-
coussion. It appeared to be the cussion. It appeared to be the measure is likely to prevail in Bentor county.

The achievements of the Republican party are greater than those of any other organization
in the annals of history having in charge the civil administration of the affairs of a people.
The history of the United State for fifty years is the history of ope success, progress and develIt was born of the necessity of
the times, and under conditions extreme limit to express and maintain their convictions. Upon the first administration of the Republican party under
$x$-President Abraham Lincoln ex-President Abraham Lincoln,
our government was found in debt beyond its ability to pay or o borrow money to defray its ex
penses for a less rate than 12 per per cent. interest per anmum
Through the successful adminis tration of the financial affairs o the government by the Republi can party the bonds of our gov-
ernment bearing 2 per cent 1 n terest per annum sell for consid erable premium.
